SERVICE

for Service people

When you bank with the Westminster, you get service all along the line. First, the Westminster has a special Navy Branch at 26 Haymarket, London. This has been open since 1772 and is, in consequence, well acquainted with the kind of financial problems you meet with in the Navy. Next, the Bank has branches at Portsmouth and Plymouth which are always at your service (as also are over 1,200 branches in other towns throughout England and Wales). Finally, the Westminster Bank operates abroad through a world-wide system of agents and correspondents. If you would like to know more about our service to the Senior Service, write for the booklet 'Westminster Bank to Her Majesty's Ships'

III. PAY WHILST UNEMPLOYED

Except as provided for the payment of half pay, full pay will be granted to all Officers whilst unemployed, together with Marriage Allowance or Lodging Allowance as appropriate, and Ration Allowance on condition that they hold themselves at the disposal of the Admiralty and are regarded by the Admiralty as available for employment and do not undertake continuous professional work for which payment is made.

IV. HALF PAY

Officers will be discharged to Half Pay in the following circumstances:—

- (a) When dismissed their ships as a result of a sentence by Court Martial or when relieved by order of the Admiralty on account of misconduct otherwise than as a result of sentence by a Court Martial.
- (b) In special cases for disciplinary reasons as the Admiralty may direct.

Officers (except Admirals of the Fleet) discharged to Half Pay will receive half the rates of Full Pay, Marriage Allowance and special service pay (Flying), to which their rank and seniority, as reduced by any sentence of a Court Martial, entitle them, except that where they are holding acting higher, or temporary rank, the Half Pay rate will be based on the rates appropriate to their substantive rank.

The rate of Half Pay for an Admiral of the Fleet when further naval employment is not contemplated is £3,300 a year.

RATES OF PAY AND MARRIAGE ALLOWANCE FOR NAVAL II RATINGS (INCLUDING MEMBERS OF THE WOMEN'S SER- VICES) AND ROYAL MARINES (OTHER RANKS)

The basic rates of pay in all branches depend on the period for which a man is committed to serve. Those on engagements for periods of nine years or more will receive the "Standard rate of pay," those serving for less than nine years will receive the lower "seven year rate of pay." In deciding which scale a man is to receive account is taken of their previous service rendered. Pay also varies according to the qualifications held, the classification being denoted alphabetically in the following tables.

SECTION I

SERVICE RETIRED PAY FOR PERMANENT OFFICERS OF THE ROYAL NAVY AND ROYAL MARINES

1. *Scope of Regulations.* The provisions of this Section relate to officers holding permanent commissions in the Royal Navy or Royal Marines, including officers of the Shore Wireless Service and officers transferred to the Royal Navy from the Royal Naval Reserve or the former Royal Naval Volunteer Reserve, officers of the former Air Branch eligible for retired pay, and officers on the Supplementary List who have been granted permanent commissions, who retire from the active list on or after 1st February, 1960. They do not apply to officers holding temporary or short service commissions or officers on the Supplementary List who have not been granted permanent commissions. Nor do they apply to regular seamen granted temporary Special Duties or Branch or Warrant rank before 1st December, 1951, who are eligible for retired pay under previous codes and who, on retirement on or after 1st February, 1960, will be awarded pensions under the regulations for ratings unless the previous provisions for the award of retired pay are more favourable. The rates of retired pay are effective from 1st April, 1960, but all officers who are otherwise eligible and who are retired between 1st February, 1960, and 31st March, 1960, inclusive may receive the new rates of retired pay as from 1st April, 1960. An officer who was serving on 30th January, 1960, shall be eligible to receive, in place of the award admissible under the terms of this Section, the award for which he would have qualified under the 1956 Code.

2. *Retirement for age or non-employment or under the premature retirement scheme.* An officer retiring on or after attaining the age limit fixed for service in his rank and branch, or, it having been decided that further employment is not available for him, retired compulsorily before attaining that age limit, may be granted retired pay, provided that, unless the special provisions set out in paragraph 6 are relevant, he has completed at least 16 years' reckonable service as defined in paragraphs 22 to 26 below. In the event of eligibility for full pay continuing after formal retirement, the award will take effect from the day following that in respect of which full pay was last payable.

3. *Rank.* The rate of retired pay will be based on the officer's rank for retired pay purposes, as defined in paragraphs 17 to 21, and on the length of his reckonable service calculated in accordance with paragraph 26.

4. *Rates of retired pay.* Subject to the provisions of this Section, retired pay may be awarded at the following rates:—

5. *Interpolation.* When an officer's reckonable service exceeds a given number of years (up to and including 33 years) by one or more complete quarters of a year, his retired pay will be increased by that number of quarters of the difference between the rate for the number of years completed and the rate that would have been awarded had a further complete year been served.

6. Late entrants

(a) If an officer was appointed to a permanent commission before 1st April, 1960, at an age later than that of the normal entrant and, in consequence of his late entry, has not completed sixteen years' reckonable service at the time of compulsory retirement for age or non-employment, as provided in this Section, retired pay may nevertheless be granted at the discretion of the Admiralty provided he has completed at least 15 years' qualifying service.

(b) Retired pay will be awarded at the rate appropriate to 16 years' reckonable service with one deduction at the appropriate rate shown below for each year, and proportionately by quarters of a year, by which his reckonable service is less than 16 years:—

	<i>£ a year</i>
Lieutenant	20
Lieutenant-Commander	25
Commander	30

7. *Voluntary Retirement.* An Officer with at least 16 years' reckonable service who retires at his own request after reaching the age of 40 years and before reaching the age of 50 years may be granted retired pay at the rates set out in paragraphs 4 and 5 abated by 7½ per cent. At other ages the retired pay will be as indicated in paragraphs 4 and 5. Officers transferred from the Reserves or from temporary service or while holding Supplementary List or Short Service commissions will not be eligible for retired pay on voluntary retirement unless they have in addition rendered five years' service from the date of transfer to the permanent list.

8. *Invaliding*

(a) An Officer with at least 16 years' reckonable service will, on invaliding, be granted retired pay at the rates set out in paragraphs 4 and 5.

(b) An Officer who has not given 16 years' reckonable service but has completed ten years' qualifying service will also be awarded retired pay on invaliding. The rate of retired pay will be calculated by making deductions from the rate appropriate to 16 years' reckonable service for each year by which his reckonable service falls short of 16 years. The deductions will be as follows:—

Officers on the Special Duties List			
			£ a year
Sub-Lieutenants	..	..	22 10s.
Lieutenants	..	..	30
Lieutenant-Commanders	..	..	35
Other Officers			
			£ a year
Lieutenants	..	..	30
Lieutenant-Commanders	..	..	35
Commanders	..	..	40

Proportionate reductions will be made in respect of quarters of a year.

9. *Retirement for Incapacity, Unsuitability or Inefficiency*

(a) *Not within an officer's control.*—An officer who is retired for incapacity, unsuitability, or for inefficiency, not due to causes within his own control, and having at least 16 years' reckonable service, may be granted retired pay as for a compulsory retirement on account of non-employment.

(b) *Within an officer's control.*—An officer who is retired for incapacity, unsuitability or inefficiency due to causes within his own control, but not amounting to misconduct, and having at least 16 years' reckonable service, may be granted an award of retired pay at such rate as the Admiralty may determine, but not in any event exceeding the rate which would have been admissible had he retired voluntarily.

10. *Retirement, etc. for misconduct*

(a) An officer who is retired for misconduct with at least 16 years' reckonable service, may be granted retired pay at such rate as the Admiralty may determine, but not in any event exceeding 90 per cent of the rate of retired pay which would have been admissible had he retired at his own request.

(b) *Dismissal, etc.*—An officer with at least 16 years' reckonable service who is dismissed the Service or dismissed with disgrace by sentence of Court Martial or whose name has been removed from the List of Officers or who has been deprived of retired pay following the removal of his name from the List of Retired Officers or who has been allowed to resign his commission to avoid trial by Court Martial, may be granted a compassionate allowance at Admiralty discretion, but not in any event exceeding 90 per cent of the rate of retired pay which would have been admissible had he retired at his own request.

11. The Admiralty may, in the exercise of their discretion under sub-paragraph 9(b) and paragraph 10 grant a gratuity, or compassionate gratuity, in place of retired pay or compassionate allowance.

12. *Special rules relating to officers promoted from the lower deck.*—An officer promoted to a permanent commission while serving on a normal regular engagement and who serves continuously until retired may be granted either retired pay under the conditions set out in this Section or retired pay assessed under the current rules for the award of ratings' pensions.

SECTION II

TERMINAL GRANTS IN ADDITION TO SERVICE RETIRED PAY

13. Any officer retired from the active list on or after 1st February, 1960, and awarded retired pay under Section I may be awarded a terminal grant, in addition to his retired pay, under the following conditions:—

- (a) The standard rate of grant will be three times the annual amount of the retired pay awarded.
- (b) Except as provided in paragraph 38, an officer can qualify only once for a grant.
- (c) The grant will be free of income tax.

14. A terminal grant under paragraph 13 shall not be admissible in the case of an officer to whom sub-paragraph 10(b) applies, but a tax-free compassionate grant not exceeding three times the annual amount of the compassionate allowance may be awarded at the discretion of the Admiralty.

15. In the event of eligibility for full pay continuing after formal retirement, payment of terminal grant will not be made before the day following that in respect of which full pay was last payable.

SECTION III

SERVICE GRATUITIES FOR PERMANENT OFFICERS

16. Permanent officers other than those on the Special Duties List may, on retirement on or after 1st February, 1960, if ineligible for service retired pay, be granted a gratuity as follows:—

(a) On compulsory retirement for age or non-employment or on retirement at own request, with at least 10 years' qualifying service:—

For the first 10 years' qualifying service	..	..	..	..	£
For each further year's qualifying service, an addition of	..	..	..	..	230

Officers transferred to the Permanent List from the Reserves or from temporary service or while holding Supplementary List or Short Service or Extended Service Commissions, will not be eligible for gratuities on voluntary retirement unless they have rendered five years' service from the date of transfer to the permanent list.

(b) On invaliding with less than the ten years' service required to qualify for retired pay, a gratuity at the rate of £175 a year.

(c) If retired on account of incapacity, unsuitability or inefficiency not due to causes within his control:—

(i) If with 10 or more years' qualifying service, a gratuity as in sub-paragraph (a) above;

(ii) If with less than 10 but not less than two years' qualifying service, a gratuity at the discretion of the Admiralty, not exceeding £85 for the first two years' qualifying service with additions at the rate of £85 for each additional year of qualifying service.

(d) If retired for incapacity, unsuitability or inefficiency or other cause within his own control, but not amounting to misconduct, with at least 10 years' qualifying service, a gratuity of such amount as the Admiralty may determine, but not in any event exceeding the amount which would have been admissible under sub-paragraph (a) above had the officer retired at his own request.

(e) If retired for misconduct, or on termination of commission for any of the reasons set out in sub-paragraph 10(b), with at least 10 years' qualifying service, a gratuity, or a compassionate gratuity, if the Admiralty so decide and of such amount as they may determine, but not in any event exceeding 90 per cent of the award which would have been admissible had the officer retired at his own request.

SECTION IV RANK AND SERVICE

Rank for Retired Pay Purposes

17. Subject to the following paragraphs, the rank for retired pay purposes shall be the substantive rank held by the officer on his retirement, provided that, unless the officer is invalided, the rank had been held on the active list for the following minimum period:—

(i) Admiral; General, Royal Marines

1 year

(ii) All other officers

2 years

If the substantive rank has been held for less than the period specified, the rank for retired pay purposes shall be the highest substantive rank which (with periods spent in higher substantive rank) satisfies the condition.

18. Service as Acting Captain, Royal Navy, may be reckoned towards the requirement of six years' service as Captain irrespective of the date of substantive promotion.

Additions to Retired Pay for Service in Paid Acting Rank

19. Subject to the general conditions in paragraph 20 below, paid acting and temporary rank held by officers of the Royal Navy, Royal Marines and Women's Royal Naval Service and members of Queen Alexandra's Royal Naval Nursing Service may reckon for increase of retired pay as follows:—

(a) For each complete year (subject to a maximum of three) for which the paid acting or temporary rank was held, there may be added one-third of the difference between the retired pay for which the officer is eligible and the retired pay for which he would have been eligible had his rank for retired pay been one rank above his substantive rank.

(b) Where an officer has failed to complete two years in a substantive rank required to qualify him for the retired pay of the rank, such service may reckon for retired pay as if it had been acting or temporary rank.

20. General Conditions

(i) Service from 3rd September, 1939, will count.

(ii) In no case shall service in an acting or temporary rank earn a rate of retired pay higher than would have been earned if the acting or temporary rank had been substantive.

(iii) The "complete years" referred to in sub-paragraph 19(a) need not be continuous in time but may be made up of broken periods.

21. The Admiralty may fix a date after which periods in acting or temporary rank will no longer be reckonable for additions to retired pay.

22. Definitions of Service

The following periods may be included in assessing qualifying and reckonable service for the purpose of the foregoing paragraphs:—

(a) Subject to paragraph 25, full pay service (including mobilised or embodied service or for the purpose of training) as an officer, rating or other rank of the Royal Navy, the Royal Marines, the Army or the Royal Air Force or of the Auxiliary and Reserve Forces, and of the former Armed Forces of India or Burma, or of the Armed Forces of the Commonwealth or a Colony, provided that such service would be reckonable as qualifying service under Army or Royal Air Force regulations; except broken periods each of less than six months' duration.

(b) While a permanent regular officer, periods in appointments not remunerated from Navy Votes which the Admiralty consider can reasonably be regarded as part of an officer's career as such. They shall be appointments to which the officer brings his naval knowledge and from which he acquires additional experience and which have been officially offered to him as part of his naval service.

(c) Periods before 1st August, 1938, on unemployed pay, or on half-pay not following the sentence of a Court Martial or the expiration of full pay sick leave, will reckon as service in full up to a maximum of six months in any one period or two years in all. Any such service not reckoning in full under the above rule will reckon as a third, subject to a maximum of six years, such service reckoning as two years.

23. Loss of seniority or time forfeited by sentence of Court Martial or Disciplinary Court will not involve loss of service for retired pay or gratuity.

24. Service preceding a five-year interval in service shall not be included unless specially allowed by the Admiralty, and eligibility to reckon such previous service will normally be determined at the time of resumption of service. Where, during a break in service the officer has been a member of the Royal Naval Reserve, the Royal Naval Volunteer Reserve, or other reserve of any of the Forces, undertaking or liable for periodical training, the period of such membership will not be considered an interval in service for the purpose of deciding whether the previous service is admissible.

25. *Previous service for which a non-effective award has been received*

(a) In the case of previous service in respect of which the officer received a service gratuity, or in any case of previous service other than in the Royal Navy, the Royal Marines, the Army, or the Royal Air Force, it may be stipulated as a condition for allowing such service to reckon for retired pay, that the officer shall make a payment to Naval Funds, either in a lump sum or otherwise. In default of such payment as may have been stipulated, the previous service will not be allowed.

(b) If an officer has continued to draw concurrently with full pay the retired pay or other analogous award payable in respect of previous service, the further service will normally not confer eligibility for improved benefits on final termination of employment.

26. *Counting of service*

(a) *Reckonable Service.* All service as defined above from the age of 21 will count in full as reckonable service.

(b) *Qualifying Service.* All service as defined above from the age of 18 will count in full as qualifying service.

27. *Effect of National Retirement Pensions on Retired Pay*

Officers who (a) enter the Royal Navy on or after the 1st July, 1949 (except Dartmouth Cadets who, although not actually in the Service on the 1st July, 1949, nevertheless had at that date had an undertaking given on their behalf that they would make the Royal Navy their career) and (b) re-enter on or after the 1st July, 1949, after a break in service, except those who re-enter within 12 months of being invalidated or those who have already been granted service retired pay before re-entry, will have a deduction made from their service retired pay at the rate of 4d. a week for each year of service, subject to a maximum of 16s. a week; which will take effect from the date on which an Officer attains the age of 65 and becomes entitled to a National Retirement Pension. No adjustment of service retired pay will, however, be made in the case of Officers living outside the United Kingdom and not in receipt of National Retirement Pensions.

SECTION V

GRATUITIES TO OFFICERS ON THE SUPPLEMENTARY LIST AND SHORT SERVICE OFFICERS

28. *Pilots and Observers of fixed-wing aircraft*

(a) *Supplementary List*

(i) Officers entered on the Supplementary List and Short Service and National Service Officers transferred to commissions on the Supplementary List, will be eligible on the completion of 12 years' service for a gratuity of £4,000. Those who leave the Service on the completion of 8 years will receive a gratuity of £1,500. Extensions of service beyond 12 years will earn a further gratuity at the rate of £400 a year.

(ii) Commissioned Pilots and those promoted to Lieutenant (Short Service), transferred to the Supplementary List as Lieutenants, who complete either the balance of their current engagement plus a further 4 years' service, or 12 years' continuous Officer aircrew service, whichever is the longer, will, from the date of their transfer until their final 4 years of service, earn a gratuity at the rate of £175 a year with a further £2,500 for their final 4 years of service.

(b) Officers entered direct on an 8-year Short Service Commission before the 1st April, 1956, will be eligible for a gratuity at the rate of £140 a year for the first 18 months of service, and at the rate of £200 a year for service thereafter, subject to a maximum of £1,500.

(c) Direct entry Officers serving on a 4-year Short Service Commission will be eligible for a gratuity of £680, subject to a deduction of £5 for every month of additional training required on account of back-classing. Such Officers who complete 8 years' Short Service by extending their service for a further 4 years, will earn a further gratuity at the rate of £175 for each year of additional service.

(d) *Invaliding, etc.*

Supplementary List Officers (except those referred to in sub-paragraph (a), (i) and direct entry Officers serving on 8-year Short Service Commissions will, if invalidated, receive gratuities as follows:—

If invalidated before completing 8 years' service an Officer will receive a gratuity at the rate of £140 a year in respect of the first 18 months of service, and at the rate of £200 a year in respect of service beyond the first 18 months. If invalidated after completing more than 8 years' service he will receive a gratuity of £1,500 in respect of the first 8 years' service and at the rate of £625 a year in respect of service between 8 and 12 years (subject to the normal provision that any such gratuity is liable to be reduced or withheld if the disability is due to causes within the Officer's own control).

Other Short Service Officers will receive a gratuity proportionate to the length of their service on a Short Service Commission.

(e) Officers with previous non-flying service on Extended Service Commissions granted Short Service Commissions as Pilots or Observers, will receive a gratuity of £1,500 on the completion of 8 years' Short Service as aircrew. The amount of gratuity earned by previous Extended Service will be added to the gratuity due on completion of the period of Short Service and paid on the completion of the latter period of service.

(f) Officers with previous flying experience on Extended Service or Short Service Commissions or in the Air Branch of the R.N.V.R., re-entered on Short Service Commissions as Pilots or Observers will receive a gratuity at the rate of £175 for each year of Short Service, except that an Officer who volunteered and was accepted for 8 years' service on the Active List at the outset will receive a gratuity of £1,500 on completion of that period.

(g) Officers entered as Upper Yardmen and promoted to Officer and granted Short Service Commissions for Pilot or Observer duties will receive a gratuity of £1,500 on completion of 8 years' Short Service.

(h) National Service Officers transferred to Short Service Commissions as Pilot or Observer before 1st April, 1956, will receive on completion of 4 years' Short Service a gratuity calculated at the rate of £175 a year from date of transfer to Short Service Commission or of qualifying for flying badge (whichever is the later), the resultant amount being increased by one-third; but Officers whose flying training commenced after 1st May, 1954, may instead be awarded a gratuity of £680 on completion of 4 years' Short Service, subject to deduction at the rate of £5 for each month of excess training required on account of back-classing. National Service Officers who complete 8 years' Short Service by extending their service for a further 4 years, will earn further gratuity at the rate of £175 for each year of additional service.

(i) Lieutenants promoted from Commissioned Pilot, Short Service, will on transfer to a Short Service Commission as Lieutenant, receive a gratuity at the rate of £175 a year. The amount of the gratuity earned by service as Commissioned Pilot will be added to the gratuity due on the completion of Short Service as a Lieutenant, and paid on the completion of 12 years as a rating and Officer.

(j) Sub-Lieutenants (Special Duties) formerly Commissioned Pilots, Branch List, will receive a gratuity at the rate of £67 10s. for each year of aircrew service from the age of 18, time as a rating counting as single time and time as Branch Officer counting as double time. The first 2 years of aircrew service will, however, count as single time only.

(k) An Officer who, for any other cause, does not complete his full period of service on the Active List will not be entitled to any gratuity, but an award, either at the full rate or at a reduced rate to be decided by the Admiralty, may be sanctioned subject to a minimum period of service of 18 months and possession of the flying badge, in the undermentioned circumstances:—

- (i) for an Officer compulsorily transferred to the reserve, required to relinquish his commission, or resign;
- (ii) for an Officer transferred to the reserve at his own request.

(l) The gratuity is intended to assist Officers' resettlement in civil life and is therefore not payable to the estate of an Officer who dies or is killed while serving on the Active List.

29. Other Short Service Officers

Other officers holding Short Service Commissions in the Royal Navy under terms which provide for the payment of gratuity may, if the full period of Active List service is satisfactorily completed on or after 1st February, 1960, be granted gratuities at the following rates for each year of service:—

(a) Medical Officers		£230
(b) Dental Officers		£195
(c) Air Traffic Control Officers—£155 for service as Acting Sub-Lieutenant and above; £110 a year for service in lower ranks.		
(d) Other Officers, including Helicopter Pilots		£155

30. General

Should the Officer fail to complete the full period of Active List service which he has undertaken, an award may nevertheless be made as follows:—

(a) If his service is terminated on account of disability not due to causes within his own control, he will be granted a gratuity proportionate to the length of Active List service he has actually completed.

(b) If his service is terminated for non-employment, or for incapacity, unsuitability or inefficiency not due to causes within his own control, or if he is permitted voluntarily to terminate his service within six months of the completion of the full period of Active List service he has undertaken, he may be awarded either a gratuity proportionate to the length of Active List service he has actually completed or a reduced gratuity at such rate as the Admiralty may determine.

(c) In other circumstances, no gratuity will in any event be payable to a Pilot or Observer unless he has completed at least eighteen months' satisfactory service and is in possession of the flying badge, nor to an officer of any other Branch unless he has completed at least one year's satisfactory service. If he is thereafter permitted voluntarily to terminate his service more than six months before the conclusion of the period he had undertaken, he may be allowed, at Admiralty discretion, such gratuity as may be determined, but not in any event exceeding three-quarters of the amount proportionate to the length of his actual service on the Active List.

(d) If his service is terminated owing to disability due to causes within his own control or to inefficiency or other cause within his own control but not amounting to misconduct, he may be allowed, at Admiralty discretion, such gratuity as may be determined but not in any event exceeding the amount which would have been admissible had he been allowed to terminate his service voluntarily.

(e) If his service is terminated on account of misconduct, the special payment of a compassionate gratuity shall be within the discretion of the Admiralty according to the circumstances of his case, but the award will not in any event exceed 90 per cent of the gratuity which would have been admissible had he left voluntarily.

31. No part of a short service gratuity will be payable to the officer's estate or otherwise in the event of his death before completion of the period of Active List service he had undertaken.

32. If an officer serving on a short service commission continues on full pay beyond the period of Active List service which he had undertaken, payment of the gratuity will be deferred until the end of such further service. Similarly, in the event of an officer leaving the Royal Navy to undertake a commission in the Army or Royal Air Force, any gratuity due in respect of his naval service will be withheld until his further service terminates.

33. A short service commission officer who is granted a permanent commission will not be eligible for any gratuity in respect of his service on a short service commission, but his service on that commission may count towards an ultimate award of retired pay or gratuity as a permanent officer. If, after receipt of a gratuity in respect of short service, an officer is granted a permanent commission, his previous service will not be reckonable towards an ultimate award of retired pay or gratuity as a permanent officer, unless satisfactory arrangements are made for the refund of the short service gratuity.

34. Service on a short service commission in the medical, dental or education branches of the Royal Navy may, in certain circumstances, be treated as contributory service under the National Health Service (Superannuation) Regulations or under the Teachers' (Superannuation) Acts, as appropriate. Where service is so treated, both the employer's and the officer's contributions will be advanced by the Admiralty, and the total amount so advanced will be deducted from the gratuity for which the officer is eligible under the provisions of this Section. When contributions have been so advanced but, as a result of being transferred to the permanent list, the officer does not qualify for gratuity under this Section, no refund of contributions will be required from the officer, but service which counts for service retired pay or gratuity may not also count as reckonable service for purposes of pension under the appropriate civil superannuation scheme.

SECTION VI

RETIRED OFFICERS OF THE ROYAL NAVY AND ROYAL MARINES

Re-employment in Peace-time

35. Except as provided in Section VII, an officer who is on retired pay may, while re-employed in or for training or on any authorised naval duty for periods not exceeding six consecutive months or aggregating six months or less in any twelve months, continue to draw his retired pay concurrently with any pay to which he is entitled, but payment of retired pay may be suspended when there is doubt about the duration of the period of re-employment. No retired pay will be payable when the period of re-employment exceeds six months, and where the retired officer has commuted any part of the retired pay which would have been liable to suspension had he not commuted, a deduction equivalent to the amount commuted will be made from his pay.

36. An officer whose service retired pay has been suspended under paragraph 35 and who, having been placed on the retired list before 1st February, 1960, is re-employed on or after that date without an actual break in service, will be eligible on reversion to the retired list for awards of retired pay and terminal grant under the provisions in Sections I and II as appropriate for officers retiring on or after 1st February, 1960 assessed on the basis of former service added to re-employed service.

37. An officer whose service retired pay has been suspended under paragraph 35 and who, having had a break in service, is in re-employment on or after 1st February, 1960, may receive on reversion to the retired list an award of retired pay assessed on the basis of former service added to re-employed service as follows:—

- (a) Under the provisions in Section I as appropriate for officers retiring on or after 1st February, 1960, provided that the period of re-employment is not less than three years, or that the officer originally retired on or after that date; but
- (b) If the officer originally retired before 1st February, 1960, and the period of re-employment is less than three years, normally under the provisions of the 1956 Code, as appropriate for officers retiring on or after 1st January, 1956; except that, if the officer's previous rate of retired pay was awarded under an earlier code, assessment will instead be made in accordance with the provisions of that code.

If, during the period of re-employment, an officer has carried out duties clearly appropriate to a higher rank than the substantive rank which he last held on the active list and has received the pay and allowances appropriate to such higher rank, this service may be allowed to reckon for assessment of a revised rate of retired pay on a similar basis to that laid down for an Active List officer in paragraphs 19 and 20.

If the officer had originally retired at his own request, re-assessed retired pay under either (a) or (b) above will be on the basis of voluntary retirement, unless he is invalided from re-employment.

38. An officer whose retired pay has been suspended under paragraph 35 may receive, on reversion to the retired list on or after 1st February, 1960, terminal grant or additional terminal grant for each complete year of the period of re-employed service (with a maximum of ten years) at the rate of one-tenth of the difference between three times the annual amount of retired pay awarded on termination of re-employment and the terminal grant (if any) previously awarded.

39. An officer who originally retired at his own request with a gratuity only, may receive an additional gratuity of £155 for each completed year of re-employed service.

SECTION VII

RETIRED OFFICERS OF THE ROYAL NAVY AND ROYAL MARINES

Re-employment in Emergency

40. On recall for service at a time of imminent national danger or of great emergency, or when re-employed with the armed forces on general mobilisation, one-half of the retired pay of a retired officer will remain in issue concurrently with the pay and allowances appropriate to his rank on re-employment. Any portion of the retired pay that has been commuted will be recovered from the retired pay remaining in issue, or, when this is insufficient to meet the liability, from his pay to the extent of the deficiency.

41. For the purpose of applying the provisions of paragraph 40 to a retired officer compulsorily recalled at a time of national emergency when general mobilisation has not been announced, the operative period will be determined by the Admiralty in consultation with H.M. Treasury.

(b) Short service officers whose service is terminated on or after 1st February, 1960, for the reasons stated in the preceding sub-paragraph will be eligible for a gratuity at the rate of £131 15s. a year proportionate to the length of service actually completed.

PROCEDURE FOR PLACING OFFICERS ON HALF OR RETIRED PAY

1. The authority for the payment of Half-pay, or Retired Pay, to an Officer entitled thereto is given to the Paymaster-General, without preliminary application on the Officer's part. At the time this authority is issued, the Officer is informed of the award and is provided with a form of application for payment, which should be completed and forwarded to the Paymaster-General, Russell Square House, Russell Square, W.C.1. The appropriate payment forms will then be issued from time to time. Special arrangements are made by the Paymaster-General where Officers propose permanently to reside abroad.

2. All enquiries about the method of payment of retired pay or about income tax deductions should be addressed to the Paymaster-General and not to the Admiralty.

- (i) the post of Officer-in-Charge, Admiralty Storage Depot, Merebank, South Africa.

2. Service in any of the aforesaid appointments before retirement from the R.N. or R.M. will count for increase of retired pay under the ordinary regulations from time to time in force for Officers on the Active Lists of the R.N. and R.M., and increased retired pay under these regulations will accrue only in respect of service rendered in any of the appointments after retirement from the R.N. and R.M.

3. The retired pay of all retired Officers of the R.N. and R.M. serving in any of these appointments will be suspended during such service, and their service will count for increase of retired pay on the scales and subject to the conditions set forth hereunder, subject, however, to the provisos that:—

- (a) an Officer who has been retired from the Active List of the R.N. or R.M. with a special rate of retired pay higher than that permissible under the ordinary regulations in force at the date of retirement for an Officer of like age, rank and service, shall not on the final cessation of his service in any of the above-mentioned appointments receive retired pay in excess of the greater of the two following sums:—
 - (i) the retired pay for which he would have been eligible had he on retirement from the Active List of the R.N. or R.M. been awarded the rate of retired pay permissible under the ordinary regulations in force at the date of such retirement for an Officer of like age, rank and service and permitted to count the whole of his subsequent service for increase of retired pay under Rules 5 and 6 hereof, or
 - (ii) the actual rate of retired pay awarded to him on retirement from the Active List without any addition for subsequent service.
- (b) an Officer of the R.M., who at the date of his retirement from the R.M. had earned retired pay in excess of the maximum at that date permissible in the case of a Lieutenant-Commander, R.N., shall not count his further service for increase of retired pay.

4. All Officers in any of the appointments referred to in these regulations who have not previously been discharged to retired pay at their own request or for some other reason, may be retained on pensionable terms, at Admiralty discretion, up to age 65.

5. An Officer who is discharged to retired pay at his own request, or on completion of any period for which he may have been appointed or as unfit for further employment from any cause other than those specified in rule 6, may have the retired pay earned by his service before retirement from the R.N. or R.M. increased by one-sixtieth of the pay and allowances of the appointment held on discharge for each complete year of service after retirement in any of the appointments to which these regulations relate.

6. An Officer who is discharged to retired pay on account of age, or medical unfitness, or abolition of office, or reduction or reorganisation of establishment may have the retired pay earned by his service before retirement from the R.N. or R.M. increased:—

- (a) if with 10 or more years' service after retirement in any post to which these regulations relate, by one-sixtieth of the pay and allowances of the appointment held on discharge for each complete year of service after retirement;
- (b) if with less than 10 years' service after retirement in any post to which these regulations relate, by one-fiftieth of the pay and allowances of the appointment held on discharge for each complete year of service after retirement, provided that the total addition shall not exceed ten-sixtieths of such pay and allowances.

7. Officers on the Active List of the R.M. who are appointed to any of the posts to which these regulations relate, shall be seconded from the corps of the R.M. until they reach the rank of Lieutenant-Colonel, when they will become supernumerary. They will be subject to the same rules as regards qualifications for promotion and retirement for age in any rank as other Officers of the R.M.

8. The widows and children of deceased Officers who have served in any of the appointments to which these rules apply, shall be eligible at the discretion of the Admiralty for the award of pensions or other grants under the regulations from time to time in force for Officers of the Royal Navy and Royal Marines except that for the purpose of determining eligibility of any applicant for a pension or other grant, service on the Retired List in an appointment to which these rules apply shall be regarded as equivalent to service on the Active List. In assessing a widow's pension account may be taken of any higher rank attained by the Officer while on the Retired List if thereby the widow would receive a higher rate of pension than would otherwise be the case.

COMMUTATION OF RETIRED PAY OR OTHER PAYMENT OF THE LIKE NATURE UNDER THE PENSIONS COMMUTATION ACTS, 1871 to 1882

Officers are reminded that, under existing pensions increase schemes (details on pages 196 to 201), increases are not admissible on any part of retired pay that has been commuted, unless the commutation (i.e. the actual award of the capital sum) took place after the scheme came into operation.

The following pensions are commutable under the provisions of the Pensions Commutation Acts, 1871 to 1882, subject to such restrictions as may be imposed:—

Retired Pay or Pensions of all Officers.

The following are not commutable:—

Disability Retired Pay.
Good Service Pensions.
Naval and Greenwich Hospital Pensions.
Naval Compassionate Pensions.
An increase of retired pay awarded under the Pensions Increase Schemes 1944/47, 1952, 1954, 1956 and 1959.

2. By the second section of the Act of 1871, the term Officer means Commissioned Officer, Branch Officer, or Subordinate Officer of the Navy; Officers of the Royal Marines are included.

3. (a) Officers will not be allowed to commute any portion of their retired pay until they have attained the age of 40 unless:—

- (i) they are certified, to the satisfaction of the Admiralty, to be permanently incapable of further active service. They may be required to undergo a medical survey for this purpose; or
- (ii) they retired under the special scheme for premature retirement promulgated in A.F.O. 1955/57.

(b) (i) No Officer will be allowed to commute more than half his retired pay if £300 or over.

(ii) No Officer will be allowed to commute so much of his retired pay if between £180 and £300 as would reduce it below £150.

(iii) An Officer whose total retired pay is less than £180 may commute an amount not exceeding £30, provided that the total amount uncommuted is not thereby reduced below £120.

(c) A fee of one per cent will be charged on the amount awarded provided that such fee shall never be less than £1 ls. nor more than £10 in any case.

4. No Officer will be allowed to commute any portion of his retired pay who is holding or is about to hold any appointment under the Crown the terms of which involve the suspension of his retired pay.

5. An Officer desirous of commuting a part of his retired pay must make application on the prescribed application form which can be obtained from the Secretary of the Admiralty. An application shall be deemed to be made as on the date on which the prescribed form duly completed is received at the Admiralty during the hours of public business, but not before the date from which payment of retired pay actually commences.

6. An Officer who has been adjudicated bankrupt or has had a Receiving Order made against him or is indebted to public funds, must disclose the facts and circumstances at the time of his application.

7. If the Admiralty shall think proper to recommend the commutation, the Officer will be so informed, and his letter of application will be forwarded to the Pensions Commutation Board, 19, Old Jewry, London, E.C.2, from whom he will receive further instructions. The fact that an Officer's application has been recommended by the Admiralty

to the Commutation Board must not be taken to imply that the application will necessarily be approved by the Commutation Board and the Treasury.

8. The Commutation Board will require him to give such information as to his age, health and habits as is usual in the case of persons proposing to assure their lives in assurance companies, and he will be required to submit himself for personal examination by the Medical Officer to the Board in London. An Officer living in Scotland, Northern Ireland or the Republic of Ireland, may, if the Pensions Commutation Board see fit, be permitted to be examined by the Board's Medical Advisers in Edinburgh, Belfast or Dublin respectively.

9. An Officer resident abroad who desires to be exempted from personal attendance may apply to the Commutation Board accordingly, stating his reasons for making the request; and his application will be submitted to the Lords Commissioners of Her Majesty's Treasury, whose decision will be final. He may be allowed to commute as a privilege provided that suitable arrangements for medical examination, etc., can be made.

10. If at the expiration of 7 months from the date on which the application was made the applicant has failed to furnish information required by the Pensions Commutation Board or to attend for medical examination, the Board will inform the Admiralty, and the application will be deemed to have been withdrawn, and no further action will be taken with regard to it without a renewed application from the person proposing to commute, and a further recommendation from the Admiralty.

11. The Table for determining the Commutation Rate is as follows, subject to an addition of years of age in the cases of impaired lives:—

12. The applicant may withdraw his application at any time before he has been examined by the Medical Officer of the Commutation Board on payment of any expense (not exceeding £2) which may have been incurred by the Commutation Board.

13. If the Pensions Commutation Board are unable to recommend commutation and the Treasury concur, the applicant will be informed accordingly. If the application is granted, he will be informed of the amount of money to be paid in commutation as soon as it has been fixed by the Treasury on the recommendation of the Pensions Commutation Board. The approved sum will be immediately available for payment. The applicant will, however, have the option of withdrawing his application on the payment of a fee of £2 within 30 days after the date of despatch of the Notice of Award, but, in exceptional circumstances or where the distance is so great as to make it impossible for a reply by post to be received within 30 days, the time may be extended to such a period as the Treasury directs. If the applicant shall not withdraw his application and pay the above fee within that period, the decision will be considered final, and the commutation will take place absolutely. Officers must not assume that the recommendation of the Commutation Board will be necessarily approved by the Treasury and should make no arrangements depending on commutation until informed by letter from the Commutation Board of the amount awarded.

An applicant for commutation will continue to draw the retired pay which he has applied to commute until the date upon which the warrant for the Treasury Award is handed by the Pensions Commutation Board to the National Debt Commissioners, or until 7 months have elapsed from the date upon

which an application to commute was received at the Admiralty whichever is the earlier.

14. The Admiralty have full discretionary power to forward, or to refuse to forward, applications for commutation to the Commutation Board, especially in the case of persons reported for neglect or destruction of family; of persons under stoppage of Pension by Bankruptcy Orders; of persons likely to go abroad and leave their families a burden on the public; and such like cases.

15. If any applicant for commutation wilfully makes any false declaration in relation thereto he shall be liable to forfeit all claim to his retired pay or the value thereof, and to imprisonment, or fine or both.

16. Retired pay or pension commuted in whole or part is finally surrendered, in the same way that the amount received in commutation becomes the absolute property of the Officer commuting. This being so, if a pensions increase scheme takes effect after the actual award of the capital sum, it cannot be applied to that part of retired pay which has been converted.

If an Officer who has commuted a part of his retired pay is re-employed, the amount commuted will be deducted from his full pay during the period of his re-employment.

17. The widows of Officers who commute will be granted pensions according to the usual scale, provided:—

- (a) that they married before the date of commutation;
- (b) that their husbands' names were on the List of the Navy at the time of death;
- (c) that they are otherwise eligible for pensions.

18. The children of Officers who commute will be granted pensions according to the usual scale, provided:—

- (a) that they were born before date of commutation;
- (b) that their fathers' names were on the List of the Navy at the time of death;
- (c) that they are otherwise eligible for pensions.

19. The pensions to eligible widows of Officers who marry after commutation, and the pensions for eligible children born after commutation may be reduced in proportion to the decrease caused in the retired pay of the Officer by such commutation.

20. The claim of an Officer to be awarded a Naval Compassionate Pension or a Greenwich Hospital Pension will not be affected by his having commuted his pension, provided his name is on the List of the Navy.

21. During a time of war an Officer who is employed on active service or is eligible for such employment will not be permitted to commute.

32 PENSIONS AND GRATUITIES TO WIDOWS AND DEPENDANTS OF NAVAL AND ROYAL MARINE OFFICERS

PENSIONS AND GRATUITIES TO WIDOWS AND DEPENDANTS OF NAVAL AND ROYAL MARINE OFFICERS

1. The rates and conditions governing the award of:
(a) ordinary (i.e., non-attributable) pensions to widows and dependants of Naval and Royal Marine Officers whose service on the Active List terminated before 31st August, 1950, and
(b) attributable pensions and allowances to widows and dependants of Naval and Royal Marine officers whose deaths are, or were, attributable to service between 1st October, 1921 and 2nd September, 1939 (inclusive)
were last promulgated in the June, 1956 edition of the Appendix to the Navy List.

2. The rates and conditions governing the award of ordinary pensions to widows and children of Naval and Royal Marine officers whose service on the Active List terminated on or after 31st August, 1950 and who died before 4th November, 1958, were last promulgated in the June, 1959 edition of the Appendix to the Navy List. Those rates have been increased by five per cent under the Pensions Increase Scheme, 1956, and by ten per cent under the Pensions Increase Scheme, 1959. Details of these schemes are shown at the end of this Appendix.

3. The award of pensions and allowances to the widows and dependants of officers whose deaths are, or were, attributable to service after 2nd September, 1939 is governed by the regulations of the Ministry of Pensions and National Insurance, which appear at the end of this Appendix.

4. The following scheme of ordinary (i.e., non-attributable) pensions applies to the families of Naval and Royal Marine officers who die after 3rd November, 1958, provided that the husband was entitled to half pay or service retired pay, or if the husband dies while serving, would have been so entitled if he had been invalided on the day he died.

- For the widow—One-third of the husband's half pay or retired pay as defined in paragraph 5, or the rate provided for in paragraph 6, whichever is the more favourable.
- For each child under 18 years of age (unless motherless)—One-third of the widow's pension.
- For each motherless child—Two-thirds of the rate which the widow received or would have received.

5. For the purpose of paragraph 4 above, the rate of half pay or retired pay will be the rate (including Pensions Increase if any) which was in payment to the husband at the date of his death; or, if more favourable, the rate which would have been in payment at that date if he had not commuted any part of his half pay or retired pay and if he had already qualified for the Pensions Increase for which he would have been eligible had he reached the age of 60. When death occurs while serving, the rate will be the award which would have been made if the husband had been invalided on the date on which he died.

6. If the rates of pension calculated in accordance with paragraphs 4 and 5 above would be less than those set out below, the latter will be payable.

7. The minimum period of service required will be as for service retired pay, viz., normally 16 years, or 10 years if the officer is invalided or dies while serving.

8. The assessment of rank (including credit for paid acting and temporary rank) will also be as for service retired pay.

9. If the death of the husband is due to service and the family is therefore awarded an "attributable" pension, an "ordinary" family pension will not be payable. Instead a "modified" family pension at one-half of the "ordinary" rate as given in paragraphs 4 or 6 will be awarded in addition to the "attributable" pension. The minimum award which will be payable to the widow of a Sub-Lieutenant (S.D.) and Second Lieutenant (S.D.) will be £52 1s. 0d. A child's "modified" pension will be one-third of the widow's "modified" pension. For motherless children the rate will be two-thirds of the "modified" pension which the widow received or would have received.

General Conditions for Award, etc.

10. The marriage must have taken place before retirement (or, where there is subsequent re-employment entitling the member to a revision of his service retired pay, before the termination of the re-employment).

11. There will be no condition relating to income, or to the relative ages of husband and wife, or to the husband's age on marriage. If the wife was separated from her husband and not fully supported by him, and in certain other circumstances, awards will be discretionary, as hitherto.

12. A widow's pension will cease on her remarriage, but, if she again becomes a widow, the award may be resumed at discretion.

13. Children's pensions will be given where the widow is (or would, if living, have been) eligible for pension. In addition to children of the Officer, adopted children and step-children will, subject to certain conditions, be eligible. Pensions will be payable normally

up to age 18 in respect of the children of Officers, but may be paid beyond those ages in certain circumstances (e.g. during further education).

Gratuities to Widows, etc.

14. This is a benefit for the widows of regular Officers who die while serving on or after 31st August, 1950 (including those serving on the Supplementary List, or on short service or extended service commissions).

15. The amount of gratuity will be as follows:—

- (i) where a Terminal Grant or additional Terminal Grant would have been payable on invaliding, 90 per cent of the award to which the Officer would have been entitled at the time of his death, subject to a minimum gratuity of £200.
- (ii) where no Terminal Grant would have been payable, the following scale to apply:—

	£	
Less than 4 years' service		200

After 4 years' service	£	260
" 5 " "		320
" 6 " "		380
" 7 " "		450
" 8 " "		520
" 9 " "		590

Thence, for widows of Supplementary List and Short Service Officers, by £70 additions for each further year of service.

16. Normally the gratuity will be payable in full to the widow. It may, however, be withheld or reduced where the widow was separated from and not dependent on her husband. Where there are children not dependent on the widow, part of the gratuity may be withheld from her and paid for the benefit of the children.

17. Where there are children but no widow, the gratuity may be paid in part or in whole, for the benefit of the children.

18. Children dependent on women members of the Forces who die while serving will similarly be eligible for gratuities in certain circumstances.

NAVAL COMPASSIONATE, GREENWICH HOSPITAL AND TRAVERS PENSIONS

OFFICERS

1. Officers wishing to be considered for these pensions should apply to:—The Director of Greenwich Hospital, Admiralty, 13 Devonshire Square, London, E.C.2, who will furnish application forms.

2. Naval Compassionate, Greenwich Hospital, and Travers pensions may be awarded, at Admiralty discretion, to retired permanent regular Officers of the Royal Navy or Royal Marines.

The number and amounts of such pensions will be regulated by the funds available for the purpose.

3. In considering applications, regard will be had to the following factors:—

- (a) good service
- (b) need
- (c) misfortune, or other special circumstances (e.g., infirmity due to age).

4. The amount of a naval compassionate pension will depend on the circumstances of the case and the funds available, but will not normally exceed £100 per annum. In very exceptional circumstances, how-

ever, a larger pension may be awarded, but in no case exceeding £200 per annum.

5. Greenwich Hospital pensions will be awarded under the same general conditions as above; they will not exceed £100 per annum.

6. Travers pensions will also be awarded under the same general conditions to retired permanent regular Officers of the Executive Branch whose last rank on the Active List was Lieutenant or Lieutenant-Commander, or such other Executive Officers retired from these ranks as the Admiralty may decide. A Travers pension will not exceed £100 per annum.

7. Only in special circumstances may an Officer receive a naval compassionate pension and a Greenwich Hospital (or Travers) pension concurrently.

An Officer may not receive a Greenwich Hospital and a Travers pension concurrently.

8. All these pensions will be subject to review from time to time. A pension may be withdrawn at any time should the conditions under which it was granted cease to apply.

PENSIONS AND GRATUITIES TO ROYAL NAVAL RATINGS, WOMEN'S ROYAL NAVAL SERVICE RATINGS, AND ROYAL MARINES (OTHER RANKS)

I.—General Regulations

1. The following Regulations are supplementary and subordinate to the Regulations for the award of Pensions or Gratuities in respect of Service or Disability published in Admiralty Orders in Council.

2. Any pensioner convicted of felony, for which he is sentenced to preventive detention or corrective training, or any term of imprisonment exceeding 12 months, or of an attempt to commit a fraud in obtaining payment of the pension, shall be struck off the pension list. *Note.*—The personating or falsely assuming the name or character of a Naval pensioner in order to obtain his pension money is made felony by Act of Parliament.

3. All pensions are tenable only during good behaviour, and may be suspended or forfeited by reason of misconduct on the part of the pensioner, to be judged of by the Admiralty, but the Admiralty at their discretion, may restore, either wholly or partially, any pension which has been suspended or forfeited.

4. A pension so restored may be paid to, or applied for the benefit of the pensioner's wife, children, or other dependants, for the period of his imprisonment.

5. Any assignment, sale, or contract relating to a Naval or Greenwich Hospital pension is void.

6. When a pensioner who has commuted part of his pension re-enters the Royal Navy or Royal Marines and ceases to draw pension (thus counting the further time for increase of pension), he shall be required to refund the value of the commuted pension for the period of his re-employment. He shall be given the option of refunding the money by deduction from Naval pay whilst serving.

7. Pensioners in the categories enumerated below will be paid quarterly in advance, but if they so desire payment may be made weekly in advance on the strict understanding that their choice of payment weekly, once made, is irrevocable:—

(a) Men and boys pensioned from a date commencing before the 1st January, 1936.

(b) Continuous service ratings whose re-engagement to complete time for pension dated from not later than 30th September, 1935*; non-continuous service ratings serving on that date under an engagement which will enable them to complete 22 years' pensionable service; and all ranks of the Royal Marines who, not later than 30th September, 1935, re-engaged for a second period or completed 10 years' pensionable time by that date and declared in writing, not later than 30th September, 1935, their intention of re-engaging as soon as such re-engagement is open to them (provided, in each instance, that no break in service occurs on or after the 1st August, 1935).

8. The widows or legal representatives of pensioners to whom the provisions of paragraph 7 apply, may be allowed to receive their pensions up to the end of the quarter in which the pensioners died, provided such pensions shall not already have been paid, and provided there be no stoppage against the pension on account of maintenance in a hospital, or other reason. If any such pensioner shall have received his pension up to the end of the quarter in which he died, and his death takes place within 2

* This is to be deemed to include candidates for mechanician who have re-engaged for a second period of 12 years, and Yard Craft ratings with 10 years' pensionable service on 30th September, 1935.

days from the end of the quarter, a month's pension may be paid to the widow on special authority from the Admiralty.

9. All pensioners, other than those in the categories enumerated in paragraph 7, will receive payment of pension weekly in advance. The pension of men and boys finally entered, or re-entered, after a break in service, on or after 1st August, 1935, will cease at the end of the pension week on which death occurs but for all others the benefits mentioned in paragraph 8 may be allowed.

10. The arrangements for weekly payment in advance apply to pensioners resident in the United Kingdom, the Channel Islands and Eire. Pensioners resident abroad who do not wish, or are ineligible to receive payment of their pensions quarterly in advance, will, generally, be paid monthly in arrear.

11. Any pensioner guilty of violence or outrage towards any person employed in paying the pensioner, shall be punished by the loss of either of a part or of the whole of his pension, in addition to any other punishment which the law may inflict for such offence.

12. A pensioner who neglects to draw his pension for four successive quarters, will be struck off the pension list and not replaced unless he account satisfactorily for such omission, and the Admiralty, at their discretion, will grant or withhold the arrears, or any portion thereof, but in no case will arrears be paid for a longer period than 2 years, unless the man shall have been serving in the Navy in a rating which entitled him to receive his pension while so employed.

13. No restriction is placed on Naval pensioners proceeding abroad but, except with the special permission of the Admiralty, they may not draw their pensions if they acquire foreign nationality or serve under a foreign flag.

14. In special circumstances, and with the consent of the pensioner, the Admiralty may order a man's pension, or any portion of it, to be paid to or on behalf of his wife, or, if he have no wife, to or for the benefit of his child or children.

15. An advance of naval pension, not exceeding six months, may be made to a pensioner for the purpose of assisting him to emigrate to any of Her Majesty's possessions abroad. This advance is payable only when authorised by the Admiralty.

II.—Pensions and Gratuities for Long Service

1959 CODE

1. The provisions of the 1959 Pension Code apply to R.N. ratings, R.M. other ranks, W.R.N.S. ratings and members of the N.N.A.S. who were discharged to pension after 4th November, 1958 (cease pay date).

PENSIONS

2. The minimum periods required to qualify for pensions are as follows:—

(a) *For Long Service Pension*—22 years' reckonable service from age 18.

(b) *For Service Pension or Invaliding*—12 years' reckonable service from age 18; to be eligible those invalided must, in addition to having rendered the minimum period of service, have also re-engaged to complete time for pension.

2A. Those whose services are terminated for misconduct or for inefficiency within their own control and who have completed not less than 22 years'

PENSIONS AND GRATUITIES TO ROYAL NAVAL RATINGS, WOMEN'S ROYAL NAVAL SERVICE RATINGS AND ROYAL MARINES (OTHER RANKS)

reckonable service may be granted such portions of the service pension and terminal grant assessed under paragraphs 3 to 10 as the Admiralty may determine, but when the services are terminated for misconduct the amount will not in any event exceed 90 per cent of the award which would have been admissible had the discharge been on other grounds.

3. Except as provided in paragraphs 4 and 5 the rates of pension will be based on the length of reckonable service and on the highest paid rank held for an aggregated period of two years or more during the five years preceding termination of full pay service.

4. In the case of those invalidated, pension may be based on the length of reckonable service and on the substantive rank held at the time of discharge, if this is more favourable than the rule in paragraph 3.

5. Where a rating or R.M. other rank has been disgraced for misconduct or reverted for inefficiency or unsuitability during the five years preceding termination of full pay service and does not regain the rank, the rank on which pension is based on final discharge will be determined by the Admiralty having regard to the circumstances of the case.

6. Subject to paragraph 9, the rates of pension will be calculated as follows:—

		Weekly	
		For each of the first 22 years of reckonable service	For each additional year of reckonable service
<i>Men</i>			
Able Rating	{ or equivalent Royal Marine Rank	s. d. 2 0	s. d. 4 0

<i>Women</i>			
Wren	{ or equivalent Naval Nursing Auxiliary Section Rank	1 8	3 4
Leading Wren		2 2	4 4
Petty Officer		2 9	5 6
Chief Wren		3 1	6 2

7. *Addition for Aircrew Service.* For each year of reckonable service whilst employed on aircrew duties an addition may be made to the pension as calculated in paragraphs 3-6 as follows, subject to paragraph 9:—

	Weekly s. d.
Pilots and Navigators	1 1
Other Aircrew Categories	1 11

A Naval Rating Pilot if discharged unsuitable for aircrew duties after a minimum of 18 years' reckonable service will be eligible for a proportionate service pension on the normal scale plus the appropriate addition in respect of aircrew service.

8. *Addition for Commissioned Service.* Where a rating or R.M. other rank has had previous commissioned service an addition may be made to the pension as calculated in paragraphs 3-6 at the rate of 2s. 6d. for each year of commissioned service, subject to a maximum of six years such service and to the provisions of paragraph 9.

9. *Maximum Rates of Pension.* Rates of pension as provided for in paragraphs 3-6 will be subject to maxima of £11 11s. 0d. a week for men and £9 16s. 0d. a week for women. If additions are granted under paragraphs 7 and 8 the maxima will

be £12 a week for men and £10 14s. 0d. a week for women.

TERMINAL GRANTS

10. Those eligible for a service pension will be awarded a terminal grant, in addition to the pension, at a rate equal to three times the annual value of the pension, a year for this purpose being reckoned as 52 weeks.

11. National Retirement Pensions

Men and women who (a) enter the Royal Navy on or after the 1st July, 1949, or (b) re-enter on or after the 1st July, 1949, after a break in service, except those who re-enter within 12 months of being invalidated or those who have already been granted pension before re-entry, will have a deduction made from their pension at the rate of 4d. a week for each year of service; subject to a maximum of 16s. a week, on becoming eligible for a National Retirement Pension on attaining the age of 65, in the case of men, or on attaining the age of 60, in the case of women. No adjustment of pension will, however, be made in the case of pensioners living outside the United Kingdom and not actually receiving National Retirement Pensions.

Where men and women have been paying graduated contributions under the National Insurance Act, 1959, and are subsequently contracted out of the Scheme and cease to make such payments on undertaking to re-engage to complete time for pension, any graduated pension already earned will be payable at the due time. Service pension, however, will be abated from age 65 (60 for women) by the amount of any graduated pension earned by the contributions paid whilst in the Service as well as by part of the National Retirement Pension as provided above. Where, however, the graduated pension amounts to 2s. a week or less it will be ignored for this purpose.

12. *Commutation.* When a pensioner can show to the satisfaction of the Admiralty that it would be to his distinct and permanent advantage to be granted a commuted sum in lieu of a portion of his pension, the Admiralty may at discretion and on such terms and conditions as they may prescribe commute a portion of such pension for a sum of money in lieu thereof, provided that:—

- the pensioner shall pass a satisfactory medical examination showing him to be in a good state of health;
- the pensioner's daily rate of pension shall not be reduced to less than 3s. a day if a Regimental Sergeant-Major, Royal Marines, or 2s. a day in any other case; or below an amount at least equal to the maximum graduated pension which could be earned under the National Insurance Act, 1959, during the period of the man's reckonable service after the inception of the Scheme, whichever is the greater;
- the commuted sum shall be calculated at a rate not exceeding that shown for this purpose in the tables below.

Service given before the age of 18 years may be included as if it were reckonable service, subject, where such service is allowed to count to a maximum gratuity entitlement of £130 for men and £110 10s. for women.

15. Special Provision for Naval Aircrew Categories

R.N. ratings who render or have rendered aircrew service, who are discharged without entitlement to service pension, provided they have completed not less than 12 years' reckonable service from age 18 or date of entry, if later, will be eligible for special gratuities at the following rates:—

Pilots	} At the rate of £62 a year of each year of aircrew service
Aircrewmen I	
" II	
" I (U)	} At the rate of £50 a year of each year of aircrew service
" II (U)	
Telegraphists (Aircrew)	
Naval Airman (Aircrew)	
Seaman U.C. (Aircrew)	

PENSIONS AND GRATUITIES TO ROYAL NAVAL RATINGS, WOMEN'S ROYAL NAVAL SERVICE RATINGS AND ROYAL MARINES (OTHER RANKS)

16. These special gratuities are in lieu of, not in addition to, the ordinary rates of gratuity in paragraphs 13 and 14 and are also subject to the general conditions given in paragraphs 18 to 21 for the payment of such gratuities. Ratings who have rendered both aircrew and other service will be awarded either a gratuity calculated at the special rates based on the limited period during which they have rendered aircrew service or a gratuity at the ordinary rates based on the whole of their reckonable service, whichever is the more to their advantage.

17. Should a rating be invalidated while on aircrew service the minimum requirement of 3 years' service under paragraph 12 will not apply and the special gratuity appropriate to the length of aircrew service rendered will be awarded.

18. *Reckonable Service*

In calculating reckonable service for the purpose of service gratuities all satisfactory periods of service may be aggregated, subject to the provisions of the "5 year break" rule.

Where the total reckonable service is not in complete years the residual period of less than a year will be reckonable in calculating the amount of the gratuity. The award for the residual part of a year will be calculated, according to the number of days, as a proportion of the increase for the next complete year at the appropriate point on the scale.

19. *Voluntary Discharge*

Men discharged voluntarily will be eligible for gratuities under the same conditions as for men discharged on completion of engagement.

20. *Other Discharges*

Men discharged S.N.L.R. or for unsuitability, inefficiency or misconduct are not entitled to any gratuity, but, at the discretion of the Admiralty, gratuities not in any case exceeding the rate which would have been payable on voluntary discharge, may be paid in special cases. If a naval rating or a Royal Marine dies whilst serving no gratuity will be payable.

21. *Reserved Rights*

Men at present serving on an engagement, which carries entitlement to a service gratuity after 10 years' reckonable service, will continue to be eligible for the appropriate gratuities under earlier Pension Codes if they leave with more than 10 but less than 12 years' service.

Women who were serving on extended service engagements and who undertook a new engagement of a further period of 4 years in the permanent service will be entitled to the non-effective benefits that would have been payable under the Extended Service Engagement, or those referred to in paragraph 13 above whichever is the more favourable to them. Any gratuity payable under paragraph 13 will be increased by £25.

III.—Disability Pensions and Gratuities

The award of disability pensions and gratuities in respect of disabilities directly attributable to service after the 2nd September, 1939, is governed by the Regulations of the Ministry of Pensions and National Insurance which are given at the end of this Appendix. The following Regulations apply to Seamen and Royal Marines suffering from disabilities which are directly attributable to the conditions of service between 1st October, 1929 and 2nd September, 1939.

2. *Family Allowances.* Where a rating is awarded a disablement pension under paragraph 1 allowances in respect of his wife and children may be awarded at such proportion of the following rate as corresponds to the degree of disablement on which the pension is based, subject to the special conditions shown below.

	Weekly rate for 100 per cent disablement	
	s.	d.
For a wife	10	0
For each child	7	6

or, where no allowance is in payment for a wife:—

For the first child	10	0
For each other child	7	6

or, where no allowance is in payment for a wife:—

For the first child	10 0
For each other child	7 6

The special conditions governing the grant of these family allowances shall be as follows:—

- (a) *For a wife*—if she is living apart from her husband, family element shall not be allowable in respect of her, unless:—
 - (i) she was being regularly maintained in whole or in part by her husband up to the date of any award or renewal of his disablement pension, and/or
 - (ii) she is entitled to support under a separation or maintenance order, or
 - (iii) the separation was caused by the husband's mental instability due to the disability in respect of which he is granted his disablement pension.
- (b) "Child" in relation to a member of the Naval Forces means:—
 - (i) a legitimate child of the member;
 - (ii) a legitimated child of the member;
 - (iii) an illegitimate child of the member, who did not become legitimated upon the marriage of the member to the child's mother;
 - (iv) an illegitimate child of the member to whom sub-clauses (iii) and (vii) do not apply, who was born before, or within nine months after, the date on which the member sustained the wound or injury, or the date on which he was removed from duty on account of the disease for which his disablement pension is granted, and who has been regularly maintained in whole or in part by the member up to the date of any award or renewal of his disablement pension, or is the subject of an affiliation order against the member;
 - (v) a step-child of the member who is being regularly maintained in whole or in part by him;

- (vi) a legally adopted child of the member;
- (vii) a foster child, that is to say a child who:—

- (a) was being brought up and wholly or mainly maintained by the member on the date on which he sustained the wound or injury, or was removed from duty on account of the disease for which his disablement pension was granted; and
- (b) had been brought up and wholly or mainly maintained by the member for not less than six months (or such lesser period as the Admiralty may determine in the exceptional circumstances of the case) during his service; and
- (c) has been so maintained by the member up to the date of any award or renewal of his disablement pension.

(c) The expressions "removed from duty" or "removal from duty" shall be interpreted with reference to the date of the first removal from duty on account of the disability upon which the claim in respect of disablement is based, provided that if, as the result of service subsequent to the date of receipt of the wound or injury or of removal from duty, not being service after 2nd September, 1939, the member suffered material aggravation of his disability, the date of removal from duty shall be that of the later removal on account of the disability; or, if there was no such removal, the date of termination of full pay service of the member.

(d) Family addition to disablement pension for a child shall normally terminate when the child attains the age of 16 years, but, subject to the production of satisfactory evidence, the allowance may be made or continued in respect of a child who has attained the child's age limit when that child:—

- (i) is a student, receiving full time instruction at a university, college, secondary school, technical school, or any other establishment, which, in the opinion of the Admiralty, is a comparable educational establishment; or
- (ii) is an apprentice receiving not more than nominal wages; or
- (iii) is incapable of self-support by reason of an infirmity which arose before the child attained the child's age limit.

(e) Family additions to disablement pension in respect of an individual may be withheld if in the opinion of the Admiralty the circumstances are not such as to justify a grant.

(f) Where an individual in respect of whom family addition to disablement pension is admissible is not residing with the member, the addition may, at the discretion of the Admiralty, be granted independently, for the benefit of that individual, to some person other than the member.

3. Special Allowances for Unemployable Pensioners

(a) Where a pensioner is in receipt of a pension under paragraph 1 in respect of disablement so serious as to make him unemployable he may be granted:—

- (i) an allowance by way of supplement to his pension at the weekly rate of 63s.
- (ii) an increase, where necessary, in the rate of family allowance awarded under paragraph 2 to the rate which would be appropriate under that paragraph if the degree of disablement were 100 per cent.

(iii) family allowances in respect of any children for whom such allowances are not in issue at the rates which would be appropriate under paragraph 2, if the children were eligible for allowances under that paragraph and the degree of disablement of the unemployable pensioner were 100 per cent.

(iv) the rate of wife's allowance may be increased up to a maximum of 35s. a week where the wife is wholly or mainly dependent on her husband.

(v) where no allowance is payable for a wife, an allowance not exceeding 35s. a week may be paid for a dependent adult relative living with the pensioner, or a woman dependent on the pensioner and having the care of a child or children of the pensioner for whom an allowance is being paid.

(vi) an allowance in respect of any dependent child irrespective of date of birth, of the amount and subject to such conditions as would be appropriate under paragraph 6, if the child were a child to whom the paragraph applied.

(vii) Where an allowance has been awarded under paragraph 2 or under sub-paragraph (ii) of this paragraph in respect of a child or children the rate in respect of that child or the elder or eldest of those children may be increased to 17s. 6d. a week and in respect of each other of those children to 9s. 6d. a week.

(b) In determining whether a pensioner is unemployable, any earnings of the pensioner of £104 a year or less shall be disregarded.

4. *Constant Attendance Allowances.*—Where a pension under paragraph 1 is in issue in respect of disablement the degree of which is assessed at not less than 80 per cent, and it is shown to the satisfaction of the Admiralty that constant attendance on the pensioner is necessary on account of the disablement an allowance may be granted at a rate not exceeding 40s. a week, except that in exceptional cases of very severe disablement the allowance may be increased to a maximum of 80s. a week.

4A. *Severe Disablement Occupational Allowance.*—Where a member is in receipt of an allowance for constant attendance increased under the proviso to paragraph 4 or would be in receipt of such an allowance if he were not in a hospital or other institution he may for any period during which he is, in the opinion of the Admiralty, ordinarily employed in a gainful occupation be awarded an allowance at the rate of 20s. a week. Provided that no allowance shall be payable under this paragraph to a member for any period in respect of which he is receiving an award under paragraph 3 or a treatment allowance increase under paragraph 7(c).

5. *Allowances for Comforts.*—Where a pensioner is receiving a pension under paragraph 1 the degree of which is assessed at 100 per cent, he may be awarded an allowance for comforts:—

(a) at the rate of 20s. a week where he is receiving an allowance under paragraph 4 and is

- (i) receiving an allowance under paragraph 3; or
- (ii) receiving pension in respect of disablement the degree of which is 100 per cent and which has been awarded in respect of multiple injuries, which, in the opinion of the Admiralty, under his disablement so severe as to justify the award of an allowance at the afore-mentioned rate;

PENSIONS AND GRATUITIES TO ROYAL NAVAL RATINGS, WOMEN'S ROYAL NAVAL SERVICE RATINGS AND ROYAL MARINES (OTHER RANKS)

- (b) at the rate of 10s. a week if he does not qualify for an award under sub-paragraph (a) but is receiving an allowance under paragraph 3 or under paragraph 4.

For the purpose of this paragraph a pensioner who would be receiving an allowance under paragraph 4 if he were not in a hospital or other institution shall be deemed to be receiving an allowance under that paragraph.

6. Education Allowances.—

- (a) In addition to a pension under paragraph 1, an allowance may, at the discretion of the Admiralty, be granted in respect of a child eligible for an allowance under paragraph 2 for the purpose of the child's education if:—

- (i) the child has attained the age of 5 years; and
- (ii) the circumstances of the family are such as to require it; and
- (iii) the Admiralty is satisfied that the type of education which the child is receiving or is to receive is suitable for the child.

- (b) The amount of an education allowance shall be determined by the Admiralty, but the total payments made in respect of any period of 12 months will not exceed £120.

7. Treatment Allowances.—

- (a) A pensioner in receipt of a pension under paragraph 1 may, in lieu of his existing award, be granted in respect of any period during which he receives approved treatment, a treatment allowance consisting of a personal allowance in respect of himself, and an additional allowance in respect of his wife and children.

- (b) Subject to the following provisions of this paragraph:—

- (i) a personal allowance will be at the rate of pension, including service and rank elements, which would be appropriate under these regulations if the degree of disablement were 100 per cent.
- (ii) an additional allowance in respect of a wife and/or children will be at the rates and subject to the conditions which would be appropriate if the wife and/or children were eligible for family additions under paragraph 2 and if the degree of disablement were 100 per cent.

- (c) The allowance in respect of a wife under (b) (ii) above may be increased to the rate of 35s. a week where she is wholly or mainly dependent on her husband.

- (d) Where an increased allowance has been granted under (f) of this paragraph, the rate of allowance awarded under (b) (ii) of this paragraph in respect of the child or children of that member may be increased in respect of that child or the elder or eldest of those children to 17s. 6d. a week and in respect of each other of those children to 9s. 6d. a week.

- (ii) a woman dependent on the pensioner and having the care in the pensioner's home of a child or children of the pensioner for whom an allowance is being paid.

- (f) The allowance under (b) (i) above may be increased by whichever of the following amounts is appropriate, namely:—

- (i) if the pensioner is not eligible for a sickness benefit (or retirement pension or contributory old age pension) under the National Insurance Act 1946: 57s. 6d. a week;
- (ii) if he is eligible for such benefit at a lower rate than 57s. 6d. a week the amount of the difference between that lower rate and 57s. 6d. a week.

- (b) a pensioner who is receiving approved institutional treatment and is *not* entitled to an allowance under (b) (ii); (c); and (d) (i) and (ii) above.

The allowance will be subject to such deductions as the Admiralty may think appropriate having regard to all the circumstances of the case.

For the purpose of this paragraph approved treatment means in-patient treatment authorised or approved by the Admiralty.

8. Allowances where prolonged abstention from work is necessary following Approved Institutional Treatment.—

Where it is notified that a pensioner should on completion of a course of approved institutional treatment abstain from work for a prolonged period in consequence of the condition which necessitated that treatment, he may be treated as if he were eligible throughout that period for a treatment allowance under paragraph 7.

This paragraph shall not apply to a pensioner who is in receipt of an Unemployable Allowance under paragraph 3 above.

9. Clothing Allowance.—

- (a) A disablement pensioner who is in receipt of a pension for the loss of a limb and who wears an artificial one, may be granted a clothing allowance of £7 10s. a year in single amputation cases and £12 10s. a year in cases where more than one artificial limb, or a tilting table limb is worn.
- (b) In any other case in which the Admiralty is satisfied that as a result of the pensioner's disablement there is exceptional wear and tear of the pensioner's clothing, an allowance not exceeding £12 10s. a year may be granted.

10. Loss of Wages whilst attending Surveys.—

Compensation may be paid within certain limits for loss of wages, etc., incurred by a pensioner who is called upon to attend a medical examination in connection with his pension.

11. Allowance for lowered standard of occupation.—

- (a) Where a Naval rating or Royal Marine in receipt of a pension under paragraph 1, in respect of disablement of less than 100 per cent has been, by reason of his disability, compelled after 1st July, 1945, to adopt an occupation not equivalent to that regularly followed by him for a reasonable period before that date, he may be granted a special allowance at a rate not exceeding 34s. a week, provided the pension together with the allowance does not exceed the rate of pension which would have been appropriate, if the degree of disablement were 100 per cent.

PENSIONS AND GRATUITIES TO ROYAL NAVAL RATINGS, WOMEN'S ROYAL NAVAL SERVICE RATINGS AND ROYAL MARINES (OTHER RANKS)

41

- (b) No award shall be made under this paragraph where the pensioner is in receipt of a special allowance under paragraph 3.

11A. *Age Allowances.*—Where a pensioner receiving a pension under paragraph 1, the degree of which is assessed at 40 per cent or more, has attained the age of 65 years he may be awarded an allowance in accordance with the following table:—

Degree of Pensionable Disablement	Rate of Allowance (Weekly)
	s. d.
40 or 50 per cent	5 0
60 " 70 " "	7 6
80 " 90 " "	10 0
100 per cent	15 0

12. *Gratuities.*

If the degree of disablement be assessed at less than 20 per cent a gratuity appropriate to the degree of disablement but not exceeding a maximum of £100 may be awarded at Admiralty discretion.

13. *Additional awards in respect of service.*—

Particulars in regard to the award of service pensions and gratuities applicable in cases of invalidations under this section are given on pages 73 to 77 of the June, 1956 edition of the Appendix to the Navy List.

14. *Pensioners injured during further service.*—

When a pensioner employed in Her Majesty's Naval Service shall become unfit for further service through wounds or injuries received in the actual performance of duty, or sickness attributable to the conditions of service, he may be awarded in respect of his disablement such compensation under these regulations as the Admiralty shall think fit in the circumstances of the case.

15. *Compensation in respect of injuries, etc., unconnected with cause of discharge*

(a) *Wounds and injuries.*

Compensation may be granted on or after discharge, in respect of wounds or injuries attributable to Naval service and recorded by the medical authorities, at the rate that would have been appropriate had the man been invalided for the disability.

(b) *Diseases.*

Where the disability is caused by disease, and is wholly attributable to Naval service, compensation may be granted on or after discharge at the rate that would have been appropriate had the man been invalided for the disability, provided the claim is made within 7 years from date of discharge.

GENERAL RULES GOVERNING DISABILITY PENSIONS

16. The foregoing scales of compensation for attributable disabilities will be subject to reduction, at the discretion of the Admiralty, in the event of the cost of living falling considerably as compared with the standard cost which prevailed when these scales were established. Such reduction, if made, will apply to all pensions assessed thereunder which are being drawn at the date of reduction, as well as to future grants.

17. If any person, on being invalided from the Service, is suffering from two separate and distinct disabilities, and is eligible in respect of one of them for a grant under the Regulations of the Ministry of Pensions and National Insurance, and in respect of

the other for a grant under these Regulations, only one grant will be made in respect of both. This grant will be assessed partly under the Regulations of the Ministry of Pensions and National Insurance, and partly under these Regulations. When the invaliding disability is attributable to the Service the grant will be assessed according to the proportion which the percentage of the peace and the war disability, respectively, bears to the sum of the two percentages added together; the assessment under these regulations being so regulated, however, as to ensure that the total grant made shall not be more than the person would receive if the two disabilities were dealt with as one combined disability under the Regulations of the Ministry of Pensions and National Insurance, nor less than he would receive if they were so dealt with under these regulations.

18. Where a seaman or marine is injured in such circumstances that a pension, allowance, or grant is payable to or in respect of him under these regulations, and where he receives compensation from or on behalf of a third party for the act, omission or circumstances which caused the injury, any such compensation may be taken into consideration in assessing any pension or grant which might be awarded to or in respect of the man; and where the compensation is received after assessment it may be taken into consideration and the assessment may be amended or cancelled accordingly.

If, in the opinion of the Admiralty, a seaman or marine either unreasonably refuses to prefer a claim for compensation against the third party or unreasonably accepts an inadequate amount of compensation from such party, any pension or other grant which may be or may have been awarded to or in respect of the man under these Regulations may be withheld or reduced at the discretion of the Admiralty.

19. When the cause of invaliding is due to negligence or misconduct on the part of the man, or to his want of proper care, pension or gratuity may be withheld, or awarded at such reduced rate as may be thought fit.

PENSIONS AND GRATUITIES TO ROYAL NAVAL RATINGS, WOMEN'S ROYAL NAVAL SERVICE RATINGS AND ROYAL MARINES (OTHER RANKS)

45

5. *Persons ineligible*.—The following persons shall not be considered eligible for the benefits of Greenwich Hospital:—

- (a) men who are materially able to contribute to their own support;
- (b) men with less than 12 years' service, however old they may be, who were discharged in good health and do not come under Class V of paragraph 2;
- (c) men whose general character has been inferior to "good" unless there are special circumstances;
- (d) men in Public Assistance Institutions, unless the Authority concerned will allow the pensioner to retain the whole of the Greenwich Hospital Special Pension.

6. Civil and Army pensioners who, in consequence of naval or maritime service, may be eligible for the benefits of Greenwich Hospital, may be granted special pensions.

7. Time served in the Army shall not be allowed to reckon with subsequent naval service for the benefits of Greenwich Hospital.

8. Yard craft personnel and Riggers on the Wages List who have been granted superannuation, and were entered prior to 1st April, 1953, as well as those who have been granted naval pensions, or who have been pensioned under the old dockyard regulations, shall be considered eligible for all the benefits of Greenwich Hospital, but breakwater men are not eligible for those benefits.

B.—PENSIONS TO WIDOWS AND GRATUITIES TO DEPENDANTS

Under the Greenwich Hospital (Dependants) Pension Order, 1948, and as amended by the Greenwich Hospital (Widows Pensions Order, 1952), widows of Seamen and Marines may be granted pensions and Dependants may be granted gratuities subject to the following conditions:—

1. In cases of exceptional financial distress Pensions of up to 15s. per week may be granted by the Admiralty out of the funds of Greenwich Hospital to the widow of any person deceased, whether before or after the passing of the Greenwich Hospital Act, 1947, while serving, or having served, as a non-commissioned officer, Petty Officer or man of the Royal Navy or Royal Marines or of any naval reserve force. Awards of these pensions will be granted only in very exceptional necessitous circumstances.

2. Owing to the limited funds available for this benefit, the total number of awards in force at any one time will be small. Priority will be given to the following classes, and awards will normally be restricted to these classes:—

- (a) widows of men who have given not less than 22 years' service in the Royal Navy or 21 years in the Royal Marines;
- (b) widows of men who, having given a shorter period of service, died while serving, or were invalided.

Awards will be made on a temporary basis, and will be subject to periodical review at such intervals as the Admiralty may decide.

3. A widow in receipt of a pension in respect of the attributability of her husband's death to Her Majesty's Service will be ineligible for the above pension.

4. If a widow re-marries her pension will cease.

5. Pensions and allowances are tenable subject to good behaviour and are granted at the discretion of the Admiralty. They cannot be claimed as a right. Any assignment, sale or contract relating to a pension is void.

6. Widows without children under 15 years of age will be medically surveyed by an Admiralty Surgeon and Agent in order to ascertain the degree, if any, and probable duration of any infirmity.

7. Widows will be required to make a declaration quarterly or whenever it be considered necessary, before a duly authorised person, as to their continued widowhood and distressed circumstances.

8. The number of Greenwich Hospital widows pensions in force shall be such number as the available funds of Greenwich Hospital may admit.

9. In the event of men specified in paragraph 1 of these Regulations dying as widowers or without having been married, but leaving parents or other relatives dependent upon them, gratuities not exceeding £50 may be given at the discretion of the Admiralty to such parents or relatives (provided the total expenditure on such gratuities shall not exceed in any one year the sum of £500). No gratuity will be payable in any case where the death of the man has been accepted as attributable to Service.

46 PENSIONS, ALLOWANCES, &c., TO DEPENDANTS OF R.N. RATINGS AND ROYAL MARINES

PENSIONS AND GRATUITIES TO THE WIDOWS, CHILDREN AND CERTAIN OTHER DEPENDENT RELATIVES OF CHIEF PETTY OFFICERS, PETTY OFFICERS, R.N., REGIMENTAL SERGEANTS-MAJOR, QUARTERMASTER SERGEANTS, AND NON-COMMISSIONED OFFICERS, R.M., AND MEN AND BOYS OF THE ROYAL NAVY AND ROYAL MARINES

1. The award of compensation in respect of deaths attributable to service after 2nd September, 1939, is governed by the regulations of the Ministry of Pensions and National Insurance which are shown at the end of this Appendix. The regulations governing the award of pensions in respect of deaths attributable to the conditions of service between 1st October, 1921 and 2nd September, 1939, were last promulgated in the June, 1956 edition of the Appendix to the Navy List.

2. The rules and conditions governing the award of ordinary (i.e. non-attributable) pensions to widows and children of R.N. ratings and R.M. other ranks whose service on long service engagements terminated on or after 31st August, 1950, and who died before 4th November, 1958, were last promulgated in the June, 1958 edition of the Appendix to the Navy List. The rates shown therein may be increased by five per cent under the Pensions Increase Scheme, 1956, and by ten per cent under the Pensions Increase Scheme, 1959. Details of these schemes are shown at the end of this Appendix.

3. The following scheme of ordinary pensions applies to the families of R.N. ratings and R.M. other ranks who gave service on long service engagements on or after 31st August, 1950, and who die after 3rd November, 1958, provided the husband was entitled to service pension, or if the husband dies while serving, would have been so entitled if he had been invalided on the day he died. The condition regarding service on or after 31st August, 1950, does not apply for widows of Regimental Sergeants-Major, R.M.

- (a) For the widow—One-third of her husband's service pension as defined in paragraph 4, or the rate provided for in paragraph 5, whichever is the more favourable.
- (b) For each child under 16 years of age (unless motherless)—One-third of the widow's pension.
- (c) For each motherless child—Two-thirds of the rate which the widow received or would have received.

4. For the purpose of paragraph 3 above, the rate of service pension will be the rate (including pensions increase, if any) which was in payment to the husband at the date of his death; or, if more favourable, the rate which would have been in payment at that date if he had not commuted any part of his service pension and if he had already qualified for the pensions increase for which he would have been eligible had he reached the age of 60. When death occurs whilst serving, the rate will be the award which would have been made if the husband had been invalided on the date on which he died.

5. If the rates of pension calculated in accordance with paragraphs 3 and 4 above would be less than that set out below, the latter will be payable:—

	<i>Pension (Weekly)</i>	
	£	s. d.
Regimental Sergeant Major, R.M.	1	7 0
Quartermaster Sergeant, R.M.	1	5 0
Chief Petty Officer/Colour Sergeant, R.M.	1	3 0
Petty Officer/Sergeant, R.M.	1	0 0
Leading Rating/Corporal, R.M. and below	15	0

6. If the death of the husband is due to service and the family is, therefore, awarded an "attributable" pension, an "ordinary" pension will not be payable. Instead a "modified" family pension at one-half of the "ordinary" rates as given in paragraph 3 above will be awarded in addition to the "attributable" pension. In no case, however, will the "modified" family pension be less than the rates set out below:—

	<i>Pension (Weekly)</i>	
	s.	d.
Regimental Sergeant Major, R.M.	18	0
Quartermaster Sergeant, R.M.	16	8
Chief Petty Officer/Colour Sergeant, R.M.	15	4
Petty Officer/Sergeant, R.M.	13	4
Leading Rating/Corporal, R.M. and below	10	0

7. A child's "modified" pension will be one-third of the widow's "modified" pension. For motherless children the rate will be two-thirds of the "modified" pension which the widow received or would have received.

General Conditions for Award

8. Rating or rank for the assessment of pension will be the highest paid rating or rank held for two years or more during the last five years of service. This applies only where a minimum rate of pension, provided for in paragraphs 5 and 6, is awarded.

9. The marriage must have taken place before discharge (or where there is subsequent re-employment entitling the member to a revision of his service pension, before the termination of the re-employment).

10. If the wife was separated from her husband and not fully supported by him, and in certain other circumstances, awards will be discretionary.

11. A widow's pension will cease on her re-marriage, but if she again becomes a widow, the award may be resumed at discretion.

12. Children's pensions will be given where the widow is (or would, if living, have been) eligible for pension. In addition to children of the rating or other rank, adopted children and step-children will, subject to certain conditions, be eligible. Pensions will be payable normally up to age 18 in respect of the children of Regimental Sergeants-Major, R.M., and up to age 16 in respect of the children of naval ratings and Royal Marines, but may be paid beyond those ages in certain circumstances (e.g. during further education).

Gratuities to Widows, etc.

13. This is a benefit for the widows of regular ratings and other ranks who die while serving or during re-employment.

The amount of the gratuity will be as follows:—

- (i) where a Terminal Grant would have been payable on invaliding, 90 per cent of the Terminal Grant to which the rating or other rank would have been entitled, the minimum award being £112 10s. 0d.
- (ii) where an additional Terminal Grant would have been payable on invaliding, 90 per cent of that amount subject to a minimum award of £70.
- (iii) where no Terminal Grant would have been payable, the gratuity to be £70.

14. Normally the gratuity will be payable in full to the widow. It may, however, be withheld or reduced where the widow was separated from, and not, dependent on her husband. Where there are children not dependent on the widow, part of the gratuity may be withheld from her and paid for the benefit of the children. Where there are children but no widow, the gratuity may be paid in whole or in part for the benefit of the children. Children dependent on women members of the Forces who die while serving will similarly be eligible for gratuities in certain circumstances.

GRATUITIES TO RELATIVES OF LOCALLY ENTERED RATINGS

1. A pension or an allowance will not be issuable in respect of the death of a locally entered rating, but provided the conditions as regards relationship, ages of children, and dependency are satisfied, a gratuity of such amount as the Admiralty may decide, but not exceeding the amount of 2 years' pay attaching to the substantive rating and any Good Conduct badges held at the date of death, subject to a maximum of £230, assessed under normal conditions, may be granted to dependent relatives of a deceased rating whose death is certified by the competent medical authority to have been caused by the conditions of his service.

2. The following dependent relatives only will be eligible for consideration for the award of a gratuity:—

- (a) Widow.
- (b) Children, including step-children and illegitimate children, under 14 years of age.

(c) Parents who are in pecuniary need or are incapable of self-support through age or infirmity, and who were wholly or partly dependent on the deceased rating at the time of his death, provided that the deceased did not leave a widow or eligible child.

(d) Brothers and sisters who were largely dependent on deceased rating at the time of his death, provided that they are in pecuniary need, and provided that the deceased rating did not leave a widow or eligible child.

3. The revised arrangements became effective from the 1st February, 1955, and will apply to all locally entered ratings for whom no other specific arrangements have been made. They will, therefore, cover Ceylonese, West Africans, St. Helenians, Bantus, Somalis, Goanese, Chinese and Malaysians.

OFFICERS EMPLOYED ON INSPECTION, RESEARCH, DESIGN AND EXPERIMENTAL ORDNANCE DUTIES, &c.—CONDITIONS OF SERVICE

The following regulations govern, with effect from 21st November, 1929, the conditions of service of Naval and Royal Marine Officers employed on Inspection, Research, Design and Experimental Ordnance Duties, etc., as indicated in paragraph 4 below. They do not apply to any civilians so employed.

1. **Recruitment.*—The Officers who are eligible for appointment are those on the General List of the Royal Navy with specialisations and sub-specialisations as shown below, together with certain Royal Marine Officers, namely:—

- (a) Seamen Specialist Officers, who have at least 3 years' service in a ship of war at sea as Lieutenant, are qualified as Gunnery, Air Gunnery or T.A.S. Lieutenant and have been employed at sea in that capacity for not less than 1 year;
- (b) Seamen Specialist Officers who have at least 3 years' service in a ship of war at sea as Lieutenant and have been employed at sea in submarines in that rank for not less than 1 year;
- (c) Engineer Specialist Officers, including Air Engineer and Ordnance Engineer sub-specialists who have at least 3 years' service in a ship of war at sea or in a Naval Air Establishment in Lieutenant's rank;
- (d) Electrical Specialist Officers who have at least 3 years' service in a ship of war at sea, or in a Naval Air Establishment in Lieutenant's rank;
- (e) Royal Marine Officers who have (i) passed the Naval Gunnery Instructors' Course in H.M.S. *Excellent* and have been employed as Gunnery Instructor, or (ii) passed the advanced course at the Military College of Science.

Officers in categories (a) to (d) above who have not completed 3 years' service as Lieutenant in a ship of war at sea (or in a Naval Air Establishment, if appropriate) but who have completed at least 2 years of such service are also eligible provided that at least 1 year was performed in a sub-specialist capacity and also that the Officer's other non-seagoing service includes at least one year's experience which can genuinely be regarded as potentially valuable for Naval Ordnance Inspection Pool purposes. Officers entered under this provision will be required to serve for an increased period on probation, the extra time being spent on Experimental Gun Ranges.

Officers will be considered for appointment up to the age of 37. (*Note.*—This limit is temporarily in abeyance.)

2. *Conditions of Service. Training and Promotion.*—Officers will be on probation for 2 years from the date of appointment, or for such period exceeding 2 years as may be necessary owing to a confirmed appointment not being available, or as may be determined under paragraph 1 above in the case of Officers having less than 3 years' qualifying service.

If at any time during the probationary period an Officer is found to be unsuitable, he will revert to sea service or corps duty.

During the probationary period, Officers will be allowed the option of reverting to sea service or corps duty after they have had sufficient time to find out by actual experience whether they are fitted for the work.

The period of probation will be spent under training as follows:—The first year's training will be under the direction of the Inspector of Naval Ordnance, Woolwich, including inspection, visits to Cordite Factory, Ordnance Factory, shell and steel

makers' works and the Research Department. During the second year they will join the Royal Naval College, Greenwich, for a course lasting about 8 months in metallurgy and chemistry, the instruction in the latter relating principally to explosives, propellants and metals. During this period, visits will be arranged as requisite, to the Research Department at Woolwich, and other similar establishments.

Officers who, at the end of the probationary period, are finally selected for permanent appointment under the scheme will not be eligible to revert to sea service or corps duty.

Officers will be interchangeable, so far as efficiency permits, between the various branches, though it is contemplated that some will display special capacity and preference for a particular branch, and it may prove to the advantage of the Service to allow such Officers to devote a large proportion of their service to that branch.

In order to give opportunity for judging the relative suitability of Officers for the various types of work for the first 8 years after the completion of the probationary period, Officers will normally be appointed for terms of 2 years only. Endeavour will be made to give each Officer one period in the Design and Research Departments, though the number of posts available will not permit this to be done in all cases.

Appointment to the senior posts and higher posts (paragraph 4) will be in vacancies, and will be made solely by selection.

After the initial 10 years mentioned above, all appointments will be normally for 4 years.

Note.—

(a) The number of posts permits of a proportion of Officers only obtaining higher posts. An Officer may hold one of the higher posts more than once, but only in exceptional circumstances will he hold one more than twice.

(b) The duration of all appointments will be subject to the exigencies of the Service, and while, in normal circumstances, the duration will be as given above, appointments may be curtailed or extended at the discretion of the Admiralty.

(c) Officers who hold Group (c) and Group (d) posts (paragraph 4) will not be eligible for further promotion under the scheme after they have attained the ages of 52 and 47 years, respectively.

Exceptions to this rule may be made at Admiralty discretion in the case of Officers who already held confirmed appointments on 21st November, 1929, in posts covered by the scheme, each case being considered on its merits. The Admiralty may make exceptions otherwise in very special cases where it is considered necessary in the interests of the Service to do so.

(d) Officers subject to this scheme will not be borne on ships books or included in Vote A, either during the probationary period or after. While still on the Active List they will be supernumerary to the establishments of Officers of their particular ranks.

3. *Rank, etc.*—The naval rank corresponding to each post is prescribed in paragraph 4. Precedence and control within the departments is determined by the post held.

Officers are to wear uniform only when serving with Officers of the Royal Navy, the Army or the Royal Air Force wearing uniform, or when otherwise required.

The uniform worn is to be that of the rank corresponding to the post (see paragraph 4).

The special grant of steps in rank after retirement (see paragraph 14) will be limited to what is required to give an Officer the rank corresponding to his grade (see paragraph 4).

A Lieutenant-Commander occupying a Group (d) post on retirement will remain a Lieutenant-Com-

* Recruitment under these conditions has ceased.

mander unless he is eligible for higher rank under the ordinary general naval rules in force.

Active Service Officers appointed to any of the posts in the ensuing paragraph, who do not already hold the rank appropriate thereto, will be given acting rank, as necessary, until placed on the Retired List.

A Captain R.M. serving in a Group (d) post will retain the rank of Captain for the duration of service in that Group. On promotion to a Group (c) post he will be given automatically the rank of Acting Major and this rank will be confirmed on reaching age 45.

None of the above conditions affects the pay of the Officers in question while employed, which is dealt with in paragraph 4.

Service in acting higher rank prior to retirement from the Active List will not be taken into account in assessing retired pay—see paragraph 11.

" D "	On entry £1,385 at age 28 £1,445 at age 29 £1,505 at age 30 or over Thereafter by annual increments of £60 to a maximum of £1,685

Note.—The scales are not subject to provincial differentiation.

(i) In the event of circumstances leading to an Officer being appointed to a group (c) post after holding a group (b) post, he will be placed at the top of the group (c) scale. Officers transferred from one post to another of equal pay within the same group (a, b, c, or d) will continue at their existing rate, counting former service in the group towards increments.

(ii) The retired pay of retired Officers serving in any of these appointments will be suspended during such service.

(iii) Officers employed in these appointments may receive an allowance of 4s. a day for each day on which they are required to serve at sea in a submarine.

5. *Remuneration during periods of temporary unemployment.* Officers on the Active List serving in any of these appointments will be eligible for pay at the rates appropriate to their substantive rank and seniority, and under the conditions applicable to Officers on the general Active List.

Officers on the Retired List will be eligible to receive pay at a rate equal to their retired pay plus the addition to retired pay, if any (see paragraph 11), for which they would have been eligible, if on the date of ceasing salary their services had been finally terminated at their own request.

6. *Counting of service for increase of retired pay.*—(a) All time in respect of which salary is drawn up to the ages of compulsory termination of employment and, in the case of Officers finally retiring after the 15th November, 1956, any further service up to the age of 60, shall count as full time for increase of retired pay. In the case of service between the age of compulsory termination of employment and age 60 the addition to retired pay will be calculated on either salary at the time of compulsory termination of employment or salary on completion of further service up to the age of 60, whichever is the more favourable.

(b) Time in respect of which unemployed pay or half-pay is drawn will, in the case of Officers on the Active List, count in the same manner as for Officers on the General Active List, and in the case of retired Officers be ignored.

50 OFFICERS EMPLOYED ON INSPECTION, &c., DUTIES

7. *Leave*.—Leave up to six weeks per annum will be granted, subject to departmental requirements.

8. *Sick Leave*.—Sick Leave on full salary may be granted up to six months in any twelve months, subject to an over riding limit of twelve months in any four years. Admiralty sanction must be obtained for the grant of sick leave in excess of three months in any period of twelve months (see also paragraph 9).

9. *Hospital, medical and dental treatment*.—Officers, whether on the Active List or Retired List, Royal Navy or Royal Marines, will be eligible for hospital, medical and dental treatment under Naval arrangements at the expense of Navy Votes. As the rates in paragraph 4 include an element for victualling (i.e., they are assessed on the basis that the Officers will have to make their own arrangements for food), a charge will be made for their maintenance while in hospital, so long as they continue to receive full salary. A sum equivalent to the current rate of provision allowance will be deducted from their salary for each day or part of a day in hospital. Officers who have exhausted the sick leave to which they are entitled (see paragraph 8) will, if on the Active List be placed on half-pay, and, if on the Retired List, on unemployed pay (see paragraph 5).

10. *Termination of employment*.—Employment under the scheme will terminate compulsorily at the following ages:—

Higher posts	..	..	..	57
Senior posts	..	..	..	55
Junior posts	..	..	..	52

except in the case of Officers already holding confirmed appointments in such employment on 21st November, 1929, where the Admiralty may decide to extend the age limit. Such extensions can be arranged only when suitable employment continues to be available, and each case will be considered on its merits, with due regard to the regulations formerly in force and to past practice in administering them. Under those regulations Officers are subject to a maximum retiring age of 60 if they have not previously been discharged to retired pay at their own request or for some other reason; and those appointed after September, 1925, were informed that they might normally expect employment to continue to the following ages:—

Assistant Inspectors	..	..	50
Inspectors	..	..	52
Chief Inspector and Officer of the corresponding grade	..	..	57

Officers may be unemployed for two consecutive years, but will not be eligible for further employment subsequently.

The employment of an Officer may be terminated at any time, if, in the opinion of the Admiralty, he has been guilty of misconduct, or has unsatisfactorily performed his duties, or is otherwise unsuitable, or is physically unfit for further service.

Voluntary termination of employment, which, if the Officer is on the Active List, must be accompanied by retirement therefrom, may be allowed at the discretion of the Admiralty.

The Admiralty reserve to themselves the right to terminate an Officer's employment under this scheme if, having regard to the posts he has held and the necessity for providing opportunity for promotion of more junior officers, they are unable to offer him further suitable employment.

Officers may be re-employed at the discretion of the Admiralty beyond the ages for compulsory termination of employment.

11. *Retirement from the Active List and retired pay*.—Officers on the Active List serving in any of these appointments, if not previously retired at their own request or otherwise, will be transferred from the Active List to the Retired List, on reaching the age for compulsory retirement applicable to Officers on the Active List, but this will not necessitate termination of their employment nor entitle them to receive retired pay while still employed.

Service in acting higher rank, prior to retirement

from the Active List for any cause, will not be taken into account in assessing any entitlement to retired pay, notwithstanding any provision to the contrary for officers on the general Active List.

In other respects, Officers whose employment under this scheme (otherwise than on probation) is finally terminated for any cause while on the Active List will be placed on the Retired List at once with the rate of retired pay for which they are eligible under the regulations applicable to Officers retired from the general Active List. Officers whose services are finally terminated under paragraph 10, either after two consecutive years of unemployment, or on account of unsatisfactory performance of their duties, or on account of unsuitability, will be granted the retired pay prescribed for retirement from the general Active List for similar reasons.

12. *Addition to retired pay of retired officers whose employment is finally terminated after retirement from the Active List*.—Officers whose employment is finally terminated after their retirement from the Active List may be granted, in addition to the retired pay earned by their service prior to retirement, an increase in retired pay in respect of their subsequent service calculated, irrespective of the appointment held, under the following regulations:—

1. Except as provided in Clause III below, Officers whose services are terminated—

- otherwise than for misconduct after 10 or more years' service subsequent to their retirement, or
- after less than 10 years' service subsequent to their retirement either at their own request, or for unsuitability, or for unsatisfactory performance of their duties,

may be granted an addition to retired pay, the rate of which will be calculated at the rate of one-sixtieth of the salary of the appointment held immediately prior to discharge for each complete year of their service after retirement, excluding any periods for which unemployment pay under paragraph 5 above may have been issued.

II. Except as provided in Clause III below, Officers whose services are terminated otherwise than for misconduct or any of the causes mentioned in Clause I (b) of this rule, and after less than 10 years' service subsequent to their retirement, may be granted an addition to retired pay, the rate of which will be calculated at the rate of one-fiftieth of the salary of the appointment held immediately prior to discharge for each complete year of service after retirement, excluding any periods for which unemployed pay under paragraph 5 above may have been issued, provided, however, that the addition to retired pay shall in no case exceed one-sixth of the salary of the appointment held immediately prior to discharge.

III. An Officer who on or after 1st April, 1919, has been retired from the Active List of the Royal Navy or Royal Marines with a special rate of retired pay higher than that permissible under the ordinary regulations applicable to Officers on the general Active Lists at the date of retirement for an Officer of like age, rank and service, will not, on the final termination of his employment, receive retired pay and addition to retired pay in excess of the greater of the two following sums:—

- The retired pay for which he would have been eligible had he, on retirement from the Active List of the Royal Navy or Royal Marines, been awarded the rate of retired pay permissible under the ordinary regulations in force at the date of such retirement for an Officer of like age, rank and service and permitted to count the whole of his subsequent service for addition to retired pay under Clause I or Clause II hereof, whichever be appropriate, and
- The actual rate of retired pay awarded to him on retirement from the Active List without any addition for subsequent service.

IV. Officers whose services are terminated on account of misconduct may be granted such rate of addition to retired pay, if any, as the Admiralty at their discretion may see fit to award, provided that it be lower than the rate for which they would have been eligible if their services had been terminated for unsuitability or unsatisfactory performance of their duties.

13. *Non-effective benefits payable to those Officers who have retired from the Active List with gratuities only.*—The following regulations apply to those Officers appointed after 1st June, 1936, to the aforesaid posts who have retired from the Active List:—

- A. with gratuities, only, under normal regulations,
- B. with gratuities, only, under the Special Retirement Scheme (1934) laid down in Orders-in-Council dated the 26th day of February, 1934, and the 13th day of August, 1935.

I. *Service for the purpose of these regulations shall be such service rendered in one or more of the aforesaid posts by an Officer after his retirement from the Active List as would have counted for increase of retired pay had the Officer retired from the Active List with retired pay.* (See para. 6 above).

II. Officers in both categories A and B above who fail to complete four years' service otherwise than on account of attributable disabilities shall not qualify for the award of retired pay, but shall be eligible on termination of service, at Admiralty discretion, for gratuities only, at rates not exceeding £200 and £160 for each complete year of service, in lieu of the retired pay additions of one-fiftieth and one-sixtieth, respectively, prescribed in paragraph 12 above.

III. An Officer in category A above whose service is terminated on or after the completion of four years' service shall be eligible for service retired pay equal in amount to the additional retired pay which he would have been granted under the provisions of paragraph 12 above, had he retired from the Active List with retired pay; to which shall be added, if his service has been terminated on account of attributable disability, the appropriate disability addition prescribed in paragraph 15 below.

IV. An Officer in category B above whose service is terminated either:—

- (a) on, or after, the completion of four years' service, or
- (b) at any time, on account of attributable disability,

shall be eligible for service retired pay at the rate laid down in paragraph 12 III (a) above, less the annuity value, as determined by the Admiralty, of the gratuity he received on retirement from the Active List; to which shall be added, in the case of (b), the appropriate disability addition prescribed in paragraph 15 below.

V. Officers in both categories A and B above whose services are terminated on account of misconduct may be granted such rate of retired pay or gratuity, if any, as the Admiralty at their discretion may see fit to award, provided that it be lower than the rate of retired pay or gratuity for which they would have been eligible if their service had been terminated for unsuitability or unsatisfactory performance of the duties.

VI. Widows' pensions and children's allowances at ordinary rates (see paragraph 16 below) shall be payable in respect of Officers in both categories A and B above, provided that a minimum of four years' service has been rendered and that the conditions, generally, governing such awards are fulfilled, notwithstanding the provisions of Clause 5 (g) of the Schedule of Order-in-Council dated the 25th day of June, 1925.

14. *Rank on the Retired List.*—Officers who on retirement hold, or who may subsequently be appointed to, a Higher Post under these regulations may, at the discretion of the Admiralty, be granted the rank or equivalent rank of Captain, R.N., or the rank of Colonel, R.M., on the Retired List, and, similarly, Officers who on retirement hold, or who may subsequently be appointed to, a Senior Post under these regulations may, at the discretion of the Admiralty, be granted the rank or equivalent rank of Commander, R.N., or the rank of Lieutenant-Colonel or Major, R.M., on the Retired List.

15. *Additional retired pay or disability retired pay on account of disablement attributable to the conditions of service.*—Officers, whether on the active or on the Retired List, serving in any of the appointments to which these rules apply, will be eligible at the discretion of the Admiralty for additional retired pay or disability retired pay in respect of disability certified by the competent medical authority as attributable to the conditions of service, at the rates and under the conditions applicable from time to time to Officers on the general Active List.

16. *Pensions and other grants to widows and dependent relatives of deceased Officers.*—The widows and other dependent relatives of deceased officers, who have served in any of the appointments to which these rules apply, will be eligible, at the discretion of the Admiralty, for the award of pensions or other grants under the regulations from time to time in force for Officers of the Royal Navy and Royal Marines, except that:—

- (a) for the purpose of determining the eligibility of any applicant for a pension or other grant, service on the Retired List in an appointment to which these rules apply will be regarded as equivalent to service on the Active List, and
- (b) the pension or other grant shall be assessed as follows:—

Higher Posts—As for Captain R.N.

Senior Posts—As for Commander R.N.

Junior Posts—To remain on the basis of the highest rank held on the Active List.

17. *Removal and travelling expenses.*—Removal expenses, when allowed, are payable under the Regulations applicable to civilian officers, which are contained in the Non-Industrial Staff Regulations (B.R. 2103). They are not payable:—

- (a) on first appointment under this Order;
- (b) on transfer at own request or for misconduct;
- (c) on retirement.

18. *Official residence or quarters.*—Officers appointed under the provisions of this Order may be called upon to occupy an official residence or quarters, and in such an event they will be required to pay an appropriate rent under the rules applicable to civilian officers.

REGULATIONS RELATING TO THE EMPLOYMENT, &c., OF OFFICERS ON THE RETIRED AND EMERGENCY LISTS

Note (A).—Officers on the Retired and Emergency Lists are reminded that they are under a continuous liability for Naval Service, if so required, on mobilisation. Before undertaking any Civil employment which would interfere with their immediate readiness for service, Officers should ascertain whether the Admiralty is prepared to grant them exemption from Naval Service, either for a limited period or permanently. For Officers under the age of 60 such exemption will only be approved in special cases, and applications received in time of emergency when mobilisation is expected, or has been ordered, will not be entertained.

Note (B).—The regulations concerning payment of Service retired pay during re-employment in peacetime and time of emergency, and as regards further awards of Service retired pay, terminal grant, or additional terminal grant or service gratuity following such re-employment, are given in the section on retired pay. They should not be confused with the rules regarding payments for attendance at, or in connection with, committees under the Admiralty or for special duties, given in paragraph 8 below.

1. *General.*—Her Majesty has the power to call all Retired Officers into active employment in case of war or emergency, but the first selection for employment will be made from those who are below the age of 60.

Lists of Retired Officers are kept at the Admiralty, except in the case of the following Branch List and Special Duties Officers, lists of whom are kept by the undermentioned authorities, of the Specialisations or Sub-Specialisations indicated:—

Gunnery Branch and (G)	Captain, H.M.S. <i>Excellent</i> , Portsmouth.
(T.A.S.), (T) and (A/S) Branches ..	Captain, H.M.S. <i>Vernon</i> , Portsmouth.

All other Specialisations	Secretary of the Admiralty, London, S.W.1.
Royal Marine Officers	Commandant General, Royal Marines, Admiralty, London, S.W.1.

These instructions also apply to Temporary Officers (Special Duties List) of the above named categories.

On retirement, Officers are to report their private addresses to the Secretary of the Admiralty, except in the case of Officers of the classes mentioned in the preceding paragraph, who are to report to the Commanding Officer of the Establishment to which they are attached; any change of address is to be similarly reported.

As a general rule Officers retired on account of physical unfitness are included with a view to employment on such service as they may be fit to perform.

Officers on the Retired List or Emergency List who are not on active service are asked to notify the Admiralty if they intend to visit countries *outside* the Commonwealth and Colonies, the N.A.T.O. area, the Irish Republic, or Switzerland, or to be absent from the United Kingdom for more than one month (Q.R. & A.I., 0915), unless they have been notified of a requirement to seek permission before proceeding abroad.

2. Retired and Emergency List Officers re-employed in an emergency:— Pay and Allowances

(a) Retired Flag Officers and Officers of equivalent rank will receive pay of the rank in which they

are appointed to serve, together with allowances appropriate to that rank. Where appointed to serve in a rank below Flag rank, they will receive the maximum rate of pay in the rank in which serving. During periods of sick leave, or other intervals between effective appointments, the rates of pay and allowances will be those last in issue, unless instructions to the contrary are issued by the Admiralty.

- (b) Retired Officers and Officers on the Emergency List of the rank or relative rank of Captain, R.N., or below, will receive pay on the scale appropriate to the rank held on the Retired or Emergency Lists, irrespective of the rank in which serving, time served on pay in that rank being reckoned for the purpose of increments of pay. A retired Officer or an Officer on the Emergency List of the rank or relative rank of Captain, R.N., or below, who is re-employed in a rank lower than that last held on the Active List, will receive allowances at the rates appropriate to the last rank held on the Active List. A retired Officer of the rank or relative rank of Captain, R.N., or below promoted on or after retirement, and re-employed in a rank lower than that held on the Retired List will receive allowances at the rates appropriate to the rank in which he is serving, except that allowances for which he would be ineligible if serving in the rank held on the Retired List will not be payable. This provision also applies to an Officer promoted after being placed on the Emergency List and re-employed in a lower rank than that held on that list.
- (c) Retired and Emergency List Officers who are granted acting rank higher than that held on the Retired or Emergency Lists will receive pay and allowances of the higher rank under the conditions applying to Active List Officers.
- (d) In all cases the scales of pay and allowances will be those in force at the time for corresponding Officers on the Active List.
- (e) An Officer will be eligible to receive a rate of pay equivalent to the rate of service retired pay (or the service element of disability retired pay or pension) if more to his advantage than the rate of pay payable under clauses (a) and (b).
- (f) No reduction from pay will be made in respect of any gratuity awarded on retirement or discharge.
- (g) In the case of Officers who have retired without retired pay and Officers on the Emergency List, neither time nor promotion after retirement will qualify for retired pay or retiring gratuity.

3. *Officers retained in employment beyond the age set for compulsory retirement.*—Such Officers will be treated as retired Officers re-employed.

4. *Promotion.*—Officers called from the Retired List during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on

the Active List, in so far as promotion is dependent on service.

Such Officers may also be promoted at the discretion of the Admiralty irrespective of the regulations governing the promotion of Officers on the Active List, provided that such special promotion does not extend to the granting of Flag rank or of any equal relative rank. As a rule, however, such step in rank will not be granted until the Officer has ceased re-employment.

5. Instruction

(a) Retired Officers who have been selected to fill appointments in time of emergency will undergo instruction as may be necessary to qualify them for the duties of the posts they will be required to take up. While undergoing such instruction they will receive in lieu of their retired pay, pay as in paragraph 2 (without command money or equipment allowance), and allowances of their corresponding ranks on the Active List. The time served will count for increase of full pay, but not of retired pay.

(b) Officers will not, however, be detailed for courses of instruction in time of peace except with their own consent.

6. *Uniform.*—Officers re-employed after a break in service will receive a uniform grant of £10 towards the cost of bringing their uniform up to the prescribed scale. An additional grant may be paid to officers whose break in service is four years or more.

Officers will wear the uniform of the rank in which they serve (see following paragraph).

7. *Rank and Command.*—Subject to the following provisions as to the right of command, steps in rank given on or after retirement will confer the right to the title, and other advantages of the higher rank.

In cases where a step or steps in rank have been granted automatically by virtue of and in strict seniority, the Officers shall take command according to their seniority on the Retired List, subject to the conditions that Captains retired from that rank shall in no case take command over an Officer on the Active List of Flag Officers, or over one who has retired from the Active List of Flag Officers.

In other cases steps in rank given on or after retirement shall not give the right of command amongst Naval Officers, which shall be governed by the date of commission in the rank held on the Active List at the date of retirement.

(Note.—For regulations regarding widows' pensions, etc., including the effect of total or partial commutation of retired pay, see appropriate sections of the Appendix.)

8. *Retired Officers employed as members of committees or on special duties under the Admiralty.*

(a) Officers on retired pay employed as members of committees under the Admiralty will be paid:—

(i) their actual reasonable travelling expenses in attending the meetings of, or when employed on special duties connected with, the committee. Whenever practicable travelling warrants should be used for the journey, but when warrants are not used, the number of the railway ticket purchased should be stated. In the

absence of this information, only the cost of a Government rate journey will be allowed;

(ii) the difference between pay and retired pay for those days on which Officers attend the meetings of the committee, or are employed on special duties connected therewith, including the days occupied in travelling from the Officers' residences and back;

(iii) subsistence allowance in accordance with current regulations, when employed at a distance from their residences for those days on which they attend the meetings of the committee, or are engaged on special duties connected therewith, including the days occupied in travelling; but should the service on which they are employed entitle them to the allowance for more than fourteen nights consecutively at the same place, a reduction of one-third will be made in the allowance during any further stay in that place;

(iv) should Officers' residences be at such a distance from the places at which the committee meets that the expense of going there and returning between the dates of any two consecutive meetings would be greater than that of remaining in the vicinity and receiving the pay and allowances they are entitled to whilst actually attending the committee, Officers are to adopt the latter course, acquainting the president of the committee of the facts, and reporting the same to the Admiralty in forwarding their claims for payment.

(b) Officers on retired pay while employed on special duties under the Admiralty (except Officers employed by the Hydrographer, for whom see clause (f) below), will be paid in accordance with this article, the days of employment on special service being taken as answering to those of attendance on committees.

(c) Officers on retired pay, when called upon to give evidence before committees assembled at a distance from their residence, will be repaid their actual reasonable travelling expenses, subject to the proviso in the second paragraph of clause (a) (i), and will receive subsistence allowance, as specified in clause (a) (iii) and (iv).

(d) All claims are to be made by the respective Officers in detail, and, for employment on a committee, the claim of each Officer must be certified by the president or chairman, stating the number of days and dates on which the Officer actually attended a meeting, or was employed on special duties connected with the committee.

(e) Claims which should if possible be made out on Form S.542 (Travelling Expenses Claim) are to be forwarded to Director of Navy Accounts (Branch 2).

(f) Retired Officers engaged under the Hydrographer's directions in compiling Hydrographic publications will be paid at rates as may be authorised from time to time.

R.N. EMERGENCY LIST

Note.—These regulations are issued for the general information of Officers on the Emergency List. It should, however, be understood that they are liable to revision, and any alteration made will be applicable in the case of all Emergency List Officers re-employed.

OFFICERS ELIGIBLE

1. In order that the State may not lose altogether the advantages which it has the right to expect in return for the expenses incurred in the training of Officers, a list of Officers eligible for employment in an Emergency, known as the R.N. Emergency List, has been established, and the Lords Commissioners of the Admiralty expect that all Officers who are released from the Active List for private reasons should be prepared to enrol their names on this List.

2. Officers leaving the Active List on completion of their Supplementary List Short Service or Extended Service engagements will, however, be placed on the List in all cases and be liable for service in war or emergency during the subsequent two or more years required by the terms of their engagement. At the end of that period they may volunteer to continue on the Emergency List, subject to the condition in paragraph 3.

3. Engineer Officers who apply under paragraph 1 above, will only be placed on the List if their profession continues to be connected with mechanical engineering. The nature of their employment or intended employment should be stated by candidates when volunteering, and also, if enrolled, once a year after their names are placed on the List. In the same manner Medical and Dental Officers will only be enrolled if they continue to practise their profession. The nature of their work should be reported annually. This rule will also apply to Officers mentioned in paragraph 2 if they volunteer to serve for a further period on the Emergency List after completing their original contract.

4. Officers on the Emergency List are to report any change in their address and before proceeding abroad they must obtain the approval of the Admiralty.

5. Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment which may take them away from the United Kingdom, thus rendering them not available for service in Her Majesty's Fleet at short notice, they must first obtain the approval of the Admiralty.

6. Any Officer who has voluntarily joined the Emergency List and subsequently withdraws will be required to resign his Commission.

7. The names of Emergency List Officers are shown in the Retired Section of the Navy List.

CONDITIONS OF SERVICE

8. Officers whilst enrolled are allowed to retain their Commissions. They may wear the Uniform of their rank on the Emergency List (or War Service Rank if such has been granted), subject to permission being obtained from the Admiralty. They do not receive pay, or pension, when not employed.

9. Officers selected to fill appointments to be taken up in time of war or emergency may be required to undergo such instruction as may be considered necessary to fit them for the duties they will be called upon to perform. Attendance at such courses

of instruction will be under the following regulations:—

- (a) The pay will be as under paragraph 10.
- (b) Travelling expenses incurred in attending the courses will be allowed.
- (c) Plain clothes may be worn, and no allowance for outfit will be given.
- (d) Accommodation when available will be provided if desired.

10. Pay and Allowances.

- (a) When employed, Officers will receive pay on the scale appropriate to the rank held on the Emergency List, time served on pay in that rank being reckoned for the purposes of increases of pay. The scale to be that in force at the time for corresponding Officers on the Active List. No bonus on full pay is payable.
- (b) An Officer promoted after resignation and re-employment in a rank lower than that held on the Emergency List to receive allowances at the rates appropriate to the rank in which he is serving, except that allowances for which he would be ineligible if serving in the rank held on the Emergency List, will not be payable.
- (c) An Officer re-employed in a rank lower than that last held on the Active List, will receive allowances at the rates appropriate to the last rank held on the Active List.
- (d) Neither time nor promotion after retirement will qualify for retired pay or retiring gratuity.

UNIFORM

11. Officers who are recalled for full time service in time of national emergency will receive a uniform grant of £10 for the purpose of bringing their uniform up to scale. If the interval between their last day of paid active service(*) and their date of rejoining is four years or more, they may claim a refund of expenditure in excess of £10, necessarily incurred in bringing their outfits up to the required scale within the limit of the full value of that scale as assessed by the Admiralty.

* Terminal Leave will be regarded as "active service" for this purpose.

PROMOTIONS

12. Officers called from the Emergency List for service during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on the Active List in so far as promotion is dependent on service. In special cases, Officers may be promoted at the discretion of the Admiralty, irrespective of the regulations governing the promotion of Officers on the Active List, but such special promotion will not extend to Flag or equivalent rank and will, as a rule, only be granted on ceasing service.

ROYAL MARINES

The foregoing rules apply to Royal Marine Officers entered on the Emergency List.

Appointments to, or promotions in, the Order of the British Empire and awards of the British Empire Medal, granted after 14th January, 1958 for gallantry, are so described, and a silver Oak Leaf Emblem is worn on the riband. When the ribbon only is worn the Emblem is worn in miniature. A person appointed to the Order after 14th January, 1958 for gallantry and subsequently promoted in the Order, retains and wears the Emblem whether promoted for gallantry or otherwise. A holder of the British Empire Medal for gallantry, granted since 14th January, 1958, if subsequently appointed to the Order, continues to wear the emblem on the riband of the Medal and wears the Emblem also on the riband of the Order only if appointed to the Order for gallantry.

Note 5. The Indian Order of Merit (Military and Civil) is distinct from the Order of Merit instituted in 1902.

Note 6. The official Medal awarded previously on the recommendation of the Board of Trade, Minister of Shipping, Minister of War Transport or Minister of Transport and now on the recommendation of the Minister of Transport.

Note 7. Formerly the Medal of the Order of the British Empire for Meritorious Service; also includes the Medal of the Order awarded before 29th December, 1922.

Note 8. Campaign Stars and Medals awarded for service during the First World War, 1914-1919,

should be worn in the following order: 1914 Star, 1914-1915 Star, British War Medal, Mercantile Marine War Medal, Victory Medal, Territorial Force War Medal, India General Service Medal (1908) (for operations in Afghanistan, 1919). Campaign Stars and Medals awarded for service in the Second World War, 1939-1945, should be worn in the following order: 1939-1945 Star, Atlantic Star, Air Crew Europe Star, Africa Star, Pacific Star, Burma Star, Italy Star, France and Germany Star, Defence Medal, Volunteer Service Medal of Canada, War Medal 1939-1945, Africa Service Medal of the Union of South Africa, India Service Medal, New Zealand War Service Medal, Southern Rhodesia Service Medal, Australia Service Medal.

The order of wearing of the Africa General Service Medal (1902), India General Service (1908), Naval General Service Medal (1915), General Service Medal (Army and Royal Air Force) (1918) and India General Service Medal (1936) will vary, and will depend upon the dates of participation in the relevant campaigns. A Pakistan General Service Medal was instituted by King George VI in 1951.

Note 9. King George V's Durbar Medal, 1911, in Gold, can be worn in the United Kingdom only by those who received it as Ruling Chiefs of India.

Note 10. Formerly known as the Rocket Apparatus Volunteer Long Service Medal and awarded on the recommendation of the Board of Trade, the Ministry of Shipping, Ministry of War Transport or Ministry of Transport, and now on the recommendation of the Minister of Transport.

Note 11. These Awards may be worn only when the Sovereign's permission has been given.

Note 12. If there are no medal ribbons, the Emblem is worn in the position in which a single ribbon would be worn.

Note 13. Instituted by King George VI to commemorate the constitutional change which resulted in the independence of India on 15th August, 1947.

Note 14. With the exception that in the presence of the President, Ruler or Head of State of the member country whose Government made the award, provided he is in that country, or on official occasions in that country as may be prescribed by the Government thereof, the following full-sized insignia of Orders, viz. Collars, Shoulder Ribands, Stars and Neck Badges, may be worn in front of all other awards; in either circumstance in the relative order of wear of the country whose Government made the award.

Medals awarded by Societies

10. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast similarly to those on the left and on the same horizontal line.

If the Stanhope Gold Medal is awarded to an Officer or man by the Royal Humane Society, it is to be worn in place of, and not in addition to, a silver medal previously granted.

Bar for Decorations, etc.

11. Orders worn on the breast, decorations and medals are to be worn on the left breast in one horizontal line, one inch below the point of the shoulder, suspended from a bar of which no part is to be seen, and commencing from the end furthest from the shoulder. On the ceremonial day coat the bar must not project beyond the centre of the coat, and when the Orders, decorations and medals cannot, on account of their number, be suspended from the bar so as to be fully seen, they are to overlap, the highest showing in full.

Ribands when Decorations, etc. are worn

12. When decorations, etc. are worn on the breast, ribands of the normal size medals (e.g., 1939-1945 War Medals and Naval General Service Medal) are to be of the following lengths:—

Full size	..	..	..	12-inch
Miniature	..	..	..	11-inch

When two or more decorations, etc. are worn, the length of ribands of those of other than normal size is to be adjusted so that the lower edges (or points of stars) of all are in line. Ribands of the lengths specified carry four clasps. If more than four clasps are worn, the length of the riband is to be regulated by there being half an inch of clear ribbon between the top edge of the riband and the highest clasp for full sized medals, and $\frac{3}{4}$ of an inch for miniatures, the remaining ribands being so regulated that the lower edges of the medals (or points of stars) are in line with the lower edge of the medal having the largest number of clasps.

Officers are to wear their medals loose, unless they have such a number as to necessitate overlapping, in which case they may at the option of the wearer be worn in the Court method. Miniatures may be worn either loose or in the Court method. In the Court method the ribands are mounted on a frame of which the lower edge is in line with the centre of the decorations and medals. Commencing from the lower edge of the frame each riband runs over the upper edge and down to the ring or clasp of the decoration or medal. The decorations and medals are stitched down to the ribands.

Ribbons when Decorations, etc., are not worn

13. When decorations, etc., are not worn, the lengths of the ribbons worn are to be half an inch and the width of ribbons of Orders is to be that of the ribbon of the Membership of the Order, or if there is no Membership class, that of the Companionship of the Order.

With blue uniform, the ribbons are to be sewn plain on the cloth of the uniform, without intervals. With white uniform, the ribbons are to be placed on a removable bar or bars. When the space is not sufficient to accommodate them in one row, they are not to be made to overlap, but are to be arranged in two or more rows placed the one immediately under the other, with an interval of $\frac{1}{4}$ inch intervening between the rows, except that for officers with more than three rows of medal ribbons, the interval between the rows may be reduced to $\frac{1}{8}$ inch, and it is optional for officers with more than five rows of medal ribbons to wear ribbons $\frac{3}{4}$ inch in length. The ribbons are to be arranged so that they are clearly visible.

Ribbons of Orders, decorations and medals, to wear which private permission has been given, are not to be sewn on the coat.

Miniatures of Orders, Decorations and Medals

14. Miniatures of Orders, decorations and medals are to be arranged on a bar in the same manner and order as the full-sized. Knights Grand Cross, Knights Grand Commanders, Knights Commanders, Companions and Commanders will wear on the bar, senior to all other decorations, etc., except the Victoria Cross and George Cross, the miniature badge of the Order or Orders to which they belong. Only one set of miniatures need be maintained. The miniature of Companionship or Commandership will not be removed when the riband or badge is worn by Knights Grand Cross, Knights Grand Commanders, Knights Commanders, etc. All miniatures are to be of the approved standard size, viz., one-half the size of the full-sized Order, decoration or medal.

With Ball Dress, Mess Dress, White Ball Dress and White Mess Dress, miniatures are to be worn on a bar on the lapel, extending over the lapel towards the shoulder if necessary. They are not to extend beyond the lapel on the inner side.

Miniature ribbons are similarly to be worn on a bar on the lapel of Mess Undress and White Mess Undress jackets, the lengths of the ribbons worn to be $\frac{1}{2}$ inch.

15. The arrangements for wearing Orders, decorations and medals with civilian dress are as set out below.

cord is looped up on the shorter or front cord, the front cord and short and long plaits fastened together, and where they are fastened together a small gold braid loop is fitted. The aiguillette is worn on the right shoulder, the arm being passed between the front or short plait and cord and the back or longer plait and cord.

The aiguillette is worn with all dresses on all occasions except that it need not be worn at sea or by Flag-Lieutenants and Secretaries when not in personal attendance. 41. DRESS OF CHAPLAINS

(1) Chaplains (except Chaplains, R.N., entered prior to the 3rd November, 1948) are to wear uniform as Naval Officers subject to the following modifications:—

- (a) No distinction marks of rank to be worn.

(2) Chaplains, R.N., entered prior to the 3rd November, 1948, retain the option of wearing the uniform shown above or ordinary clerical dress including a clerical collar and stock. The mess dress when uniform is not worn is to be clerical Court coat and trousers of black cloth. The wearing of knee breeches, silk stockings and buckle shoes is in abeyance.

(3) *Chaplains Serving with Royal Marines Field Units*.

Ribbons of Orders, decorations and medals may be worn on the left side of the scarf when officers wear Nos. 5 and 5W Dresses. The scarf may be worn after retirement by Chaplains who have retired on pension.

(5) Honorary Chaplains to the Queen wear a Red Cassock and a special Bronze Badge consisting of the Royal Cypher and Crown within an oval wreath. The Badge is worn in the conduct of Religious Services, on the left side of the scarf by Chaplains who wear the scarf, and on academic or ordinary clerical dress by other Chaplains. When an Honorary Chaplain to the Queen ceases to hold the appointment, he may continue to wear the Red Cassock and may wear the badge in miniature.

42. FLYING BADGES

(1) Naval flying badges are to be worn by entitled officers as soon as they have qualified as follows:—

(a) Naval Pilots: on successful completion of basic and applied flying courses, including the advanced section of the Royal Air Force standard syllabus for pilot training.

(b) Naval Observers: on successful completion of training at the Naval Observer and Air Signal School.

(2) The initial award of flying badges is on a provisional basis, and the badge will not be considered to have been fully earned until the holder has been appointed to and has actually undertaken productive duties in a qualified capacity in a front line, training or miscellaneous unit.

(3) When it has been acquired, the right to wear the Pilots' or Observers' badge may only be withdrawn at the discretion of the Admiralty, and the holder of the badge will normally continue wearing it after he has ceased to carry out flying duties.

(4) The flying badge is liable to be withdrawn if the holder has:—

(a) been removed permanently from flying duties for disciplinary or other reasons within his own control; or

(b) failed to undertake successfully productive flying duties as in paragraph 2.

(5) Observers who have qualified as Pilots will normally wear the Pilots' badge. Should an Officer so qualified become incapable of carrying out the duties

of a Pilot and be employed only on Observer duties he will wear the Observers' badge. The two badges are not to be worn concurrently.

(6) The appropriate Naval flying badge may also be worn, on production of evidence of the award, by any officer on the active or retired list who has at any time qualified as Pilot or Observer in the Royal Navy or in another Service, provided that the award of the badge has not been withdrawn at any time. Admiralty approval is, however, required in any case where the award was made in a foreign service. Flying badges other than the Naval Pilots' and Naval Observers' badges, as described below, are not to be worn on Naval uniform.

(7) The descriptions of the Naval flying badges worn by officers are as follows:—

Pilots' Badge.—Wings of gold embroidery, having in the centre a silver fowl anchor surrounded by a gold embroidered wreath and surmounted by a crown. Dimensions:—

Full size: length $2\frac{3}{4}$ inches, height $1\frac{1}{2}$ inches.
Miniature size: length 2 inches, height $\frac{3}{4}$ inch.

Observers' Badge.—Wings of gold embroidery having in the centre a silver fowl anchor surrounded by the letter "O" in silver rope and surmounted by a crown. Dimensions:—

Width at wing tips $1\frac{1}{2}$ inches; overall height to wing tips $1\frac{1}{2}$ inches; height of centre 1 inch.

(8) Pilots and Observers' badges are to be worn as follows:—

Blue Uniform.

The badge is to be sewn in the centre of the left sleeve $\frac{1}{2}$ inch above the circle in the uppermost row of distinction lace and in a corresponding position in the case of Midshipmen.

Working Dress.

The badge is to be worn above the left breast pocket of the blouse.

White Uniform.

The badge with a safety-pin attachment is to be worn $1\frac{1}{2}$ inches above the left breast pocket of the White Tunic. If medal ribbons are worn the badge is to be immediately above the top row of ribbons. With the White Mess Jacket, the Observers' badge or miniature Pilots' badge is to be pinned on the left lapel 1 inch below the point of the shoulder or, if medal ribbons are worn, immediately above the ribbons.

Khaki Uniform.

The badge is to be sewn or worn with a safety-pin attachment $1\frac{1}{2}$ inches above the left breast pocket of the khaki jacket or, if medal ribbons are worn, immediately above the top row of ribbons.

(9) Flying badges are not to be worn on tropical shirts, greatcoat, watch coat or raincoat.

43. PARACHUTE BADGE

(1) The parachutists' badge may be worn by officers who have either—

(a) successfully completed a basic parachute course at a recognized Royal Air Force parachute training school and subsequently been held on the strength of an airborne unit which required them to drop by parachute, or

(b) made a parachute jump in operations against the enemy;

provided they have not had the privilege of wearing the badge withdrawn for refusing to jump or being absent without good cause from a parade specifically ordered for parachute jumping.

(2) The badge to be worn by entitled officers is gold on blue, with silver parachute, as described in the Uniform Regulations for Naval Ratings. Other types of parachute badge are not to be worn on Naval

uniform. The badge is to be worn in the same manner and position as flying badges (see above). The dimensions of the miniature badge for wear on white mess jackets are: length 2 inches, height $\frac{1}{2}$ inch.

44. BRASSARDS FOR NAVAL PROVOST MARSHALS AND DEPUTY NAVAL PROVOST MARSHALS

To be worn on duty by Officers appointed as Naval Provost Marshals or Deputy Naval Provost Marshals. The brassard is to be worn on the right upper arm midway between the shoulder and the elbow. It consists of a length of blue cloth approximately 16 inches long and $3\frac{1}{2}$ inches deep embroidered in

yellow with the letters N.P.M. or D.N.P.M. (as appropriate) surmounted by a crown and laurel wreath, the whole backed with black twill material and secured by snap fasteners.

45. ARMLET FOR OFFICERS COMMANDING NAVAL DRAFTS

To be worn on duty by Officers appointed in command of Naval drafts. The armllet is to be worn on the right upper arm midway between the shoulder and elbow. It consists of a length of white satin drill printed in blue with the letters O.C.N.D. with an anchor in the centre and is secured by means of two elastic straps.

The half stripe for these officers is $\frac{1}{8}$ inch width, spaced $\frac{1}{8}$ inch from the full stripes.

* *Note*.—Officers in possession of uniform with the "R.N.R." or "R.N.V.R." buttons previously worn and Chaplains with scarves lettered "R.N.V.R." may if they wish continue to wear them until the next occasion of renewing the garments concerned.

Artificer			Branch badges will not be worn.

5. Flying Badges, Naval Aircrew.

Flying Badges for Pilots, Observers and Aircrew are worn on blue uniform (other than working dress) by C.P.O.s on the cuff of the left sleeve $\frac{1}{4}$ inch above the centre button, and by other ratings $1\frac{1}{2}$ inches from the end of the left sleeve of the jacket or jumper without cuffs. On jumpers with cuffs, they are to be worn $1\frac{3}{4}$ inches above the top of the left cuff. On blue serge working dress they are to be worn above the left breast pocket of the blouse. On white uniform they are to be worn $1\frac{1}{2}$ inches above the left breast pocket of the tunic and on the left cuff of jumpers in the same position as on blue jumpers. If medal ribbons are worn the badge is to be immediately above the top row of ribbons. Flying badges are not worn on tropical shirts.

The flying badges are as follows:—

Rating Pilots Wings, with fowl anchor surrounded by laurel wreath and surmounted by a crown, in the centre.

Rating Observers Wings, with fowl anchor surrounded by the letter "O" surmounted by a crown, in the centre.

Rating Aircrew Wings, with fowl anchor surrounded by a narrow coil of rope, in the centre. (Telegraphist Air Gunners.)

Ratings who have qualified as Pilots or Observers at any time during service with the Royal Navy, the Royal Air Force, or the Dominions Air Forces, may wear the Naval flying badge of a Rating Pilot or Rating Observer as appropriate, irrespective of the duties on which they are currently employed. The badge is to be worn in the same position as by serving Pilots and Aircrewmen.

The Aircrew badge may, however, be withdrawn, with Admiralty approval, if the holder has:—

(a) been removed permanently from flying duties for disciplinary or other reasons within his own control;

- (b) failed to complete his full qualifying aircrew training;
 (c) failed to undertake successfully productive flying duties.

6. Parachutist's Badge.—This badge which depicts a parachute with wings may be worn by ratings who during service with the Royal Navy or in other services:—

- (a) have successfully completed a basic parachute course at a recognised Royal Air Force Parachute Training School and have been subsequently held on the strength of an airborne unit which required them to drop by parachute, or
 (b) have made a parachute jump in operations against the enemy, and
 (c) have not had the privilege of wearing the badge withdrawn for refusing to jump or for being absent without good cause from a parade specifically ordered for parachute jumping.

The wearing of the badge by qualified ratings attached to an airborne unit which requires them to drop by parachute is compulsory; the wearing of the badge by other qualified ratings is optional. The badge is to be worn in the same position as flying badges.

7. Submarine Badge.—The wearing of this badge by qualified ratings serving, or who have served in submarines, is optional. The badge may be worn on blue and white uniform suits but is not to be worn on overcoats, action/working dress, overalls, tropical shirts or vests. When worn by C.P.O.s, it is to be $\frac{1}{2}$ inch above the centre button on the cuff of the left sleeve and by other ratings $1\frac{1}{2}$ inches from the lower end of the left sleeve of the jacket, tunic or jumper without cuffs. On jumpers with cuffs, it is to be worn $1\frac{1}{2}$ inches above the top of the left cuff.

The qualification for the badge is the successful completion of the oral examination conducted by the Ships Boards between 4 and 6 months after ratings join their first submarine. For ratings whose service in submarines began before the institution of this examination and who are still serving in submarines, permission to wear the badge is at the discretion of the Submarine Commanding Officer. Submarine ratings who have returned to General Service may apply through their Commanding Officer to Flag Officer, Submarines for permission to wear the badge.

Permission to wear the badge may be withdrawn with Flag Officer, Submarines' approval if the holder has:—

- (a) been removed from submarine service for disciplinary or other reasons within his own control, or
 (b) failed to complete his first five-year period of service in submarines.

The grant or withdrawal of permission to wear the submarine badge is to be recorded at the foot of page 3 of the rating's Service Certificate and the names and official numbers of ratings granted permission to wear the badge are to be reported to Flag Officer, Submarines.

8. Miscellaneous Badges.

Shallow Water Diver's Badge

Bugler's Badge

Ratings entitled to these badges are to wear them in a position $1\frac{1}{2}$ inches above the top of the right cuff of serge jumpers or from the end of the sleeve of jackets. The wearing of the Volunteer Bandsman's badge is optional. It is preferable that this badge, a metal lyre, should be mounted on a patch of appropriate material (serge or drill) for sewing on to the sleeve.

The material on which badges are embroidered or printed is to be cut as follows:—

For Chief Petty Officers.—To the shape of the collar.

For others.—As supplied through the victualling yards.

Badges are to be hemmed on with black thread on blue, white thread on white clothing.

SECTION VI

MEDALS AND MEDAL RIBBONS

1. Medals are to be worn whenever No. 1 or No. 6 dress is worn. Medal ribbons are to be worn with Nos. 2 and 7 dresses. The wearing of medal ribbons with other dresses is optional.

Note.—Until the general re-introduction of No. 1 dress becomes practicable, medals are to be worn on ceremonial occasions only by naval ratings on their best suits and on No. 6 dress.

2. *Medals* are to be worn on the left breast except as in (f) below on a removable bar (vide paragraph 5) which is to be placed immediately above the top row of medal ribbons stitched to blue uniform (vide paragraph 6). On white uniform (drill tunics and jumpers) the medal bar is to be 2 inches vertically below the point of shoulder. Medals are to be worn "obverse" outwards (i.e., with the head of the Sovereign showing) in the following order, commencing with the end farthest from the shoulder:—

- (a) British decorations in order of seniority (vide Uniform Regulations, Officers).
- (b) British medals as directed in Uniform Regulations, Officers, with war medals in order of date.
- (c) The long service and good conduct medals and the medal for good shooting.
- (d) Foreign decorations in order of date of award.
- (e) Foreign medals in order of date of award.
- (f) Medals awarded by a society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left and on the same horizontal line.

3. When the number of medals is more than 3 the medals are to overlap, the inner one being shown in full, the amount of overlap being governed by the number of medals worn and the length of the bar (vide paragraph 5).

4. (a) When Decorations and Medals are worn, ribbons of the normal size medals (e.g. 1939-45 War Medals, Naval General Service Medal and Long Service and Good Conduct Medal) are to be of the following lengths, measured from the medal bar to the top of the medal:—

- (i) If 1 row of medal ribbons is worn (vide paragraph 6)—1½ inches.
- (ii) If 2 or more rows of medal ribbons are worn—2 inches.
- (b) When 2 or more Decorations and Medals are worn, the length of ribbon of those of other than normal size is to be adjusted so that the lower edges (or points of Stars) of all are in line.
- (c) If the number of clasps requires the ribbon to be longer than (i) or (ii) it is to be regulated so that there is ½ inch of clear ribbon between the top edge of the ribbon and the highest clasp, other ribbons being adjusted so that the lower edges of medals (or points of Stars) are in line with the lower edge of the medal having the largest number of clasps.

Note 1.—When the length of the ribbons exceeds 1½ inches it is advisable for them to be stitched together low down.

Note 2.—When medals are worn the medal ribbons stitched to blue uniform are not to be visible and where necessary to ensure this they are to be covered by a small piece of serge attached to the medal bar.

5. Medals are to be worn on a removable bar which is to be provided at the expense of the wearer. The bar may be of any metal or material provided that the bar and buckle are wholly concealed by the ribbons. When worn on jackets (Class I and Class III

uniform) the bar is to be immediately above the top row of medal ribbons, the inner medals being worn over the lapel in order to be fully visible except when a rifle is carried when they will be worn under the lapel. The length of the bar is to be as follows:—

One or 2 medals—according to the nature of the decorations worn.

Three, 4 or 5 medals—3½-inch bar.

Six to 8 medals—5-inch bar (but not to exceed the distance between the shoulder seam of sleeve and the inner angle of the lapel when worn with Class I or III jacket).

Nine or more medals—6½-inch bar (but not to exceed the distance between the shoulder seam of sleeve and the inner angle of the lapel when worn with Class I or Class III jacket). Men of small build in Class II uniform on whom the 6½-inch bar overlaps the angle of the collar are to wear a 5½-inch bar.

A cloth attachment (see paragraph 6) with beackets should be sewn on No. 1 jackets and jumpers so the bar can be securely fastened. On jackets beackets to take the medal bar are to be placed on the cloth attachment immediately above the upper row of ribbons. On jumpers the cloth attachment should be 1 inch deep with beackets in the centre and sufficiently long to take the movable bar.

Beackets are to be worked directly on to white drill tunics and jumpers of No. 6 dress. The positioning and the number of beackets to be fitted will depend on the number of medals to be worn but the siting of the beackets is to be such that the top medal bar is 2 inches vertically below the point of shoulder.

6. *Medal ribbons* when worn alone with blue uniform jackets or jumpers are to be arranged so that they are clearly visible and are to conform to the following rules:—

- (a) Medal ribbons are to be worn on the left breast: The position of the upper edge of medal ribbons is to be as follows:—
Jackets: On a level with the point of lapel.
Jumpers: 4½ inches below the point of shoulder (measured over the front of the jumper).

When more than one row of ribbons is worn, the above applies to the top row.

- (b) No row is to contain a smaller number of ribbons than the row above; the top row may consist of 1 ribbon only.
- (c) Medal ribbons are to be ½ inch in length and there is to be an interval of ¼ inch between each row. The whole display is to be as symmetrical as possible about the vertical.
- (d) The ribbons in any one row are to be close together and are to be sewn to a cloth attachment which is to be stitched to the jacket or jumper. The size of the cloth attachment is to be such as to leave ½ inch above and below the ribbons and ¼ inch between the end of the row and the side of the cloth attachment.
- (e) In no case must the ribbons overlap.

7. On white uniform medal ribbons are to be worn on a removable bar or bars and are to conform with paragraph 6 (b) (c) and (e). The top bar is to be placed in the position indicated in paragraph 2 above for the medal bar.

The centre piece shows on the obverse crossed rifles and SMG. 3. *Fancy Dress Balls*.—Officers are not permitted to appear in their uniform at fancy dress balls. SECTION III

ORDERS, DECORATIONS AND MEDALS—MANNER OF WEARING

1. *Orders, decorations and medals* are to be worn in the manner laid down for Naval officers, except that:

- (a) the medal bar is to be positioned directly over any ribbons already stitched to the garment;
- (b) miniature medals are always to be worn by entitled officers on the lapel of the mess jacket $\frac{3}{4}$ inch below the Corps badge;
- (c) when Naval officers wear miniature medal ribbons Royal Marines officers are to wear miniature medals.

2. *Medal Ribbons*.—When medals are not worn, ribbons $\frac{3}{4}$ inch long are to be worn without intervals on the left breast pocket of blue uniform, khaki drill, blue battledress and khaki battledress.

Order of precedence of wearing is to be from right to left, starting with the top row. Normally, if the total number of ribbons does not exceed five, they are to be worn in one row, but in no case is the row to extend to the right further than the outer edge of the lapel or to the left further than $\frac{3}{4}$ inch from the shoulder seam. The row is to be sewn $\frac{1}{4}$ inch above the top seam of the left breast pocket, centrally above the pocket button. With khaki drill, the ribbons are to be worn on a metal bar or bars.

When more than five ribbons are worn or where the

space available does not permit five ribbons being worn in one row, any additional rows are to be worn above the first row, the lower row to be full. Rows of ribbons are to be $\frac{1}{4}$ inch apart, but this may be reduced if rendered necessary by the number of rows and the space available. The additional row (or rows) is to be sewn as nearly centrally above the pocket button as practicable, but it is in no case to extend beyond the ends of the bottom row.

3. *Neck Orders*.—In day dress an officer in possession of one badge is to wear it round the neck with the riband under the shirt collar and the badge over the tie. An officer in possession of badges of more than one Order is to wear the badge of the highest grade as described above, and the second is to be worn below the other, suspended from a riband emerging about $\frac{3}{4}$ inch below the top button of the jacket, the riband being fastened by a hook to a small eye stitched inside the jacket. In evening dress one neck order only is to be worn, over the collar, with the badge hanging as close as possible below the bow tie.

4. The maximum numbers of insignia of Orders, decorations and medals which may be worn in the several orders of dress are to be as laid down in the Tables of Dress for Naval officers.

PRIZES, TESTIMONIALS, &c.

(Until further notice silver-gilt medals will be substituted for gold medals)

THE CHARLES DARGAVILLE BALLARD PRIZE

This prize was founded in 1954 under the will of the late Captain G. N. Ballard, C.B.E., R.N., in memory of his son, Acting Paymaster Sub-Lieutenant Charles Dargaville Ballard, R.N., who was killed in action when H.M.S. "Manchester" was torpedoed by an aircraft on 23rd July, 1941, while escorting a Malta convoy south of Sardinia.

The interest on a sum of £1,000 invested in Government Stock will be used in accordance with the expressed wish of the testator, to provide a prize which will be awarded annually at the discretion of the Admiralty to the best all-round Acting Sub-Lieutenant, R.N. of the Supply Branch promoted from the Lower Deck on qualifying for confirmation in rank at the conclusion of training courses. In the event of there being 2 or more Officers of equal merit, the prize may be shared among them.

The prize consists of an article or articles (excluding clothing) selected by the successful officer(s) with the approval of the Director-General of Training: e.g., sword, binoculars, instruments or other appropriate equipment, or books designed to improve general knowledge or professional efficiency.

THE BEAUFORT TESTIMONIAL

The Beaufort Testimonial, which was founded in 1860 to commemorate the service of Rear-Admiral Sir Francis Beaufort, K.C.B., who filled the post of Hydrographer of the Navy from 1829 to 1855, consists of a prize of instruments or books of a professional character and of practical use to a Naval Officer.

It is bestowed annually on the Midshipman who passes the best examination in Navigation and Pilotage for the rank of Lieutenant in the Royal Navy. (See also under the Wharton Testimonial.)

THE GILBERT BLANE MEDAL

In 1830 Sir Gilbert Blane, Baronet, formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, a fund for the encouragement of Naval Medical Science, which is vested in the Corporation of the Royal College of Surgeons of London, in trust.

This fund is employed for the purpose of conferring a Gold Medal annually on the Medical Officer of the Royal Navy who, to a degree which is considered worthy of recognition, has brought about an advance in any branch of Medical Science in its application to Naval Service, or has contributed to an improvement in any matter affecting the health or living conditions of Naval personnel.

Consideration is given to achievement in research, in original articles and reports, criticisms and information which is brought to notice of meritorious work performed, or suggestions made, by Medical Officers within the scope of the Regulations governing the award of the Medal as stated above.

The Medal is awarded annually unless no Officer is considered to have qualified, in which event the Medal is held over until the following year or any subsequent year, when, if considered justifiable to do so, it is given as an additional award.

Medical Officers of all ranks are eligible for the award, and an Officer is not restricted to receiving the Medal on one occasion only during his career.

If the unawarded Medals exceed 4, their value is given to the Supplemental Fund for the children of Medical Officers.

CHADWICK NAVAL PRIZE

A Trust, called the Chadwick Trust, has been created by the will and codicil of Sir Edwin Chadwick, K.C.B., that once in every 5 years the Trustees may present the sum of £100 and a Gold Medal to be called the "Chadwick Naval or Military Prize," to such

Officer of the Naval or Military Medical Services as shall, during the preceding 5 years, have specially assisted in promoting the health of the men in the Navy or the Army, and shall be nominated for such presentation, in the case of a Naval Officer, by the Medical Director-General of the Navy.

THE HUGH CHEETHAM-HILL MEMORIAL TRUST FUND

This fund was established in 1958 by Dr. and Mrs. H. C. Hill, in memory of their son Lieutenant-Commander Hugh Cheetham-Hill, R.N., an officer of the Navigation and Direction Branch of the Royal Navy, who died on the 5th October, 1957.

A capital sum of £300 has been invested in Government Stock and the interest will be used to provide a prize to be known as the "Hugh Cheetham-Hill Prize" to be awarded annually on the recommendation of the Captain, H.M.S. "Dryad" to the officer of the Royal Navy who gains the highest marks in the examination on the Course for officers qualifying in Navigation.

The prize will consist of books or instruments relating to the science of navigation to be selected by the successful officer, subject to the discretion of the Captain, H.M.S. "Dryad".

THE JULIAN CORBETT PRIZE IN MODERN NAVAL HISTORY

A prize (founded by Mr. H. E. Corbett in memory of his brother, Sir Julian Corbett) at present of the value of £50, and known as the Julian Corbett Prize for research in modern naval history, will be awarded by the Senate of the University of London on the recommendation of the Institute of Historical Research Committee for work based on original (MS. or printed) materials for modern naval history.

The work shall take the form of either (a) a dissertation, (b) an edition of an original document or series of documents, or (c) a report on material at home or abroad, illustrating modern naval history.

The prize will be open for competition to an investigator who has been admitted to the use of the Institute of Historical Research, and has been working either (a) at the Institute, or (b) (in the case of a naval officer) under the advice (by way of correspondence) of the Committee for not less than a year preceding the date at which the candidate's work is submitted.

Intending candidates shall on or before 1st October in the year preceding that in which they intend to enter for the Prize, submit for the approval of the Institute of Historical Research Committee the subject of their proposed work; and no work shall be eligible for the Prize unless the subject has thus been approved by the Committee.

If at any competition no award is made, the Senate may, on the recommendation of the Institute of Historical Research Committee, add the amount of the award to the capital of the fund or apply it to any of the following purposes: increasing the value of the prize, awarding a second prize to a deserving candidate, providing for the expense of publishing works submitted, purchasing for the Institute books or equipment necessary for research in modern naval history, or any other means of encouraging research in that subject at the Institute.

If the successful work is published, it shall bear on the title-page the words "Awarded the Julian Corbett Prize for Research in Modern Naval History, University of London." Whether or not publication *in extenso* is practicable, a précis of the successful thesis shall be published in the *Bulletin* of the Institute. Publication will not, however, be permitted without the prior consent of the Admiralty. Further particulars may be obtained from the Secretary of the Institute of Historical Research, Senate House, London, W.C.1.

THE JOHN CROCKER MEMORIAL PRIZE FUND

The John Crocker Memorial Prize Fund, founded in 1936, was established from subscriptions by certain serving and retired Engineer Officers and Members of the Royal Corps of Naval Constructors, pupils of Mr. John Crocker during their period of training at the Royal Naval Engineering College, Keyham, as a permanent token of their regard for him.

The sum of approximately £287 is invested and held in trust by the United Services Trustee as Custodian Trustee, the Chief Naval Engineer Officer and Commanding Officer, Royal Naval Engineering College, Manadon acting as Joint Managing Trustees. The interest is employed to provide a prize to be awarded annually to the officer who achieves the highest marks in the Mechanical Drawing paper in the sixth term examinations of the Long Engineering Course. Officers of the Commonwealth Navies are eligible to receive this Prize.

The Joint Managing Trustees reserve the right to withhold the prize should, in their opinion, no drawing submitted attain a sufficiently high standard of merit.

CLARE D'OYLEY MEMORIAL PRIZE

This prize was instituted in 1942 by Vice-Admiral W. H. D'Oyly and his wife to perpetuate the memory of their son, Lieutenant (E) R. C. H. D'Oyly, R.N., who was killed in action in March, 1941. The prize will consist of a sum of £50 awarded annually to the officer who has shown the best all round officer-like qualities after eight terms of the Long Engineering Course at the R.N. Engineering College, Manadon. The prize may be split equally between two or three officers at the discretion of the Commanding Officer, according to the numbers in the Course.

Officers of the Commonwealth Navies studying at the College are equally eligible with R.N. officers for this prize.

THE EARDLEY-WILMOT PRIZE ESSAY COMPETITION

The Eardley-Wilmot Prize Essay Competition is organised every 5 years by the Royal United Service Institution and is open to members of the Institution or persons eligible to become members; all serving Officers may therefore compete.

The subject for the essay is a naval one, selected by the Royal Navy members of the Council of the Institution.

The next Competition is due in 1962 and full particulars will be published in the Institution Journal and in Admiralty Fleet Orders.

The Eardley-Wilmot Prize is a Gold Medal, or alternatively, a silver gilt medal and 18 guineas.

THE COMMANDER EGERTON PRIZE

This Prize was founded in 1901 in memory of Commander Frederick Greville Egerton, R.N., who was mortally wounded on the 2nd November, 1899, in the defence of Ladysmith, whilst acting in the execution of his duty.

The dividends arising from a sum of £500 given by the relatives and invested in Government securities will be employed in providing the prize, to be called "The Commander Egerton Prize," which will be awarded annually at the discretion of the Admiralty to the Officer who, when qualifying for Gunnery Lieutenant, passes the best examination in practical Gunnery. Officers of the Commonwealth Navies are eligible to receive this Prize.

ERROLL-ELDRIDGE FUND

This Fund was formed in June 1910 by a Trust Deed under bequests from Anne Louisa Russel Waldo-Sibthorp (in memory of her husband Commander George Harry Richard Erroll, R.N., who lost his life serving his country), and William Yates Eldridge, whereby the income from, or if required, the capital of £1500 was to be applied in carrying on at the Royal Naval Hospital at Haslar original medi-

cal research into matters affecting the health of the Navy, especially tuberculosis, and providing and maintaining plant and other requisites for that purpose.

2. Owing to changed circumstances the Fund was reconstituted in 1959 as the Erroll-Eldridge Fund to form a prize, the income being devoted to annual "Erroll-Eldridge Prizes" to be awarded to medical officers of the Royal Navy who have been nominated as having made a notable contribution to the improvement of the health of the personnel of the Royal Navy or research thereon.

3. If in any year no medical officer is nominated as one whose work is of sufficient merit to justify the award of a prize, the income will be re-invested, so enhancing the value of the prize(s) subsequently awarded.

4. Medical officers of all ranks are eligible for the prize; an officer is not restricted to receiving the prize on one occasion only during his career, nor precluded from receiving the prize in addition to the Gilbert Blane Gold Medal.

GOLD MEDAL AND TRENCH GASCOIGNE PRIZE ESSAY COMPETITION

The Gold Medal and Trench Gascoigne Prize Essay Competition is organised annually by the Royal United Service Institution and is open to members of the Institution or persons eligible to become members; all serving Officers may therefore compete.

The subject for the essay is selected each year by the Council of the Institution and is one that favours no particular branch of any Service.

Full particulars of the competition are published in the Institutional Journal each February and will be promulgated in Admiralty Fleet Orders. The closing date for each competition is 15th November. Essays are limited to 9,000 words exclusive of tables.

The Trench Gascoigne Prize of 30 guineas may be awarded to the writer of the essay placed first; further prizes may be awarded if the number and standard of the essays submitted justify them, but no award may be made in favour of any essay which does not attain a sufficient standard of excellence.

If the essay awarded the Trench Gascoigne Prize is considered by the Council to be of the requisite high standards, the writer will also be awarded the Gold Medal of the Institution.

GEDGE MEDAL AND PRIZE

The members of the Royal Naval Accountants' Dining Club have subscribed a sum of £260 to institute a prize to be competed for annually by Junior Supply Officers.

The award will take the form of a gold medal and a prize of books, the value of the latter being the sum remaining over from the annual interest after deducting the cost of the medal.

The medal will be known as the "Gedge Medal," in commemoration of Staff-Paymaster Joseph T. Gedge R.N., who was killed on 6th August, 1914, when H.M.S. "Amphion" was sunk by a mine, and who was the first British Officer of all the fighting services to be killed during the 1914-18 war. The family of this Officer have consented to the use of the name.

The medal and prize will be awarded annually at the end of the Christmas term to the Midshipman of the (S) specialisation who, during the preceding year, obtains most marks in all subjects in the passing out examinations at the Britannia Royal Naval College, Dartmouth. Officers granted permanent commissions from the Lower Deck are also eligible for the award. In the event of 2 or more Officers obtaining the same number of marks, the award will be made to the Officer who obtains the higher total of marks in the "Secretarial Pay Accounting and Cash Accounting" examinations combined.

Officers of the Commonwealth Navies who compete at the same examinations as Officers of the Royal Navy, will be eligible for the award.

THE GOODENOUGH MEDAL AND FUND

The Goodenough Fund—founded in memory of Captain James G. Goodenough, C.B., C.M.G., who died on 20th August, 1875, whilst serving as Commodore on the Australian Station, from wounds inflicted with poisoned arrows in an unprovoked attack by natives of Santa Cruz—consists of a sum of about £800. The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is awarded annually to the Midshipman, R.N. of the Seaman specialisation who obtains the highest mark each year in Gunnery in the passing-out examinations at the Britannia Royal Naval College, Dartmouth, provided he obtains 80 per cent or over of the total maximum marks in Seamanship, Service Marks, Boatwork, Communications and Navigation and Direction.

THE GEOFFREY GORE-BROWNE MIDSHIPMAN R.N. MEMORIAL SCHOLARSHIP

This scholarship founded under the terms of the will of the late Mrs. D. A. Gore-Browne in memory of her son Geoffrey Gore-Browne, Midshipman R.N. consists of a sum of £1,000 invested in Government securities to provide a scholarship each year from the dividends arising from this sum to the son of an officer of the Royal Navy who has taken a foreign language in the Dartmouth Passing Out Examination.

The scholarship will be awarded annually at the end of each Easter term to the Midshipman, thus qualified, who obtains at the first attempt the highest marks each year in the Passing Out Examinations as a whole at the Britannia Royal Naval College, Dartmouth, and who has shown interest, application and ability in the study of the foreign language of his choice.

The award consists of money to be spent on foreign travel and residence with the primary object of increasing the proficiency of the recipient in foreign languages: Recipients will need to satisfy the Admiralty that the money will be so spent. The scope of study abroad may be extended to cover the literature, history and customs of the foreign country concerned. records and will be taken into account on application to qualify for staff duties.

12. *Provision of books.* Apart from facilities afforded by the Command Reference Libraries, authority cannot be given for the provision at official expense of books recommended for study in prize competitions.

13. The total amount of the prizes which may be awarded in any year is limited to £150. The Admiralty reserve the power to withhold the award of any prize if essays of sufficient merit are not submitted, or to combine two prizes and divide them equally where essays are of equal merit.

ANNUAL EXAMINATION IN FOREIGN LANGUAGES

1. An examination in foreign languages will take place on the first Tuesday in December of each year, on the result of which the prizes and certificates mentioned below will be awarded.

The examination will be open to officers of all categories and of all ranks, including permanent W.R.N.S. officers. The only candidates eligible for the money prizes and medals will be as undermentioned; other officers will be eligible for certificates of merit only. Examinations will be held each year only in those languages for which officers eligible for prizes are candidates:—

Royal Navy. Officers of the rank or equivalent rank of Acting Sub-Lieutenant, Sub-Lieutenant and Lieutenant of not more than five years' seniority in that rank on the date of the examination.

Royal Marines. Second-Lieutenants and Lieutenants of not more than six years' seniority in that rank at the date of the examination.

Women's Royal Naval Service. Officers of the rank of Third Officer and Second Officer of not more than five years' seniority in that rank on the date of the examination.

An officer who entered in the first instance on a temporary basis, and is eligible for subsequent transfer to the permanent list, will be allowed to compete while still on the temporary list, provided that he declares when sending in his name for examination that:—

- (a) he intends to apply for transfer to the permanent list when the proper time arrives;
- (b) he undertakes to refund any money prize which may be awarded to him if he is not so transferred, whether his withdrawal is at his own request or otherwise.

2. The examination will be carried out by means of written papers, two question papers being set in each language. Paper I will be taken in the forenoon from 0900 to 1200, Paper II in the afternoon from 1330 to 1630. The papers will be sent out by the Admiralty; they will include questions in grammar, translation and composition.

3. No candidate may take more than one language on the same occasion.

4. No officer may compete in any language for which he has qualified as interpreter.

5. Officers may compete more than once, but any officer to whom a prize has been awarded in a previous competition will not be eligible for a prize of the same or lower value in the same language.

6. Candidates must intimate to the Director, Naval Education Service, Admiralty their intention to compete, six months beforehand, naming the language in which they desire to be examined. The corresponding examination papers for each candidate will be sent out in a separate sealed package addressed to the Captain of the Ship in which the candidate is serving, so that, if the candidate changes his ship before the examination takes place, the sealed package

containing his question papers can be transferred to his new ship. The sealed package is to be opened in the presence of the candidate at the time of the examination.

7. The examination is to take place under the continuous supervision of an officer senior to the candidates, and under conditions for which the Captain of the ship will be responsible. Candidates in any one fleet or squadron may, if convenient, be collected for the purpose of the examination. The worked papers of the candidates are to be forwarded without delay, addressed to the Secretary of the Admiralty, for the Director, Naval Education Service, together with a memorandum stating when the examination was held, and under whose supervision.

8. *Prizes.* The prizes offered for competition each year will be:—

In Russian. Three prizes of £40, £25 and £15 respectively. The winner of the first prize will also receive a medal.

In French. Three prizes of £30, £20 and £10 respectively. The winner of the first prize will also receive a medal.

In German. Three prizes of £30, £20 and £10 respectively. The winner of the first prize will also receive a medal.

In Italian. Two prizes of £30 and £20 respectively. The winner of the first prize will also receive a medal.

In Spanish. Two prizes of £30 and £20 respectively. The winner of the first prize will also receive a medal.

Other modern languages (e.g. Swedish, Danish, Dutch, Norwegian, Portuguese, Finnish, Polish and Serbo-Croat) may be offered if the approval of the Admiralty is obtained beforehand. Further prizes of £20 and £10 in any of these languages may be awarded if candidates of sufficient merit present themselves, provided the total amount awarded in prizes in any one year does not exceed £350.

Certificates will also be awarded to all candidates whose work shows real merit. The fact of an officer receiving a prize or certificate will be noted in his favour in the official records.

9. A certificate of merit obtained in these examinations, denoting as it does a much higher standard than that required to pass the preliminary test for Interpreter, gives exemption from this test. Candidates who do not qualify for a certificate of merit, but whose examination results are considered to justify exemption from the preliminary examination for Interpreter, will be given certificates to that effect.

10. The prizes will be normally awarded on the lines indicated in Paragraph 8, though the Admiralty reserve power to withhold the award of any prize where the candidates do not reach a sufficiently high standard, or to combine two prizes and divide them equally where candidates are reported as of equal standard, or to vary the amount of individual prizes, subject always to the overriding total limit of £350.

ROYAL NAVAL AND ROYAL MARINE SCHOLARSHIP SCHEME

(Including Reserved Cadetships, R.N.)

The Admiralty offers a limited number of Scholarships to suitable candidates aged about 16 who wish to make a career in the Royal Navy or the Royal Marines.

A place will be reserved at the Britannia Royal Naval College, Dartmouth, or the Officers' Training Wing, Royal Marines, Lympstone, for each Scholar who fulfils the conditions of these regulations, and his parents or guardians will, through this scheme, be enabled to keep their son/ward at school until he is old enough and qualified for entry as a cadet, at ages 17 to 19. There will also be a number of "Reserved Cadetships" available. (See paragraph 3 below.)

2. *Number of Scholarships.* Up to 72 Naval Scholarships and six Marine Scholarships a year, with financial assistance, may be awarded, all to commence in September.

3. *Reserved Cadetships, R.N.* The number of Scholarships available being limited, a number of places at Dartmouth will be reserved, in addition, for boys who are recommended by the Interview Board but who do not reach a sufficiently high standard to obtain a Scholarship. This will enable such boys to continue their studies to Advanced Level (or equivalent) in the knowledge that, provided they pass the necessary examinations and the final medical board, they will be accepted into the Navy. Normally, the same educational standards must be reached for Reserved Cadetships as for Naval Scholarships, but the former will carry no financial assistance. Boys who narrowly fail to reach the full educational standard, however, but have at least four passes at Ordinary level in the G.C.E., including two of the required subjects, may be considered for the award of Reserved Cadetships. This scheme does not apply to candidates for the Royal Marines.

4. *Eligibility.* The Scheme will be open to any boy undergoing full-time instruction at any school in the United Kingdom, the Isle of Man, the Channel Islands or a British Forces school overseas, which has facilities for educating him up to the standard of the

Advanced Level of the General Certificate of Education or its equivalent in Scotland or Northern Ireland.

5. *Qualifications.* Candidates must have attained the educational qualifications given in Appendix I before the September in which the awards are due to commence. They will be required to produce evidence of passes already gained.

Successful boys will undertake to remain at their existing schools and work to qualify educationally for entry into the Britannia Royal Naval College, Dartmouth, or the Officers' Training Wing, Royal Marines, Lympstone. (See Appendix I of each of (a) Cadet Entry into the General List of the Royal Navy, and (b) First Appointments in the Royal Marines, for brief guide to the required standards. Full details are contained in the Scholarship regulations.)

6. *Specialisation.*

(a) Candidates who wish to be considered for a Royal Naval Scholarship will be asked to state, in order of preference, the specialisations in which they are willing to serve. Successful boys will be informed before entry to Dartmouth of the specialisation in which they have gained a vacancy, and may alter their original choice during the tenure of their award. Every effort will be made to allot vacancies according to the order of preference of candidates.

(b) Those who wish to be considered for a Royal Marine Scholarship may enter for this service in addition to their candidature for a Royal Naval Scholarship, or may submit themselves as candidates for a Royal Marine Scholarship only.

The Admiralty reserves the right to allocate boys who have R.N. and R.M. in their choice to Service as required, and those accepted for the R.N. to specialisations as required.

7. *Age Limits and Closing Dates.* Candidates must be aged 15 years but not yet 17 years on 1st September in the year of the award. Dates for receipt of applications are as follows:—

Boy's age on 1st September in year of award *Last date for receipt of completed application forms*

16 years 4 months but not yet 17 years.	1st June in the previous year.
15 years 8 months but not yet 16 years 4 months	1st November in the previous year.
15 years but not yet 15 years 8 months.	1st February in the year of award.

Full details and application forms can be obtained from:—Officer Entry, Admiralty, Queen Anne's Mansions, St. James's Park, London, S.W.1.

The Admiralty intends that all boys should have at least one chance of obtaining a Scholarship, but is aware that the arrangements for grammar school entry in force in some districts may prevent some boys from obtaining the necessary academic qualifications in time to comply with these regulations. Such candidates should apply while still within the age limit, sending a certificate from their Headmaster that they are so restricted, and sympathetic consideration will be given to allowing them to qualify outside it.

8. Procedure for Application. Applications should be forwarded to the Secretary of the Admiralty (N.C.W. Scholarships), Queen Anne's Mansions, London, S.W.1, to reach there by the stated closing date. The Admiralty will consider only those applications which have been endorsed by a boy's Headmaster to show that he is prepared to support his application and to retain him at school after the award of a Scholarship or a Reserved Cadetship. It will not be possible to consider applications from boys outside the age limits, or applications received after the appropriate closing date.

9. Nationality. Candidates must be British subjects and the sons of British subjects at the time of an award.

10. Tenure of Scholarships and Reserved Cadetships. An award will not normally be held for more than two years, and is subject to satisfactory progress and conduct.

11. Procedure for Selection. Candidates will first be called for interview before a Preliminary Selection Board. Those candidates who are successful at this first Selection Board will later be called for a second interview before the Admiralty Interview Board, and will undergo tests of intelligence, aptitude and personality.

12. Travelling Expenses. Where travelling expenses above 7s. 6d. within the United Kingdom are incurred in connection with the interviews, second-class rail or bus fares in excess of this amount from a candidate's normal place of residence will be refunded. Board and lodging will be provided free of charge to candidates while attending the final Interview Board. The cost of other overnight accommodation (or a sleeping berth on a train or ship) including evening meal, bed and breakfast up to a maximum of 30s. for each night necessarily spent away from home, will be refunded, provided a receipted bill or voucher is produced for each night's stay.

13. Medical Examination. Candidates who reach a satisfactory standard at the final Interview Board will undergo a medical examination in London. Details of the medical standards required are given in Appendix II.

14. Award of Scholarships and Reserved Cadetships. The Admiralty will award Naval and Marine Scholarships up to the limit of the number available, and Reserved Cadetships to those boys of a sufficiently high standard, in accordance with the order of merit shown in the competition.

15. Financial Assistance for Scholars. A boy's parents or guardians are eligible for the refund of up to £130 per annum of his school tuition fees, and may also receive a maintenance grant of up to £100 a year if their net annual income is £1,700 or below.

16. Undertaking to enter Royal Navy or Royal Marines.—When a Scholarship or Reserved Cadetship is awarded an undertaking must be given by the parent or guardian that the candidate intends to remain at school for the required period and to do his best to qualify for entry as an officer into the Royal Navy or Royal Marines at about the age of 17 to 19. If a Scholar withdraws from this obligation, the parent or guardian will be required to refund to the Admiralty any instalments of a Scholarship paid in the interim.

17. Reciprocal Undertaking. In return for the undertaking described above, the Admiralty will reserve a place for each scholar and holder of a Reserved Cadetship at Dartmouth or Lympstone, subject to his satisfactory progress and behaviour, to his remaining medically fit (all boys will undergo a further medical examination before entry), and to his reaching the qualifying educational standard. Normally Scholars and holders of Reserved Cadetships will not be required to undergo a further interview, but this may sometimes be necessary where progress and behaviour is not fully satisfactory.

18. Lack of success in this competition will in no way militate against the chances of a boy who wishes to be considered for officer entry at the age of 17 to 19, or who wishes to join the Royal Navy or Royal Marines by any other method.

APPENDIX I

Brief Description of Educational Requirements for the Award of a Scholarship or a Reserved Cadetship. (Boys who are sitting qualifying examinations in the July before the September in which the awards are due may still be considered, since the results of such examinations will be obtained by the Admiralty before the awards are finally announced.)

1. Royal Naval Scholarships and Reserved Cadetships.

To qualify for the award of a Scholarship or Reserved Cadetship, a candidate must attain the following standard before the September in which the awards are due to commence:—

Passes in the General Certificate of Education examination (or its equivalent in Northern Ireland or Scotland) at the Ordinary Level in:—

English Language,
Mathematics,
Physics or Physics-with-Chemistry, and
two other subjects.

A boy who is not taking up to two of these subjects (other than English Language) at Ordinary Level because he is taking them at Advanced Level, may be accepted, provided he possesses three acceptable Ordinary Level passes (including English Language), and his Headmaster certifies that he is to offer the other two subjects at Advanced Level, within the tenure of the Scholarship or Reserved Cadetship, with reasonable hope of success.

Any other examination which, in the opinion of the Admiralty, is of equivalent or higher standard to those mentioned above, will be considered.

2. Royal Marine Scholarships.

To qualify for the award of a Scholarship a candidate must attain the following standard before the September in which the awards are due to commence:

Passes in the General Certificate of Education examination (or its equivalent in Northern Ireland or Scotland) at the Ordinary Level in:—

English Language,
Mathematics, and
three other subjects.

Any other examination which, in the opinion of the Admiralty, is of equivalent or higher standard to those mentioned above, will be considered.

APPENDIX II

Physical Requirements for Candidates

1. With a view to preventing candidates who may be physically unfit for Her Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy or Royal Marines, it is suggested that they undergo examination by a qualified medical practitioner to whom the list of defects below may be submitted for guidance.

2. It should be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and it is by no means intended to take the place of, or to influence in any way, the official examination. If the candidate decides to undergo a preliminary examination, the question whether he arranges for it to be carried out privately or under the National Health Scheme is one which rests entirely with the applicant and the medical practitioner concerned. Specialist reports concerning any defect from which the candidate might suffer will always be considered by the Admiralty Medical Board and (if any) they should accompany the candidate at the time of his medical examination.

3. Physical Defects which cause Rejection

- (1) Poor physique, imperfect development or skeletal deformity, either hereditary or acquired; obesity.
To be judged on their present or future effect on functional ability.
- (2) Skin disease, unless temporary or trivial. Scars which, by their extent or position cause or are likely to cause, disability or marked disfigurement. Diseases and deformity of the nails. Alopecia areata, if chronic.
- (3) Impaired intellect, epilepsy, paralysis of speech, stammer, neuro-psychiatric disorder or history thereof.
- (4) Impaired hearing; discharge from, or disease of, one or both ears; unhealed perforations of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.
- (5) Disease of the bones or cartilage of the nose, and nasal polypus. Diseases of the nasopharynx.
- (6) Disease of the throat, palate and tonsils; simple hypertrophy of the tonsils, if there is no history of recurrent attacks of tonsillitis, is not a cause for rejection.
- (7) Gross congenital defects of the jaws or gross defects due to accident or disease or gross oral sepsis.*
- (8) Tuberculous glands of the throat and neck. Enlargement of the thyroid gland, Hyperthyroidism. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding five years, and the chest is clinically and radiologically clear.
- (9) Pulmonary tuberculosis, unless there is clear evidence that the disease is arrested and has been inactive for the preceding five years. Chronic disease of the chest.
10. Functional or organic disease of the heart and blood vessels.
- (11) Allergic diseases, including asthma, hay fever

* Parents or guardians must arrange for dental defects in accepted candidates to be remedied before joining.

and eczema where these form, or are likely to form, a serious impediment to the efficient performance of duty. Migraine, if severe. If there is any history of asthma clear evidence must be produced that there has been complete freedom from an attack for the preceding five years.

- (12) Undue swelling or distention of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection.
- (13) Albuminuria; unless the first morning specimen is clear, and there is no clinical evidence (e.g. cardiac hypertrophy or raised blood pressure), or history which suggests impaired renal function.
- (14) Glycosuria; unless a satisfactory report of a sugar tolerance test is produced.
- (15) Hydrocele, or other serious defect or malformation of the genital organs. Incontinence or enuresis within the preceding five years. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.
- (16) Fistula or fissure of the anus; haemorrhoids or any disease of the bowels.
- (17) Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.
- (18) No person will be admitted into Her Majesty's Service unless he has been vaccinated during the three years preceding the date of his entry.
- (19) Deformity or any chronic disease of the eyes or eyelids.
- (20) Rheumatic fever—where there is a history of proven rheumatic fever or chorea, even in the absence of cardiac disease. A history of rheumatic fever should be regarded as proven if the attack was observed and confirmed by a medical practitioner.
- (21) Seasickness.
- (22) Royal Marine candidates must be at least 5 ft. 2 in. in height.

4. Visual Standards for Royal Naval Scholarships and Reserved Cadetships

Unaided distant vision 6/6, 6/12. Unaided near vision N5, N5. Any defect must be solely due to error of refraction. Refractive error limits (under homotropine):

- | | |
|--------------------|---|
| (a) Hypermetropia. | In the better eye 2.5 dioptries.
In the worse eye 3.0 dioptries. |
| (b) Astigmatism. | In the better eye 0.75 dioptries.
In the worse eye 1.0 dioptrie. |
| (c) Myopia. | No myopic element in any meridian is permissible. |

Fields of vision must be normal to confrontation test.

Muscle balance: Stereoscopic vision is required and squint will debar from entry.

The limits of heterophoria tested with Maddox rod at 6 metres are:

- | | |
|--------------------|---------------------|
| Eso- or Exo-phoria | — 6 prism dioptries |
| Hyperphoria | — 1 prism dioptrie |

Colour perception, standard ONE. This entails complete success on the Martin Lantern which is the only official test for entry.

A strictly limited number of awards for the Engineering (Mechanical and Electrical) or Supply and Secretariat Specialisations (see also para. 17 of the regulations) may be made to candidates with visual standards slightly lower than the above.

5. Visual Standards for Royal Marine Scholarships

Unaided distant vision 6/9, 6/9, correctable to 6/6, 6/6. Unaided near vision N5, N5. Any defect may be solely due to error of refraction. Refractive error limits (under Homatropine):

(a) Hypermetropia. 5.0 dioptres in either eye.

(b) Astigmatism. The difference between axes must not exceed 5.0 dioptres.

Fields of vision must be normal to confrontation test.

Muscle balance: Stereoscopic vision must be present; squint will debar from entry.

The limits of heterophoria tested with Maddox rod at 6 metres are:

Eso- or Exo-phoria — 6 prism dioptres.

Hyperphoria — 1 prism dioptre.

Colour perception, standard ONE. This entails complete success on the Martin Lantern.

ENTRY OF NAVAL CADETS FROM THE SOUTH AFRICAN TRAINING SHIP "GENERAL BOTHA"

Candidates recommended by the authorities of the South African Training Ship "General Botha" are required to qualify as shown in Section X for Commonwealth candidates, and the conditions of

entry as shown in the Cadet Entry Regulations will generally apply.

The Commander in Chief, South Atlantic and South America will be responsible for the interview and medical examination of candidates.

CADET ENTRY INTO THE GENERAL LIST OF THE ROYAL NAVY SEAMAN, SUPPLY AND SECRETARIAT, AND ENGINEERING (MECHANICAL AND ELECTRICAL) SPECIALISATIONS

(The Admiralty reserves the right to amend these regulations, but as much notice as possible will be given of any alterations.)

I. AWARD OF CADETSHIPS

1. Cadetships in the General List of the Royal Navy will be awarded each September to candidates who have gained certain educational qualifications and been successful in passing the Admiralty's medical examination and selection procedure.

2. The educational qualifications required for the different specialisations are shown in the entry regulations and are briefly given in Appendix I.

3. All eligible candidates will be called to attend the Admiralty Interview Board to assess their suitability for Cadetships. Interviews will take place according to dates of births and the date by which applications are received. The Board is under the presidency of a Flag Officer and consists of four civilian members (a personal representative of the First Lord, a Chief Education Officer, a Headmaster and a Psychologist) and four Naval Officers. Its assessment takes into account candidates' academic attainments, reports received from Headmasters, and the tests of intelligence, aptitude and personality which the Board itself conducts. Unsuccessful candidates who are still eligible by age may apply for a second interview for entry in the following year.

II. NATIONALITY

4. Candidates must be British subjects and the sons of British subjects at the time of entry into the Britannia Royal Naval College.

5. Candidates possessing a foreign as well as a British nationality may be regarded as ineligible to hold commissioned rank in the Royal Navy.

6. The burden of clear proof of the nationality of the candidates rests upon their parents or guardians who, if they are in any doubt, are advised to seek, in good time, an Admiralty decision on eligibility.

III. AGE LIMITS

7. Candidates must be 17 but under 19 years of age on the 1st September of the year of entry. The Admiralty is aware, however, that the arrangements for grammar school entry in force in some districts

may prevent some boys from obtaining the necessary academic qualifications in time to comply with these regulations. Such a candidate should apply while still within the age limit, enclosing a certificate from his Headmaster that he is so restricted, and sympathetic consideration will be given to allowing them to qualify outside it.

IV. APPLICATIONS AND INTERVIEW

8. Copies of the Cadet Entry Regulations and forms of application for admission to the competition will be sent on request by letter addressed to:

Officer Entry Section,
Admiralty,
Queen Anne's Mansions,
London, S.W.1.

The form must be completed in the candidate's own handwriting and returned to:

The Secretary of the Admiralty,
N.C.W. Branch (Cadet Section)
(address as above).

9. A Registrar's copy of the candidate's birth certificate (or, if one cannot be obtained, other documentary evidence, including a statutory declaration made by one of his parents or guardians before a magistrate, giving the exact date of his birth) must accompany the completed application form. Certificates of registry of birth or of baptism are not in themselves accepted as evidence of date of birth. Candidates should also forward with the application form their General Certificate(s) of Education or certificate(s) of equivalent standard.

10. Any candidate who has applied and has not received an acknowledgement of his application within seven complete days should write at once to the Secretary of the Admiralty, N.C.W. Branch (Cadet Section). Failure to do so may deprive the candidate of any claim to consideration on the grounds of loss or delay in the post.

V. PHYSICAL STANDARD

11. Candidates who receive a sufficiently high assessment from the Admiralty Interview Board are called for a medical examination by a Naval Medical Board as soon as possible thereafter and before the full results of the competition are available. The fact

that a candidate has been called for medical examination must not, therefore, be taken as implying final success in the competition.

Sometimes it may be necessary to hold the medical examinations before attendance at the Interview Board.

Candidates will be passed by the medical board only if found to comply with the physical and visual standards of the Royal Navy. (See Appendix II.)

The parent or guardian of a candidate who is rejected on medical grounds will be informed as soon as possible.

12. A Medical Board of Appeal will be available to consider appeals by parents and guardians of candidates rejected by the Naval Medical Board. This appeal board will consist of the Medical Director-General of the Navy and the Civil Consultant to the Navy according to the nature of the disqualification(s). The date by which appeals must be made by a parent or guardian will be stated in the letter notifying the candidate's rejection. The appeal must be forwarded to the Secretary of the Admiralty, N.C.W. (Cadets), Queen Anne's Mansions, St. James's Park, London, S.W.1, and be accompanied by a cheque or crossed postal order for one guinea, payable to the Director of Navy Accounts; if the appeal is successful the guinea will be refunded. Travelling expenses will not be paid for attendance at Appeal Boards.

VI. TRAVELLING AND OTHER EXPENSES

13. Second class rail or bus fares over 7s. 6d. incurred in travelling in connection with this competition from the candidate's normal place of residence in the United Kingdom will be refunded. (During the school term, the normal place of residence may be taken to mean a boarding school which the candidate attends.) Lodging and food will be provided free of charge to candidates while at the Admiralty Interview Board at Gosport.

14. Candidates who have to travel long distances to reach the Admiralty Interview Board and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meal, bed and breakfast up to a maximum of 30s. for each night *necessarily* spent away from home. A claim for this refund must be supported by a receipted bill or voucher for each night's accommodation. Apart from this, expenses on accommodation and meals cannot be refunded.

VII. CANDIDATURE FOR ROYAL MARINES

15. Regulations about First Appointments in the Royal Marines may be obtained on application to the Officer Entry Section, Admiralty, Queen Anne's Mansions, St. James's Park, London, S.W.1.

16. Candidates who also wish to apply for appointment in the Royal Marines may, if they fulfil all the necessary conditions, be considered for both services at the same interview.

VIII. CONDITIONS OF ENTRY AND WITHDRAWAL

17. Owing to the period of waiting which may follow the notification of results, parents of successful candidates are urged to allow their sons to remain at school or to continue suitable studies elsewhere until the time of entry, since this will materially assist them at Dartmouth.

18. Candidates must be unmarried and are not permitted to marry whilst serving as Cadets.

19. Before entry as a Cadet, a certificate to the effect that the candidate is able to swim 50 yards must be provided by the school or other responsible authority.

20. Successful candidates will enter the Royal Navy for service in one of the following specialisations of the General List:

Seaman
Engineering (Mechanical and Electrical)
Supply and Secretariat

21. Candidates will have the opportunity of stating, before entry, in order of preference, the specialisations in which they are willing to serve. Forms will be provided for this purpose. Every effort will be made to allot vacancies according to the order of preference of candidates. The Admiralty will consider sympathetically any application to change specialisation during an officer's first two years in the Royal Navy; but a change would have to be in the interests of the Service and supported by good reasons. Officers of the Engineering Specialisation may state on arrival at Manadon whether they prefer to study Mechanical or Electrical Engineering during their academic training, and as much account as possible will be taken of their preference. The parent or guardian must undertake on behalf of the candidate that he will be prepared to serve in any capacity in the specialisation which he enters.

22. It must be clearly understood that the whole period of training up to confirmation in the rank of Sub-Lieutenant is one of probation, and the Admiralty reserve the right to require the withdrawal of a Cadet, Midshipman or Acting Sub-Lieutenant if, in their opinion:

- he fails to reach a satisfactory standard in training, or
- his conduct is unsatisfactory, or
- he does not display the qualities required of a Naval Officer.

23. If, for any reason, the parent or guardian wishes to withdraw his son or ward during service as Cadet, Midshipman or Acting Sub-Lieutenant, and if such withdrawal is permitted, the parent or guardian will be required to make a payment to the Admiralty of £90 each term which he has attended during the 1st and 3rd years, as a contribution towards the cost of his training and maintenance; a reduction in the amount of this payment may be considered by the Admiralty in accordance with the financial circumstances of the parent or guardian, but the decision of the Admiralty will be final.

IX. UNIFORM, ETC.

24. The Admiralty will provide the Cadet with all the articles of kit required on entry.

25. In the event of compulsory termination of appointment within twelve months of entry, the Admiralty will require the return of the principal articles of uniform and equipment. A charge will be raised against the officer, or the parent or guardian, for any specified article not returned.

26. Officers resigning voluntarily are required to refund the cost of the outfit issued to them on entry as cadets and on completion of cadet training on the following scale:—

After 2 years' service	Nil
After 1 year's service but under 2 years	One-half
Under 1 year's service	In full

27. The Cadet will be eligible without charge for medical and dental treatment while under training and, while on leave, for medical treatment from the local Admiralty Surgeon and Agent. The repayment of expenses incurred through consulting a civil medical practitioner will be considered by the Admiralty if an Admiralty Surgeon and Agent is not available, or under other exceptional circumstances.

X. APPLICATIONS FROM COMMONWEALTH COUNTRIES

28. The Governments of Commonwealth countries are allowed to nominate for appointment to Cadetships, specially recommended candidates belonging to families resident in those Commonwealth countries. Such candidates must actually reside and receive their education in the Commonwealth country.

29. Candidates must gain equivalent educational qualifications to those shown in Appendix I for U.K. candidates. These can be achieved, for example, by obtaining passes in the London Overseas G.C.E. examinations, or credits in the Cambridge Overseas

School Certificate (in place of the G.C.E. ordinary level) and passes at principal standard in the Cambridge Overseas Higher School Certificate (for the G.C.E. advanced level). Passes in certain Commonwealth Matriculation and School Leaving Certificate examinations are acceptable in place of G.C.E. ordinary level passes.

30. Candidates will have to sit the overseas examinations in the winter months for entry in the following Autumn and enquiries should be made from local Universities or Education Authorities at least 6 months before the examination date. Nominations should be forwarded to the Admiralty through the appropriate channels when arrangements have been made to sit the final examinations.

31. An extension of 12 months on the upper age limit shown in paragraph 7 will be allowed for Commonwealth candidates as they will normally be unable to take the summer G.C.E. examinations for entry in the same year.

32. Candidates will also be required to pass a Naval Interview Board and medical examination (the physical standards are shown in Appendix II) conducted in their own country, and attain a standard not below that of the lowest successful United Kingdom candidate in the competition as a whole.

33. Enquiries should in the first place be addressed to the Government of the Commonwealth country concerned, or to the nearest Naval Authorities.

XI. TRAINING

34. Successful candidates will be appointed for a year to the Britannia Royal Naval College, Dartmouth, as Naval Cadets. All Cadets will undergo the same course comprising a short period of basic training in the ways of the Navy, followed by an introduction to the professional knowledge required by all officers. This will be given in the College and the Dartmouth Training Squadron, and will include a three months' cruise.

35. Cadets will be promoted to Midshipmen on the 1st September following satisfactory completion of their first year's training at Dartmouth and appointed to Ships of the Fleet. They will all undergo the same training and will be required to obtain a Certificate of Competence. Towards the end of this year, they will all undergo the Midshipmen's Examination, the results of which will count towards their eventual seniority as Lieutenant.

36. Midshipmen will be promoted to Acting Sub-Lieutenant on 1st September after their year in the Fleet provided they have obtained a Certificate of Competence and passed the Midshipmen's Examination. The Seamen and Supply Specialists will return to Dartmouth. The Engineering specialists will go to the Royal Naval Engineering College at Manadon, Plymouth, or to Cambridge University.

37. *Seaman Specialists* will then do a year of academic study with special attention to Mathematics and Physics. In their fourth and final year, they will be given courses ashore and in training-ships covering all professional subjects. Examinations will be held at the end of the third and fourth years, the results of which will also count towards their eventual seniority as Lieutenant. They will then return to the Fleet to gain their Watchkeeping Certificates.

38. *Engineering Specialists* (Mechanical and Electrical). All officers selected for this specialisation will spend three years reaching the necessary academic standard to enable them to qualify for graduate membership of the Institutions of Mechanical or Electrical Engineers. Those eligible will read for the external Bachelor of Science (Engineering) degree of London University, while a small number of officers of high academic ability, who have passed the Qualifying Examination for the Mechanical Sciences Tripos of Cambridge University before entry into the Navy, will be selected to read for the Mechanical Sciences Tripos of that university. Those officers who have not qualified to begin the London University degree course, and who are not selected for Cambridge, will spend this period undergoing courses approved by and leading to corporate membership of the professional institutions (Institution of Elec-

trical Engineers or Institution of Mechanical Engineers), or may, at Admiralty discretion, spend an additional year obtaining the qualifications required for the degree course. On completion of the academic period, officers will undergo application training on naval equipment. The results obtained on the degree or institution courses will also count towards their eventual seniority as Lieutenant.

39. *Supply and Secretariat Specialists*. During the third year of their training, these officers will undergo an academic course similar to that for Seamen specialists. In their fourth year, they will be given a short course on Naval Equipment and weapons, and will be trained in Supply duties. Examinations will be held at the end of the third year and again after the professional training in the fourth year, the results of which will also count towards their eventual seniority as Lieutenant. They will then be appointed for duty in the Fleet. Supply specialists whose eyesight is of the required standard will have an opportunity to obtain Bridge Watchkeeping Certificates as an additional qualification, though this is not essential for their future careers.

APPENDIX I

ACADEMIC REQUIREMENTS

Particulars of the educational requirements are set out in detail in Appendix I of the Cadet entry regulations copies of which can be obtained from the Officer Entry Section, Admiralty, Queen Anne's Mansions, St. James' Park, London, S.W.1.

The requirements are very briefly as follows:—

Seaman and Supply and Secretariat Specialisations

Five passes in the General Certificate of Education examination, including English Language, Mathematics, and Physics or Physics-with-Chemistry. Two of the five passes must be at "A" level.

Engineering (Mechanical and Electrical) Specialisation

Five passes in G.C.E., including English Language and Chemistry at "O" level, and Mathematics and Physics at "A" level. The "A" level Mathematics must cover Mathematics both Pure and Applied, and it is desirable (but not obligatory) that they be taken as two separate subjects or as a double subject.

Officers of the Engineering specialisation will in general have the opportunity of reading for an external degree in engineering from London University. A limited number, of high academic ability, will be selected to undertake a three-year course at Cambridge University. Those wishing to be considered by the Admiralty for such selection must pass the qualifying examination for the Mechanical Sciences Tripos (M.S.Q.E.) before entry into the Navy. This examination takes place in March, June and September. When the September examination occurs after the beginning of the Britannia Royal Naval College term, officers may be granted leave to take it. Preparation must, however, be completed before joining Dartmouth as instructional time and facilities cannot be given for this. Candidates are warned that, should they choose to sit this examination through Downing College, they will also be required to pass the college entrance examination. This must also be taken before entry into the Navy. Other colleges either waive their entrance examination for Naval candidates (provided they obtain sufficiently high marks in the M.S.Q.E.), or insist only on a general paper and/or essay. These may be taken from Dartmouth after entry. Success in the M.S.Q.E. does not in itself mean that a college will be prepared to offer a candidate a place, nor that the Admiralty will necessarily consider him suitable for training at Cambridge.

APPENDIX III NOTES ON PAY

1. A Dartmouth Cadet receives pay at the rate of 12s. 6d. a day. On promotion to Midshipman at the end of his first year he receives 23s. a day. These rates are subject to small deductions for recreational purposes and (in the case of Midshipmen) messing contributions.

2. Officers in the Royal Navy are not encouraged to cultivate expensive tastes; this is borne out by the stringent regulations as to messing charges, the maximum for which is 1s. 6d. a day for Cadets and 2s. a day for Midshipmen and Ward Room Officers.

3. On promotion to Acting Sub-Lieutenant (pay 28s. a day), an officer receives a money grant which, with free issues of clothing, covers the cost of the extra uniform then required. The grant for an Officer under the age of 21 years may be paid direct to the parent or guardian, if application is made before he is promoted. Officers resigning within three years of receiving this clothing may be required to refund all or a proportion of the cash grant and the value of the free issues.

4. According to age of entry and results achieved in his passing out examinations a Cadet will reach the rank of Lieutenant between the ages of approximately 21½ years and 24 years.

5. Full rates of pay and allowances are shown at the beginning of this Appendix to the Navy List.

COMMISSIONS ON THE GENERAL LIST OF THE ROYAL NAVY IN THE ENGINEERING (MECHANICAL AND ELECTRICAL) SPECIALISATION—POST GRADUATE ENTRY

1. Entries will be made once a year (in September).
2. *Academic Qualifications.* Candidates should possess Degrees in Mechanical or Electrical Engineering (or Science Degrees with suitable engineering subjects) of a recognised University, or degree equivalents. Before a candidate is accepted he should also, wherever possible, have six months' works experience, including that gained in University vacations. Candidates whose academic qualifications have not been determined by the date of forwarding Lists by the University authorities (see paragraph 6) may be recommended provisionally subject to confirmation of their qualifications later.

3. *Age Limits.* Candidates must not have attained the age of 25 years on 1st July for appointment in the following September. An extension of the age limit may be allowed at Admiralty discretion to candidates who have already served a period of engagement in one of the three Services.

4. *Nationality.* All candidates must be British subjects and the sons of persons who are British subjects at the time of candidates' entry.

5. *Applications.* Graduates should apply on the forms obtainable from the Secretary of the Admiralty (N.C.W. Branch). Applications should be forwarded to reach the Admiralty not later than 15th June. Students in their final year at the University should apply through the appointments authority of their University. Applications must be submitted by 15th April of the year of entry. Lists of candidates will then be forwarded to the Admiralty from the Universities.

6. *Interview.* Suitable candidates will appear before a Selection Board convened at H.M.S. "Sultan", Gosport, Hants., in July or August of each year. Where a candidate's aggregate travelling expenses from his normal place of residence within the United Kingdom (second class railway fares or bus fares) incurred in connection with his interview and medical examination exceed 7s. 6d., the full cost will be met by the Admiralty, but where they are 7s. 6d. or less, the candidate himself will be required to bear the cost.

7. *Commonwealth Countries.* Candidates from Commonwealth countries will appear before interview and medical boards convened locally.

8. *Training.* Successful candidates will be entered as Acting Sub-Lieutenants. After short introductory courses they will be appointed for sea training for a period of about a year. A certificate of competency, which is required by all General List officers, will be awarded on satisfactory completion of sea training, when officers will return ashore for professional application courses lasting 12-18 months. Courses for officers of the Electrical sub-specialisation will include several months of industrial training with a civilian firm. Failure to achieve satisfactory progress in the above courses will involve a delay in promotion, a loss of seniority, or discharge from the Service.

9. *Promotion.* Officers will be confirmed in the rank of Sub-Lieutenant after 10 months and promoted Acting Lieutenants 18 months after entering the Royal Navy. Confirmation in this rank will follow on the satisfactory completion of training; seniority being assessed in accordance with regulations applicable to Cadet Entered Officers, i.e. adjusted according to their degree. A further antedating of seniority of up to 2½ years may be awarded to those who have already held suitable posts in industry since graduation.

10. After promotion to Lieutenant, officers will be subject to the same regulations as those entered as Cadets. They will be promoted to Lieutenant Commander on attaining eight years' seniority as Lieutenant; advancement to Commander and higher ranks will be by selection, in competition with other General List Officers.

11. *Uniform.*—Before joining, successful candidates will be required to provide themselves with a minimum of uniform, details of which will be supplied.

A cash grant towards the provision of this is payable in addition to a free issue of certain articles of clothing, subject to certain conditions of refund in the event of an officer failing to serve for certain prescribed periods from date of entry. Grants on this scale are not payable to officers who have already received a gratuity in respect of a previous period of Naval Service as an officer. Such officers may receive modified grants which will depend upon the length of break in service.

12. *Pay.* Rates of pay and allowances are shown at the beginning of this Appendix to the Navy List. Ante-dates in seniority will count towards increments in pay and for promotion, but the time so gained will not count for retired pay or for other financial purposes. Ante-dates will not carry back pay on the scale for the higher rank.

13. *Retirement.* Officers will be compulsorily retired on reaching the following ages:—

Lieutenant-Commander ..	50
Commander	53
Captain	55

Officers may be permitted to retire voluntarily at Admiralty discretion after reaching 40 years of age.

PHYSICAL REQUIREMENTS

The standard of physical fitness required and particulars of defects which cause rejection are as shown under the Royal Naval Scholarship Scheme.

VISUAL STANDARDS

ENGINEERING (MECHANICAL)

<i>Distant Vision</i>	<i>Near Vision</i>	<i>Remarks</i>
6/12 binocularly.	N6	Manifest hypermetropia
Worse eye not less than 6/24.	Times	present in each eye (without mydriatic)
With glasses	Roman	should not exceed 5.0 dioptries. Hypermetropic astigmatism is not to exceed 5.0 dioptries in the meridian of greater error. Fields of vision are to be normal to confrontation tests.
6/6 6/12 at least.		

Notwithstanding these standards a candidate who presents himself for examination wearing contact lenses, may be accepted for entry provided:—

- (i) unaided vision is 6/18 6/36 at least;
- (ii) vision corrects to 6/6 6/12;
- (iii) he has acquired full tolerance to the use of the lenses;
- (iv) the lenses are not microcorneal;
- (v) he is visually fit in all other respects except for visual acuity and myopia.

ENGINEERING (ELECTRICAL)

<i>Distant Vision</i>	<i>Near Vision</i>	<i>Remarks</i>
Less than 6/60 in each eye.	N6	Manifest hypermetropia or myopia not to exceed 7.0 dioptries under homatropine. Hypermetropic or myopic astigmatism not to exceed 7.0 dioptries in the meridian of greater error under homatropine. Fields of vision to be normal to confrontation tests.
With glasses at least 6/6 6/24 or 6/12 6/12	Roman with glasses	

Defects of colour vision do not necessarily disqualify but the minimum standard acceptable is Standard III. This standard of colour perception entails, in general terms, success in a modified Martin Lantern Test, using a single large aperture at a distance of five feet. Sufficient colours should be shown to ensure that the candidates recognise the red, green and white lights without guessing.

REGULATIONS FOR FIRST APPOINTMENTS IN THE ROYAL MARINES

(NOTE.—The Admiralty reserves the right to amend these regulations, but as much notice as possible will be given of any alterations.)

I. AWARD OF FIRST APPOINTMENTS

1. Competitive examinations for appointments as Second Lieutenant in the Royal Marines are held in May and October each year. These examinations are the Army and Royal Marines Examinations, the written part of which is conducted by the Civil Service Commission. (The Preliminary educational requirements and the subjects of examination are given in Appendix I.)

2. Candidates may compete for appointment to Sandhurst at the same examination. If eligible by age candidates may make four attempts at the Civil Service Commissioners' written examination, but may not appear before the Admiralty Interview Board as Royal Marines candidates on more than two occasions.

3. Candidates may be granted exemption from the written examination if they possess certain educational qualifications; these are also given in Appendix I.

4. A description of the procedure for second attempts is given in Section VII.

5. Candidates who satisfy the educational requirements are called before the Admiralty Interview Board which assesses their suitability for a First Appointment in the Royal Marines. The Board, which has a Flag Officer as President, includes Royal Marine Officers, Naval Officers, a personal representative of the First Lord of the Admiralty and a representative of the Admiralty's Senior Psychologist, a Chief Education Officer and a Headmaster. Its assessment takes into account candidates' academic attainments, reports received from headmasters and the tests of intelligence, aptitude and personality which the Board itself conducts. Appointments will be made by the Admiralty, up to the number of vacancies available in accordance with the order of merit determined by the Interview Board.

6. Successful candidates will be entered as follows:—

<i>Date of Examination or Exemption</i>	<i>Date of Entry</i>
May	Following November
October	Following May

II. AGE LIMITS

7. The age limits for entry in 1962 are as follows:—

<i>Date of Birth</i>	<i>Examination</i>
2.1.43—1.11.44	October 1961
2.5.43—1.5.45	May 1962

8. Every candidate will be required to forward an extract from the Register recording his birth, or, if this cannot be obtained, other documentary evidence, accompanied by a statutory declaration made by one of his parents or guardians before a magistrate, giving the date of his birth. Certificates of registry of birth or of baptism are not in themselves accepted as evidence of the date of birth.

III. NATIONALITY

9. Candidates must be British subjects and the sons of British subjects at the time of the candidate's entry. Proof of the nationality of the candidates rests upon their parents or guardians, who, if they are in any doubt, should, in good time, seek the opinion of the Admiralty.

10. Candidates possessing a foreign, as well as British nationality, may be regarded as ineligible for entry into the commissioned ranks of the Royal Marines. Parents or guardians of candidates possessing dual nationality are therefore advised to seek, in good time, an Admiralty decision on eligibility.

IV. PHYSICAL STANDARD

11. Candidates who receive a sufficiently high assessment from the Admiralty Interview Board are

called for a medical examination by a naval medical board as soon as possible afterwards and before the full results of the competition are available. The fact that a candidate has been so called must not, therefore, be taken as implying final success in the competition. *It is important that candidates should have been thoroughly examined by their own doctor before they take the written examination: much time is lost and disappointment caused by the discovery at the naval medical examination of defects which would have been revealed by a preliminary examination and remedied in time.* Similarly, candidates claiming exemption from the written examination should be thoroughly examined by their own doctor before they send their applications to the Admiralty. *If the candidate decides to undergo a preliminary examination, the question whether he arranges for it to be carried out privately or under the National Health Scheme is one which rests entirely with the applicant and the medical practitioner concerned.* Candidates will be passed by the medical board only if found to comply with the physical and visual standards of the Royal Marines (see Appendix II).

12. Candidates who are successful in the medical examination will not be specially notified of this by the Admiralty, but the parent or guardian of a candidate who is rejected on medical grounds will be informed as soon as possible.

13. A medical board of appeal is available to consider appeals by parents or guardians of candidates rejected by the naval medical board. This appeal board will consist of the Medical Director-General of the Navy and the Civil Consultant to the Navy, according to the nature of the disqualification(s). The date by which appeals must be made by a parent or guardian will be stated in the letter notifying the candidate's rejection. The appeal must be forwarded to the Secretary of the Admiralty, N.C.W. (Cadets), Queen Anne's Mansions, St. James's Park, London, S.W.1, and be accompanied by a cheque or crossed postal order for one guinea, payable to the Director of Navy Accounts; if the appeal is successful the guinea will be refunded.

Travelling expenses will not be paid for attendance at Appeal Boards.

V. APPLICATIONS

14. Every candidate must obtain the necessary printed form of application for admission to the examination. This will be sent on application by letter or postcard addressed to the Secretary, Civil Service Commission, 6, Burlington Gardens, London, W.1.* The form must be completed in the candidate's own handwriting and should be returned to the Secretary, Civil Service Commission, as early as possible. All candidates will be required to pay a fee of £2.

15. The closing dates for applications are announced by the Civil Service Commissioners. Any candidate who has returned a completed application form, but has not received an acknowledgment of it within seven complete days, should at once write to the Secretary, Civil Service Commission. Failure to do so may deprive the candidate of any claim to consideration on the grounds of loss or delay in the post.

16. A separate form of application must be obtained, completed and returned by a candidate for each examination which he wishes to attend. A candidate is, however, warned not to delay his application for the next examination until the result of the previous examination has been announced, since there may not then be enough time for fresh application.

17. The written examinations are held at various

* The Civil Service Commissioners are prepared to receive requests for application forms four months before the date of the written examination.

centres; these are listed in the examination prospectus issued by the Civil Service Commission.

18. The subjects of examination, with the marks for each subject, will be found in Appendix I. Specimen question papers may be obtained on payment from branches of Her Majesty's Stationery Office given below,* or through any bookseller. These papers *cannot* be supplied by the Admiralty or the Civil Service Commissioners. Any further particulars regarding the examination should be obtained by written application to the Secretary, Civil Service Commission.

19. Where a candidate's aggregate travelling expenses on second-class railway or bus fares from his normal place of residence within the United Kingdom (or from the place of landing in the United Kingdom in the case of candidates from overseas) to the examination centre, and in connection with the selection procedure exceed 7s. 6d., the excess will be refunded. The Civil Service Commissioners reserve the right to limit payment to an amount calculated on the basis of travel to the nearest examination centre. Claims for refund should be submitted to the Commissioners or the Admiralty, as appropriate, on the form which will be supplied to each candidate. Lodging and food will be provided free of charge to candidates while they are at the Admiralty Testing Establishment.

Candidates who have to travel long distances to reach the Admiralty Interview Board and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meal, bed and breakfast up to a maximum of 30s. for each night necessarily spent away from home. A claim for this refund must be supported by a receipted bill or voucher for each night's accommodation. Apart from this, expenses on accommodation and meals cannot be refunded.

VI. CONCURRENT CANDIDATURE FOR NAVAL CADETSHIPS

20. A candidate for an appointment under these regulations may, if he so desires, and provided he fulfils all the necessary conditions and has obtained the necessary educational qualifications, present himself at the same time for a Cadetship on the General List of the Royal Navy, for allocation to the Seaman, Engineering (Mechanical and Electrical), or Supply and Secretariat Specialisations. Regulations relating to Naval Cadetships may be obtained on application to the Officer Entry Section, Admiralty, Queen Anne's Mansions, St. James's Park, London, S.W.1.

VII. SECOND ATTEMPTS

21. Subject to the condition in paragraph 2 above, candidates who qualify at the written examination (or are exempted from the written examination under the conditions laid down in Appendix I) but are declared unsuccessful in the competition, may, if still eligible in respect of age to enter the Royal Marines, apply to the Secretary of the Admiralty, N.C.W. Branch (Cadets), Queen Anne's Mansions, St. James's Park, London, S.W.1, to appear a second time before the Admiralty Interview Board without taking the written examination again or payment of a fee. These applications must be received by the Admiralty not later than the day before the written examination. Arrangements for this second appearance before the Admiralty Interview Board will be made by the Admiralty and it will not be necessary for candidates to make a further application to the Civil Service Commissioners.

22. Candidates wishing to improve on their

previous performance may take the written examination again; they will, however, be required to abide by the result of this attempt (i.e. if they fail they will be declared unsuccessful in the competition). Alternatively they may, if by then qualified, apply to the Admiralty for exemption under the terms of Appendix I.

Any candidate who has applied to appear again before the Admiralty Interview Board and has not received an acknowledgment of his application within seven complete days should notify the Secretary of the Admiralty, N.C.W. (Cadets) at once.

Note.—Candidates for First Appointments in the Royal Marines who decide to take the written examination again, or who wish to compete for another Service in the event of their being unsuccessful at their second appearance before the Admiralty Interview Board, must submit their application form by the closing date announced in the Prospectus issued by the Civil Service Commission, and must not delay until the results of the interviews held in connection with their earlier candidature are known.

VIII. SWIMMING CERTIFICATE

23. Before entry, a certificate from the school or other responsible authority must be forwarded to the Commandant General, Royal Marines, that the candidate is able to swim at least 50 yards.

IX. CONDITIONS OF ENTRY

24. Candidates must be unmarried and are not permitted to marry until they have completed all phases of their training.

25. A candidate will not be accepted if he is not, in the opinion of the Admiralty, in all respects suitable to hold a commission in the Royal Marines.

26. Successful candidates will be appointed as Second Lieutenants, Royal Marines, and receive the pay and allowances of that rank from the date of joining.

27. Officers will be considered as on probation until they have completed all their courses of instruction and training and have been successful in all the examinations mentioned below.

28. The final order of seniority of Officers will be determined by the results of all their professional (naval and military) examinations during the probationary period of their service.

29. On completion of the courses laid down in Section XI, the Senior Lieutenant in any year's entry may be awarded a sword, or his personal sword may be suitably inscribed at the public expense and a sum equivalent to the difference between the cost of a sword and the cost of the inscription granted to him, the award being based on the aggregate results of the examination held.

30. An Officer may be removed from the Service if in the opinion of the Lords Commissioners of the Admiralty:—

- (a) he fails to reach a satisfactory standard in his work; or
- (b) his conduct is unsatisfactory; or
- (c) he does not display the qualities required of a Royal Marines Officer.

X. UNIFORM

31. A list of clothing required on joining is sent to all successful candidates.

32. An outfit allowance is payable on entry and is supplemented by free issues of clothing. This allowance, together with the free issues, is sufficient to provide all the essential uniform required by the officer while under training. The outfit allowance may, at Admiralty discretion, be paid to the Officer's parent or guardian if a claim is received before payment is made to the officer.

33. In the event of withdrawals at own request, the Admiralty may require refund of the allowance and cash value of the free issues in whole or in part.

XI. COURSES OF INSTRUCTION AND TRAINING

34. The programme of training for Second Lieutenants is carried out in three phases. Phase I consists

* Pamphlets containing reprints of question papers set at previous examinations cost 2s. 3d., or 2s. 5d. by post, and are obtainable from H.M.S.O. at York House, Kingsway, London, W.C.2; 13A Castle Street, Edinburgh, 2; 39-41 King Street, Manchester 2; 2 Edmund Street, Birmingham, 3; Tower Lane, Bristol, 1; 109 St. Mary Street, Cardiff; 80 Chichester Street, Belfast.

Flying Training	2	Fleet Air Arm Station

35. Leave is granted throughout training at the appropriate scales.

36. Physical and Recreational Training, Equestrian and Initiative Training are included in certain courses carried out at Royal Marine units.

37. Marks are allotted at the end of most courses on the results of examination and for general qualities, powers of leadership and work done.

XII. SCOPE OF DUTIES

38. The scope of duties of Royal Marine Officers according to rank includes:—

Ashore:—

- (a) Regimental duties in a Commando;
- (b) Specialisation in small arms, signalling, landing craft, assault engineering, physical training, motor transport, cliff assault, heavy weapons, or as swimmer canoeist;
- (c) Instructional duties;
- (d) Staff appointments.

Afloat:—

- (e) Detachment duties, including military landing parties;
 - (f) Naval gunnery and observation duties;
 - (g) Watchkeeping in harbour and intelligence duties;
 - (h) Staff appointments to Commanders-in-Chief, etc.;
 - (i) Service with the assault squadrons of the Amphibious Warfare Squadron.
39. Qualified officers are eligible for employment on the Admiralty Staff and for appointments under the War Office and Colonial Governments.
40. Suitable officers may be employed as helicopter pilots with the Commando Carrier.

XIII. PROMOTION

41. Officers are given the acting rank of Lieutenant after two years and four months from date of entry. On satisfactory completion of all courses, officers are posted to a Commando Unit or embarked as subalterns of Royal Marine detachments afloat. Confirmation in the rank of Lieutenant takes place after three years and six months from date of entry, seniority being adjusted according to course results.

42. Lieutenants are promoted to Captain on attaining eight years' seniority as Lieutenant.

43. Promotion to Major and higher ranks up to General is by selection in vacancies, and is subject to passing the prescribed examinations.

44. Promotion may also be given as a reward for special merit and promise.

XIV. APPLICATIONS FROM COMMONWEALTH COUNTRIES

45. The Governments of Commonwealth countries are allowed to nominate exceptionally for appointment to Second Lieutenant, outside the normal entry arrangements, specially recommended candidates belonging to families resident in those Commonwealth countries. Such candidates must actually reside and receive their education in the Commonwealth country. They will be required to undergo an examination on the lines shown in Appendix I and to pass a Naval Interview Board.

46. Nominations should normally be forwarded through the Secretary of State for Commonwealth Relations or the Secretary of State for the Colonies as appropriate, and must reach the Admiralty at least 9 months before the particular entry for which the candidate is eligible by age. A nominated candidate must attain a standard not below that of the lowest successful United Kingdom candidate in the competitive examination.

47. Enquiries should be addressed first to the Government of the Commonwealth country concerned or the nearest Naval Authorities.

cepted as equivalent to passes in the Scottish Leaving Certificate Examination. A pass on the higher grade in English or Science, whether gained at the Scottish Leaving Certificate Examination or the Scottish Universities Preliminary Examination, will be accepted as the equivalent of a pass in two subjects on the lower grade if the Scottish Education Department certifies that the appropriate standard was reached in both papers set in the subjects concerned.

A candidate educated in Scotland who has not for any reason gained the required passes in the Scottish Leaving Certificate or the Scottish Universities Preliminary Examination should consult his headmaster.

- (c) *A Grammar School Senior Certificate issued by the Ministry of Education for Northern Ireland or evidence of having obtained passes in the Northern Ireland Grammar School Senior Certificate Examination in English Language and two other subjects chosen from the list in (a) above.*

- (d) *A statement from the Ministry of Education for Northern Ireland showing that a candidate educated in Northern Ireland and not in possession of any of the qualifications given in (a) to (c) above has attained a standard equivalent to that of the General Certificate of Education under (a) above.*

2. A candidate who is awaiting the result of his General Certificate (or equivalent) examination will be accepted as a provisional candidate, but will not be allowed to compete unless he produces evidence that he has obtained the necessary passes before the beginning of the written examination. If a candidate has not yet received his Certificate, a statement from the Examining Body to the effect that he has passed the examination will be accepted.

3. Exceptionally, a candidate who has been prevented from obtaining one of the qualifications named above by circumstances outside his control may, at the discretion of the Commissioners, be admitted to the examination if he can produce a statement from a suitable person (e.g., his Headmaster) that his general education is up to the required standard. He must also produce a statement from a responsible person (not a relative) about the circumstances which prevented him from obtaining the necessary qualifications.

4. A naval rating or naval apprentice who has not taken the General Certificate of Education examination may be allowed to compete for a First Appointment in the Royal Marines if he produces, when requested by the Civil Service Commissioners, a statement from the Senior Instructor Officer of the Royal Naval Training Establishment concerned that his general education is up to the standard required to obtain the necessary passes in that examination.

5. A candidate educated in a Commonwealth country or elsewhere abroad must produce evidence satisfactory to the Civil Service Commissioners that he has attained a standard equivalent to that required of candidates educated in this country.

7. Any candidate who has obtained a General Certificate of Education "O" level pass in Elementary Mathematics will not be required to take this subject in Part I of the examination. Other candidates must reach a qualifying mark in Elementary Mathematics in the examination (which approximates a General Certificate of Education "O" level pass), but this will not be included in the aggregate total marks. A candidate who fails by a narrow margin to reach the qualifying standard in Mathematics may be regarded as qualified if, in the opinion of the Civil Service Commissioners, he reaches a satisfactory standard in the corresponding Mathematics papers in Part II.

8. In Part II candidates may offer any two subjects. The standard of Part II subjects will be appropriate to candidates of average ability who have done one year's work in the Sixth form.

9. A copy of the syllabus may be obtained on application to the Secretary, Civil Service Commission, 6 Burlington Gardens, London, W.1. Copies of papers set in previous examinations may be obtained on payment from H. M. Stationery Office at addresses given in the footnote to paragraph 18 of the regulations, or through any bookseller.

Exemption from the Written Examination

10. Candidates who possess the educational qualifications set out below, and are recommended by their Headmasters, will not have to qualify at the written examination before taking part in the tests of personal qualities. Candidates wishing to claim exemption from the examination should apply to the Admiralty, N.C.W. Branch (Cadets), Queen Anne's Mansions, St. James's Park, London, S.W.1. Applications will be accepted up to the day before the date announced for the beginning of the written examination, but candidates are urged to send in their applications at the earliest possible moment. No fee is required from candidates who apply for exemption.

11. The educational qualifications required of candidates claiming exemption from the written examination are:—

- (a) Passes in the General Certificate of Education, or Grammar School Senior Certificate awarded by the Ministry of Education for Northern Ireland, in (i) English language, (ii) Mathematics, (iii) an approved Science,* or a language other than English, (iv) and (v) two other subjects.** Passes must be obtained at the Advanced level in at least two subjects.†‡ The five subjects need not be taken at the same examination; or

- (b) Passes in the Scottish Leaving Certificate or Scottish Universities Preliminary Examination showing passes in (i) English, (ii) Mathematics, (iii) Science, or a language other than English, (iv) and (v) two other subjects.† Passes must be obtained on the Higher Grade in English and at least two other subjects.¶ The five subjects need not be taken at the same examination.

12. As an alternative, a candidate may also claim exemption from the written examination if he has obtained either

- (a) Passes in the General Certificate of Education or Northern Ireland Grammar School Senior Certificate examination in English Language and four other subjects** one of which must be either Mathematics, or an approved Science*

or a language other than English. Passes must be obtained at Advanced level in *three* subjects, unless the candidate has been awarded a Distinction in two Advanced level subjects, in which case a third Advanced level subject will not be required.† The five subjects need not be taken at the same examination.‡¶; or

- (b) Passes in the Scottish Leaving Certificate Examination or the Scottish Universities Preliminary Examination in English and four other subjects,** one of which must be either Mathematics, or Science,* or a language other than English. Passes must be obtained in the Higher Grade in English and at least *three* other subjects. The five subjects need not be taken at the same examination¶.

13. From 1962 onwards, passes on the new ordinary grade of the Scottish Certificate of Education will be accepted in place of the lower grade passes which they are then to supersede. A candidate educated in Scotland who for any reason does not hold the required passes should consult his Headmaster.

14. A candidate educated in Northern Ireland, if he is not in possession of one of the qualifications set out above, must produce a statement from the Ministry of Education for Northern Ireland showing that he has attained an equivalent standard.

15. Qualifications at the appropriate level obtained in any examination or combination of examinations which in the opinion of the Admiralty are of equivalent or higher standard will be accepted in place of the General Certificate of Education examination.

16. A candidate who is within the age limits laid down, but:—

- (a) intends to sit for a University Scholarship examination or for the General Certificate of Education at Advanced or Scholarship level, or
- (b) wishes to sit at Ordinary level,
- in order to complete the educational qualifications

* For approved Sciences see the science subjects given in the list in paragraph 1(a) above.

† History with Foreign Texts will be accepted as two subjects at Advanced level, but passes at Ordinary or Advanced level in the languages studied as part of History with Foreign Texts cannot at the same time be counted towards the number of passes required under this section.

** The subjects may include Art or Music or Religious Knowledge, but not more than one of these. Practical and commercial subjects will not normally be accepted.

‡ The Notes 1-4 of paragraph 1(a) also apply to this Section.

¶ General Studies will be accepted, but a pass in this subject may not be counted as one of the two Advanced level passes required for exemption.

required under paragraphs 11 or 12 above, may submit an application to enter as a provisionally exempted candidate, provided that the result of this examination will be known before the beginning of the next Army and Royal Marines examination. Such a candidate should inform the Admiralty of the result of his Scholarship or General Certificate of Education examination as soon as possible. Attendance before the Admiralty Interview Board will not necessarily be delayed for these results, but final acceptance for a cadetship will remain conditional on the possession of the required educational qualifications.

17. A provisionally exempted candidate may, if he wishes, also enter for the written examination at the same time, and in this case he should send all his documents to the Civil Service Commission. If such a candidate qualifies in the written examination, his claim for provisional exemption lapses. If, however, he secures the necessary qualifications for exemption before the date of the written examination, he should inform the Civil Service Commission and say whether he still wishes to take the examination. He may of course, withdraw from the written examination at any time.

APPENDIX III

NOTES ON PAY, ETC.

1. A Royal Marines Officer is paid 23s. a day on entry. When he reaches the acting rank of Lieutenant he is paid 28s. a day.

2. Officers in the Royal Marines are not encouraged to cultivate expensive tastes and the Junior Officer under training can, with care, live within his pay and meet all normal current expenses. It should not, therefore, be necessary for parents or guardians to make personal allowances.

3. The full rates of pay and marriage allowances of Officers of the Royal Marines (General List) are shown at the beginning of this Appendix to the Navy List.

REGULATIONS FOR THE ENTRY OF OFFICERS FOR DUTIES AS PILOT OR OBSERVER ON THE SUPPLEMENTARY LIST OF THE ROYAL NAVY

Under this scheme of entry into the Royal Navy, appointments are, in the first instance, for 12 years on the Active List, followed by four years on the Reserve; but Officers have the option of leaving on completion of 8 years' service, with a reduced

gratuity, followed by 4 years on the Reserve. Whilst on the Reserve, Officers will only be liable for service in war or emergency.

2. Entries will normally be made three times a year in January, May and September.

3. Successful candidates will be entered as Naval Air Cadets. Subsequent training and promotion will be as set out in paragraphs 28-32.

4. On completion of 6 years, Officers will be required to state whether they wish to remain for the full period of 12 years or, alternatively, to exercise the option to resign on completion of 8 years. Officers who are serving for 12 years but who are not awarded a permanent commission (*see* paragraph 5 below) may be offered an extension of service at the discretion of the Admiralty and according to requirements.

5. Permanent Commissions on the Supplementary List will be made available for up to 20 per cent of officers completing 10 years of a 12-year Supplementary List Commission, with prospects of promotion to the rank of Commander. In exceptional cases, officers on the Supplementary List may be transferred to the General List with a permanent commission.

6. On leaving the Active List on satisfactory completion of 12 years, Officers will be eligible for a tax-free gratuity of £4,000; those who leave on completion of 8 years will be eligible for a tax-free gratuity of £1,500. Officers who are selected for a permanent commission will not be eligible for this gratuity, but will be eligible for retired pay or gratuity under the regulations in force for permanent Officers, and will be allowed to count their actual service on this commission towards such retired pay or gratuity. Extensions of service beyond 12 years will earn further gratuity at the rate of £400 per annum.

7. A Naval Air Cadet receives pay at the rate of 12s. 6d. per day. This is sufficient to enable him to meet current expenses. Mess contributions of junior officers are limited by stringent regulations, and it should therefore not be necessary for parents or guardians to make personal allowances. The scales of pay, flying pay and marriage allowance are shown under the heading "Pay and Allowances of Officers."

Age Limits

8. Applicants must have attained the age of 17 years but must not have attained the age of 25 years on the date of making application.

9. Applicants will be required to forward to the Admiralty with their applications, an extract from the register of birth (or, if this cannot be obtained, other documentary evidence accompanied by a statutory declaration made by a parent or guardian before a magistrate giving the exact date of his birth). Certificates of registry of birth or of baptism are not in themselves accepted as evidence of the date of birth.

Nationality

10. Applicants must be British subjects and the sons of persons who are British subjects at the time of the applicant's entry. The burden of proof of the nationality of the applicants will rest upon the applicants or, in the case of those under 21 years of age, on their parents or guardians who, if they are in doubt, should seek the opinion of the Admiralty at the earliest opportunity.

11. Applicants who possess a foreign as well as British nationality may be ineligible for entry into the commissioned ranks of the Royal Navy. Such applicants, or their parents or guardians, are therefore advised to seek an early decision from the Admiralty as to their eligibility.

Physical Standard

12. Candidates will be required, irrespective of whether they have been passed fit in connection with a previous examination, to present themselves for medical examination and must be found physically fit for flying duties in the Royal Navy. Physical defect of body, impediment of speech, defect of sight or hearing, and predisposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate unfit for aircrew duties. A candidate will not be entered unless he has been vaccinated within

the past 3 years and is prepared to be revaccinated when considered necessary by the Naval Authorities.

13. Details of physical requirements for candidates are contained in the Appendix. A medical board of appeal is available to consider appeals by candidates rejected on medical grounds. Appeals must be made in writing to the Medical Director General of the Navy, Admiralty, Queen Anne's Mansions, St. James's Park, London, S.W.1, and they must be accompanied by a cheque or crossed postal order for one guinea, payable to the Director of Navy Accounts. Travelling expenses will not be paid for attendance at appeals boards, but the guinea will be refunded when an appeal is successful.

14. The attention of applicants is particularly invited to the advice in paragraph 1 of Appendix. Experience at recent examinations has shown that an undue number of candidates have been found to be suffering from defects sufficiently serious to cause their rejection on medical grounds. Had they been examined beforehand, as advised, unnecessary expense and disappointment might have been avoided.

Educational Qualification

15. All candidates **MUST** forward with their applications evidence that they possess one of the following qualifications:—

- (a) General Certificate(s) of Education showing passes at the Ordinary Level in
 - (i) English Language;
 - (ii) Mathematics and
 - (iii) two other subjects from the list given in paragraph 16 below;
- (b) a Scottish Leaving Certificate showing passes in the Lower Grade in English, Mathematics and two other subjects from the list given in paragraph 16.
- (c) A Grammar School Senior Certificate issued by the Ministry of Education of Northern Ireland in 1952 or after, showing a pass at ordinary level in English Language, Mathematics (Traditional or Alternative) and in two other subjects from the list in paragraph 16.
- (d) an Overseas School Certificate issued by the University of Cambridge Local Examinations Syndicate (or the equivalent) showing credit passes in English, Mathematics and two other subjects from the list in paragraph 16.
- (e) a Matriculation Certificate issued by the University of London, or any other certificate which, in the opinion of the Admiralty, is of equivalent or higher standard.

From 1st September, 1961, the requirement will be for five General Certificate of Education "O" level passes (or the equivalent), including English Language and Mathematics. Additionally, from this date, one (but not more than one) of the following subjects: Art, Music, Technical and Commercial subjects, may be included in the list given in paragraph 16.

16. The list of General Certificate of Education subjects referred to in the first part of paragraph 15 are:—

English Literature	Physics-with-Chemistry
General Paper	(not acceptable in addition to either Physics or Chemistry)
Geography	Botany
History*	Zoology
Latin	Biology
Greek	Geology
Any recognised modern language	General Science or Additional General Science
Applied Mathematics or Mechanics	Navigation
Physics	Seamanship
Chemistry	Religious Knowledge

* Any one of the subjects recognised by the examining bodies will be accepted, e.g. History, History of the British Empire, Foreign History, Ancient History, etc.

17. If a candidate has passed one of the above examinations but has not yet received the actual certificate, a certified statement from the examining body (not the Headmaster) that he has been successful and has obtained passes in the required subjects will be accepted.

Tests of Personal Qualities and Flying Aptitude

18. Applicants who satisfy the educational requirements and are accepted as candidates will be required to undergo flying aptitude and grading tests at the Royal Air Force Station, Hornchurch. Candidates will then proceed to Royal Naval establishments in the Portsmouth Command for a medical examination and preliminary and final interviews. The full procedure will occupy about 5 days.

19. Second-class rail or bus fares incurred in travelling in connection with these tests, from the candidate's normal place of residence in the United Kingdom will be paid by the Admiralty if they exceed the sum of 7s. 6d. Accommodation and food will be provided free of charge to candidates whilst they are undergoing the selection procedure, but no other expenses, such as meals on journey* or loss of wages, are allowed.

Applications

20. Application must be made on the appropriate form, which will be supplied on request by letter, addressed to the Director of Naval Recruiting, Officer Entry Section, Queen Anne's Mansions, London, S.W.1. The form must be completed in the applicant's own handwriting and returned to the above address, together with the documentary evidence of birth and educational qualifications.

21. Any applicant who has filled up and returned the application form but has not received an acknowledgement of it within 4 complete days should write at once to the Officer Entry Section, at the above address. Failure to do so will deprive the applicant of any claim to consideration on the grounds of loss or delay in the post. If candidates are accepted as eligible, there may be an interval of two to four weeks before they can be informed of the date they will be required to attend for selection tests.

22. Candidates who are medically fit but fail other selection tests, are allowed three attempts at entry under this scheme, provided they are still within the age limits, but 6 months must elapse before a candidate can attend a further interview.

Conditions of Entry and Service

23. The acceptance of a candidate, and his allocation to Pilot or Observer duties, will be at the sole discretion of the Admiralty and subject to the number of vacancies available at the date of entry.

24. Before a candidate's entry as a Cadet, a certificate by the school or other authority must be forwarded to the Secretary of the Admiralty to the effect that the candidate is able to swim at least 50 yards.

25. The Admiralty reserve the right to terminate an appointment at any time if, in their opinion:—

- (a) the standard of work is unsatisfactory or, under certain circumstances, the Officer fails to perform the aviation duties for which he was entered;
- (b) conduct is unsatisfactory; or

* Candidates who have to travel long distances to reach the Admiralty Interview Board and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meal, bed and breakfast up to a maximum of 30s. for each night necessarily spent away from home. A claim for this refund must be supported by a receipted bill or voucher for each night's accommodation. Apart from this, expenses on accommodation and meals cannot be refunded.

- (c) the qualities required of a Naval Officer are not being sufficiently developed.

26. Should an Officer be invalided, he will receive proportionate gratuity (subject to the normal provision that any such gratuity is liable to be reduced or withheld if the disability was due to causes within the Officer's own control.) This gratuity will be calculated as follows:—

- (a) *If invalided before completing 8 years' service.*
A gratuity at the rate of £140 a year in respect of the first 18 months of service, and at the rate of £200 a year in respect of service beyond the first 18 months.
- (b) *If invalided after completion of 8 years but before completion of 12 years' service.* A gratuity of £1,500 in respect of the first 8 years' service, and at the rate of £625 a year in respect of service beyond 8 years.

An Officer who, for any other reason, does not complete his full period of service on the Active List will not be entitled to any gratuity: but an award, either at the full rate or at a reduced rate to be decided by the Admiralty, may be sanctioned, subject to a minimum period of service of 18 months and possession of the flying badge, in the following circumstances:

- (a) for an Officer compulsorily transferred to the reserve, required to relinquish his commission or to resign;
- (b) for an Officer transferred to the reserve at his own request.

27. The gratuity is intended to assist Officers' resettlement in civil life and is, therefore, not payable to the estate of an Officer who dies or is killed while serving on the Active List. A special gratuity of not less than £200 is, however, normally paid to the widow; or if there are children, but no widow, this gratuity may be paid in part or in whole for the benefit of the children.

Pensions and/or gratuities are also payable under Ministry of Pensions regulations to the widows, etc., of Officers whose death is due to their service.

(Officers serving on Short Service commissions will be eligible for gratuities in accordance with the rules governing payment of Gratuities to Officers on the Supplementary List and Short Service Officers.)

Duration of Course of Training

28. Naval Air Cadets will be given two terms' General Naval Training at the Britannia Royal Naval College, Dartmouth, lasting about seven months. At the end of the second term, each entry of Pilots and Observers will be split into two groups of flying courses, and the first group will proceed to flying training without much delay. The second group will undergo further Dartmouth and other training while awaiting flying training. (Courses begin every seven weeks.)

29. On satisfactory completion of General Naval Training, Air Cadets will be promoted to Midshipman, or, if they have attained the age of 21, to the rank of Acting Sub-Lieutenant, provided they are recommended as suitable to hold these ranks. Cadets who return to Dartmouth for administrative reasons while awaiting flying training will do so as Midshipman or Acting Sub-Lieutenant; but any who are selected for return there because they require extra tuition, though not enough to warrant back-classing, will be promoted on finally leaving Dartmouth.

30. Pilots will undergo flying training courses lasting about twelve months, and on successful completion will be awarded the flying badge. This will be followed by operational flying training. Observers will undergo basic courses lasting in all about nine months. After award of the flying badge they will undergo applied flying training.

31. Officers serving as Midshipmen will be promoted to Acting Sub-Lieutenants after 1 year 4 months in the rank of Midshipman, or on attainment of the age of 19 years 6 months, whichever is

the later, subject to satisfactory completion of basic and applied flying training and to recommendation for promotion. Those Officers who reach the age of 21 before completing 1 year 4 months in the rank of Midshipman may be promoted to Acting Sub-Lieutenant at age 21, provided that they are recommended as suitable to hold this rank.

32. Total time to be served as Sub-Lieutenant (acting and confirmed) before promotion to Lieutenant will be from 1 year 8 months to 3 years according to time gained on results obtained during courses.

General

33. The Admiralty will provide the Cadets with all the articles of uniform and clothing required on entry. Apart from incidental expenses, e.g., laundry charges, the cost of maintenance while on leave, and the costs of travel to destinations outside the United Kingdom when proceeding on leave or returning from leave, no form of expense will fall on the parent or guardian or Cadet.

34. In the event of compulsory termination of appointment within 12 months of entry, the Admiralty will require return of the principal items of uniform and equipment. A charge will be raised against the Officer, or his parent or guardian, in respect of any special item(s) not so returned. Officers resigning voluntarily before reaching the rank of Acting Sub-Lieutenant are required to refund the cost of the outfit issued to them on entry as Cadets and on completion of Cadet training on the following scale:—

After two years' service ..	Nil
After one year's service	
but under two years ..	One half
Under one year's service	In full

35. On reaching wings standard and the rank of Acting Sub-Lieutenant, an officer is supplied with further free issues of clothing and given a cash grant to purchase additional items of uniform. The cash grant in respect of officers under 21 years of age may be paid direct to the parent or guardian if application is made before the Officer is promoted. Officers resigning within three years of receiving this clothing will be liable at Admiralty discretion to refund all or a proportion of the value of the free issues and cash grant.

36. The Cadet will be entitled without charge to medical and dental treatment while under training; and, when on leave, may consult the local Admiralty Surgeon and Agent, if necessary. The repayment of expenses incurred through consulting a civil medical practitioner will be considered by the Admiralty should an Admiralty Surgeon and Agent not be available, or for other exceptional reasons.

37. A Cadet entered under this scheme must produce on joining, or on returning from leave, a health certificate to the effect that he has not suffered from, nor been exposed to, infectious disease during the previous 30 days.

38. Letters concerning Cadets should be addressed to the Commanding Officer of the Establishment or Ship in which he is training, and not to the Captain by name.

39. Parents or guardians of Cadets must, in all cases of a permanent change of address, inform the Admiralty (N.C.W. Branch), and the Commanding Officer of the Ship.

Former Commissioned Service of Candidates entered as Supplementary List Aircrew, see page 162.

APPENDIX

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR AIRCREW DUTIES IN THE ROYAL NAVY AS PILOT OR OBSERVER

With a view to preventing candidates who may be physically unfit for Her Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical

adviser of the family, or any other qualified medical practitioner.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular official physical examination. Specialist's reports will always be considered by the Admiralty Medical Board and (if any) should accompany the candidate at the time of his official examination. The following list of defects which cause rejection may be submitted to the private medical practitioner for guidance.

1. Poor physique, imperfect development or skeletal deformity either hereditary or acquired; obesity. To be judged on their present or future effect on functional ability.

2. Skin disease, unless temporary or trivial. Scars which, by their extent or position, cause, or are likely to cause, disability or marked disfigurement. Diseases and deformity of the nails. Alopecia areata, if chronic.

3. Malformation of the head. Deformity from fracture or depression of the bones of the skull. Impaired intellect, epilepsy, paralysis of speech, stammer, neuro-psychiatric disorder or history thereof.

4. Deformity or any chronic disease of the eye or eyelids.

5. Impaired hearing; discharge from, or disease of, one or both ears; unhealed perforation of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.

6. Disease of the bones or cartilage of the nose and nasal polypus. Disease of the naso-pharynx.

7. Disease of the throat, palate or tonsils; simple hypertrophy of the tonsils, if there is no history of recurrent attacks of tonsillitis, is not a cause for rejection.

8. The possession of good functional occlusion of natural teeth or artificial dentures that provide an adequate area of mastication, or if such can be provided by treatment and supply, if necessary, of well-fitting dentures. Particular care is to be taken to ensure dentures, if worn, are well fitted, and that the lips can be closed in order to be able to clear the ears. Healthy gums and no oral deformity.

9. Tuberculous glands of the throat and neck. Enlargement of the thyroid gland. Hyperthyroidism. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding 5 years and the chest is clinically and radiologically clear.

10. Pulmonary tuberculosis, unless there is clear evidence that the disease is arrested and has been inactive for the preceding 5 years. Chronic disease of the chest.

11. Functional or organic disease of the heart or blood vessels.

12. Allergic diseases, including asthma, hay fever and eczema where these form, or are likely to form, a serious impediment to the efficient performance of duty. Migraine if severe. If there is any history of asthma clear evidence must be produced that there has been complete freedom from an attack for the preceding five years.

13. Rheumatic fever.—Where there is a history of proven rheumatic fever or Chorea even in the absence of cardiac disease. A history of rheumatic fever should be regarded as proven if the attack was observed and confirmed by a medical practitioner. Undue swelling or distention of the abdomen. Disease of the liver spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection. Peptic ulcer or history thereof, stricture of the urethra, incontinence of urine, enuresis within the last five years.

14. Albuminuria; unless the first morning specimen is clear, and there is no clinical evidence (e.g., cardiac hypertrophy or raised blood pressure), or history which suggests impaired renal function.

15. Glycosuria; unless a satisfactory report of a sugar tolerance test is produced.

16. Hydrocoele, or other serious defect or malformation of the genital organs. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.

17. The absence of one testicle should not cause rejection unless the testicle has been removed on account of disease, or its absence has affected the bodily or mental health of the candidate. If a testicle is situated in the inguinal canal or the external ring it must be either removed or brought down into the scrotum or returned to the abdomen. If the result of the operation is satisfactory and the other testicle is in the scrotum and normal in character the candidate may be accepted.

REGULATIONS FOR THE ENTRY OF OFFICERS FOR THE DUTIES OF HELICOPTER PILOT ON THE SUPPLEMENTARY LIST OF THE ROYAL NAVY

(The Admiralty reserves the right to amend these regulations from time to time, but as much notice as possible will be given of alterations.)

1. Under this scheme of entry into the Royal Navy, appointments are for five years' service on the Active List, followed by four years on the Reserve.

2. Entries will normally be made three times a year, in January, May or September.

3. Successful candidates will be entered as Naval Air Cadets. Subsequent training and promotion will be as set out in paragraphs 28-32.

4. Extension of service on these duties beyond five years will only be permissible in very exceptional circumstances; and this entry does not carry prospects of a permanent career similar to those attaching to the 12-year entry for pilots and observers for duties on fixed-wing aircraft.

5. On leaving the Active List on satisfactory completion of five years' service, officers will be eligible for a tax-free gratuity of £775.

Age Limits

6. Applicants must have attained the age of 17 years but must not have attained the age of 26 years on the date of making application.

7. Applicants will be required to forward to the Admiralty, with their applications, an extract from the register of birth-or, if this cannot be obtained, other documentary evidence accompanied by a statutory declaration made by a parent or guardian before a magistrate giving the exact date of birth. Certificates of registry of birth or of baptism are not in themselves accepted as evidence of the date of birth.

Nationality

8. Applicants must be British subjects and the sons of persons who are British subjects at the time of the applicant's entry. The burden of proof of the

nationality of the applicants will rest upon the applicants or, in the case of those under 21 years of age, on their parents or guardians who, if they are in doubt, should seek the opinion of the Admiralty at the earliest opportunity.

9. Applicants who possess a foreign as well as British nationality may be ineligible for entry into the commissioned ranks of the Royal Navy. Such candidates, or their parents or guardians, are therefore advised to seek an early decision from the Admiralty as to their eligibility.

Physical Standard

10. Candidates will be required, irrespective of whether they have been passed fit in connection with a previous examination, to present themselves for medical examination and must be found physically fit for flying duties in the Royal Navy. Physical defect of body, impediment of speech, defect of sight or hearing, and predisposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate unfit for the duties in his Branch of the Service. A candidate will not be entered unless he has been vaccinated within the past three years and is prepared to be re-vaccinated when considered necessary by the Naval Authorities.

Physical Requirements

11. Physical requirements are the same as required by the Regulations for the Entry of Officers for Duties as Pilot or Observer on the Supplementary List of the Royal Navy, except unaided distant vision may be 6/18, correctable to 6/6, in each eye. Glasses may be worn.

12. The attention of applicants is particularly invited to the advice in paragraph 1 of the Appendix to the regulations referred to in paragraph 11 above. Experience at recent examinations has shown that an undue number of candidates have been found to be suffering from defects sufficiently serious to cause their rejection on medical grounds. Had they been examined beforehand, as advised, unnecessary expense and disappointment might have been avoided.

13. A medical board of appeal is available to consider appeals by candidates rejected on medical grounds. Appeals must be made in writing to the Medical Director General of the Navy, Admiralty, Queen Anne's Mansions, St. James's Park, London, S.W.1, and they must be accompanied by a cheque or crossed postal-order for one guinea, payable to the Director of Navy Accounts. Travelling expenses will not be paid for attendance at appeals boards, but the guinea will be refunded when an appeal is successful.

Educational Qualification

14. All candidates **MUST** forward with their applications evidence that they possess one of the following qualifications:—

- (a) General Certificate(s) of Education showing passes at the Ordinary Level in (i) English Language, (ii) Mathematics and (iii) two other subjects from the list given in paragraph 15 below.
- (b) A Scottish Leaving Certificate showing passes in the Lower Grade in English, Mathematics and two other subjects from the list in paragraph 15.
- (c) A Grammar School Senior Certificate issued by the Ministry of Education of Northern Ireland in 1952 or after, showing passes at Ordinary Level in English Language, Mathematics (Traditional or Alternative) and in two other subjects from the list in paragraph 15.
- (d) An Overseas School Certificate issued by the University of Cambridge Local Examinations Syndicate (or the equivalent) showing credit passes in English, Mathematics and two other subjects from the list in paragraph 15.
- (e) A Matriculation Certificate issued by the University of London, or any other certificate which, in the opinion of the Admiralty, is of equivalent or higher standard.

From 1st September, 1961, the requirements will be for five General Certificate of Education "O" level passes (or the equivalent), including English Language and Mathematics. Additionally from this date, any one (but not more than one) of the following subjects: Art, Music, Technical and Commercial subjects may be included in the list given in paragraph 15.

15. The list of General Certificate of Education subjects referred to in the first part of paragraph 14 are:—

English Literature	Physics - with - Chemistry
General Paper	(not acceptable in addition to either Physics or Chemistry)
Geography	Botany } Only one of these will
History*	Zoology } be accepted
Latin	Biology }
Greek	Geology }
Any recognised modern language	General Science or Additional General Science.
Applied Mathematics or Mechanics	Navigation
Physics	Seamanship
Chemistry	Religious Knowledge

* Any one of the subjects recognised by the examining bodies will be accepted, e.g., History, History of the British Empire, Foreign History, Ancient History, etc.

16. If a candidate has passed one of the above examinations but has not yet received the actual certificate, a certified statement from the examining body (not the Headmaster) that he has been successful and has obtained passes in the required subjects will be accepted.

6 + A.N.L.

Tests of Personal Qualities and Flying Aptitude

17. Applicants who satisfy the educational requirements and are accepted as candidates will be required to undergo flying aptitude and grading tests at the Royal Air Force Station, Hornchurch. Candidates then proceed to Royal Naval Establishments in the Portsmouth Command for a medical examination and preliminary and final interviews. The full procedure will occupy about five days.

18. Second-class rail or bus fares incurred in travelling in connection with these tests, from the candidate's normal place of residence in the United Kingdom will be paid by the Admiralty if they exceed the sum of 7s. 6d. Accommodation and food will be provided free of charge to candidates whilst they are undergoing the selection procedure, but no other expenses, such as meals on journey or loss of wages, are allowed.

19. Candidates who have to travel long distances to reach the Admiralty Interview Board and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meal, bed and breakfast up to a maximum of 30s. for each night necessarily spent away from home. A claim for this refund must be supported by a receipted bill or voucher for each night's accommodation. Apart from this, expenses on accommodation and meals cannot be refunded.

Applications

20. Application must be made on the appropriate form, which will be supplied on request by letter, addressed to the Director of Naval Recruiting, Officer Entry Section, Queen Anne's Mansions, London, S.W.1. The form must be completed in the applicant's own handwriting and returned to the above address, together with the documentary evidence of birth and educational qualifications.

21. Any candidate who has filled up and returned the application form but has not received an acknowledgment of it within four complete days should write at once to the Officer Entry Section at the above address. Failure to do so will deprive the candidate of any claim to consideration on the grounds of loss or delay in the post. If candidates are accepted as eligible, there may be an interval of two to four weeks before they can be informed of the date they will be required to attend for selection tests.

22. Candidates who are medically fit but fail other selection tests are allowed three attempts at entry under this scheme, provided they are still within the age limits: six months must, however, elapse before a candidate can attend a further interview.

Conditions of Entry and Service

23. The acceptance of a candidate will be at the sole discretion of the Admiralty and subject to the number of vacancies available at the date of entry.

24. Before a candidate's entry as a Cadet, a certificate by the school or other authority must be forwarded to the Secretary of the Admiralty to the effect that the candidate is able to swim at least 50 yards.

25. The Admiralty reserve the right to terminate an appointment at any time if, in their opinion:—

- (a) The Officer's standard of work is unsatisfactory or, under certain circumstances, he fails to perform the aviation duties for which he was entered;
- (b) The Officer's conduct is unsatisfactory; or
- (c) the qualities required of a Naval Officer are not being sufficiently developed.

26. Should an Officer be invalidated, he will receive proportionate gratuity (subject to the normal provision that any such gratuity is liable to be reduced or withheld if the disability was due to causes within the Officer's own control). An Officer who, for any other reason, does not complete his full period of service on the Active List will not be entitled to any gratuity; but an award, either at the full rate or at a reduced rate to be decided by the Admiralty, may be sanctioned, subject to a minimum period of service of 18

months, and possession of the flying badge, in the following circumstances:—

- (a) For an Officer compulsorily transferred to the reserve, required to relinquish his commission or to resign.
- (b) For an Officer transferred to the reserve at his own request.

27. The gratuity is intended to assist Officers' resettlement in civil life and is, therefore, not payable to the estate of an Officer who dies or is killed while serving on the Active List. A special gratuity is, however, normally paid to the widow; or if there are children but no widow, this gratuity may be paid in part or in whole for the benefit of the children.

Pensions and/or gratuities are also payable under Ministry of Pensions' regulations to the widows, etc., of Officers whose death is due to their service.

Duration of Course of Training

28. Naval Air Cadets will be given two terms' General Naval Training at the Britannia Royal Naval College, Dartmouth, lasting about seven months. At the end of the second term, each entry will be split into two flying courses, and the first will proceed to flying training without much delay. The second will undergo further Dartmouth and other training while awaiting flying training. (Courses begin every seven weeks.)

29. On satisfactory completion of General Naval Training, Air Cadets will be promoted to Midshipman, or, if they have attained the age of 21, to the rank of Acting Sub-Lieutenant, provided they are recommended as suitable to hold these ranks. Cadets who return to Dartmouth for administrative reasons while awaiting flying training will do so as Midshipman or Acting Sub-Lieutenant; but any who are selected for return because they require extra tuition, though not enough to warrant back-classing, will be promoted on finally leaving Dartmouth.

30. Officers will undergo flying training courses lasting about nine months, and on successful completion will be awarded the flying badge. This will be followed by operational flying training.

31. Officers serving as Midshipmen will be promoted to Acting Sub-Lieutenants after 1 year 4 months in the rank of Midshipman, or on attainment of the age of 19 years six months, whichever is the later, subject to confirmed award of the flying badge and to recommendation for promotion. Those Officers who reach the age of 21 before completing one year four months in the rank of Midshipman may be promoted to Acting Sub-Lieutenant at age 21, provided that they are recommended as suitable to hold this rank.

32. Total time to be served as Sub-Lieutenant (acting and confirmed) before promotion to Lieutenant will be from one year eight months to three

years according to time gained on results obtained during courses.

General

33. The Admiralty will provide the Cadets with all the articles of uniform and clothing required on entry. Apart from incidental expenses, e.g. laundry charges, the cost of maintenance while on leave, and the costs of travel to destinations outside the United Kingdom when proceeding on leave or returning from leave, no form of expense will fall on the parent or guardian or Cadet.

34. In the event of compulsory termination of appointment within 12 months of entry, the Admiralty will require return of the principal items of uniform and equipment. A charge will be raised against the Officer, or his parent or guardian, in respect of any specified item(s) not so returned. Officers resigning voluntarily before reaching the rank of Acting Sub-Lieutenant are required to refund the cost of the outfit issued to them on entry and on completion of Cadet training on the following scale:—

After two years' service ..	Nil
After one year's service but under two years ..	One half
Under one year's service ..	In full

35. On reaching wings standard and the rank of Acting Sub-Lieutenant, an officer is supplied with further free issues of clothing and given a cash grant to purchase additional items of uniform. The cash grant in respect of officers under 21 years of age may be paid direct to the parent or guardian if application is made before the officer is promoted. Officers resigning within three years of receiving this clothing will be liable at Admiralty discretion to refund all or a proportion of the value of the free issues and cash grant.

36. The Cadet will be entitled without charge to medical and dental treatment while under training; and, when on leave, may consult the local Admiralty Surgeon and Agent, if necessary. The repayment of expenses incurred through consulting a civil medical practitioner will be considered by the Admiralty should an Admiralty Surgeon and Agent not be available, or for other exceptional reasons.

37. A Cadet entered under these schemes must produce on joining, or on returning from leave, a health certificate to the effect that he has not suffered from, nor been exposed to, infectious disease during the previous 30 days.

38. Letters concerning Cadets should be addressed to the Commanding Officer of the establishment or ship in which he is training, and not to the Captain by name.

39. Parents or guardians of Cadets must, in all cases of a permanent change of address, inform the Admiralty (N.C.W. Branch), and the Commanding Officer of the Ship.

FORMER COMMISSIONED SERVICE OF CANDIDATES ENTERED AS SUPPLEMENTARY LIST AIRCREW

Rank and seniority will be allowed for previous commissioned service as shown below:—

(a) *Ex-R.A.F. Aircrew Officers (fully trained)*

(c) *Ex-National Service Aircrew Officers*

Ex-National Service fully trained Aircrew Officers subsequently accepted for re-entry on Supplementary List Aircrew commissions to be allowed the rank and seniority they held at the time of completion of full-time National Service commission. seniority until they have completed General Naval Training.

Officers in categories (a) to (d) will not go to Dartmouth, but will carry out a special sequence of training courses.

REGULATIONS FOR THE ENTRY OF OFFICERS IN THE ELECTRICAL SPECIALISATION ON THE SUPPLEMENTARY LIST OF THE ROYAL NAVY

(NOTE.—The Admiralty reserves the right to amend these regulations from time to time, but as much notice as possible will be given of any alterations.)

1. Entries will normally be made once a year in October.

2. Appointments will be in the first instance for 3, 4 or 5 years on the Active List, followed by 4 years on the Emergency List. Whilst on the Emergency List Officers will be liable for service only in war or emergency.

Officers holding National Service Commissions

3. Service on the Supplementary List of the Royal Navy counts against the liability for National Service. Officers holding National Service Commissions with suitable qualifications may transfer to the Supplementary List at any time during their full time naval service. The date of transfer to the Supplementary List will be at Admiralty discretion and will normally be from the date of the acceptance of the application by the Admiralty.

Officers holding National Service Commissions who are accepted for transfer to the Supplementary List will be allowed to count their full pay mobilised service for the purposes of increments of pay and promotion up to a maximum of 18 months' commissioned Service.

Educational Qualifications

4. Candidates must be Graduate Members of the Institution of Electrical Engineers or of the British Institution of Radio Engineers, or hold qualifications which exempt them from Sections A and B of the old, or Parts I and II of the new, I.E.E. Examination. Application may be made in anticipation of these qualifications being obtained. Arrangements could then be made to enable the Admiralty to reach a decision on the selection of the candidate immediately he qualifies educationally.

Age Limits

5. Applicants must have attained the age of 21 years but not have reached the age of 36 on the first day of the month of entry.

Applicants will be required to forward to the Admiralty, with their applications, an extract from the register of birth, or, if this cannot be obtained, other documentary evidence accompanied by a statutory declaration made by a parent or guardian before a magistrate giving the exact date of his birth. Certificates of registry of birth or of baptism are not in themselves accepted as evidence of the date of birth.

Nationality

6. Applicants must be British subjects and the sons of persons who are British subjects at the time of the applicant's entry. The burden of proof of the nationality of the applicants will rest upon the candidates or, in the case of those under 21 years of age, on their parents or guardians who, if they are in doubt, should seek the opinion of the Admiralty at the earliest opportunity.

Applicants who possess a foreign as well as British nationality may be ineligible for entry into the commissioned ranks of the Royal Navy. Such candidates, or their parents or guardians, are therefore advised to seek an early decision from the Admiralty as to their eligibility.

Interview

7. Candidates will be required to appear before a Selection Board, and a naval medical board. Second class rail or bus fares incurred for this purpose can be claimed from the Admiralty after the interview, if they exceed a total of 7s. 6d. from the candidate's normal place of residence. No other expenses, such as meals on the journey* or loss of wages, are allowed.

Physical Standards

8. It is important that candidates should have been thoroughly examined by their own doctor, in relation to the standards set out in Appendix I of the regulations for the Cadet entry into the General List of the Royal Navy in the Electrical Specialisation before they send their applications to the Admiralty: much time is lost and disappointment caused by the discovery of defects which would have been revealed by such an examination and remedied in time. Candidates will be passed by the medical board only if found physically fit for service in the Royal Navy.

Conditions of Entry and Service

9. The acceptance of a candidate will be at the sole discretion of the Admiralty and subject to the number of vacancies available at the date of entry. An officer must be prepared to serve at sea or ashore anywhere in the world.

Training

10. Successful candidates will be entered in the rank of Acting Electrical Sub-Lieutenant and will undergo courses lasting approximately 9 months, mostly at the Electrical Schools. Candidates will be trained either to carry out the duties of Electrical Officer of a small ship or of Electrical Officer of an Air Squadron. Subject to satisfactory progress, and provided they are recommended by their Commanding Officers, candidates will be confirmed in the rank of Electrical Sub-Lieutenant after 6 months' commissioned service. Any Officer failing to reach a satisfactory standard during training may be discharged at Admiralty discretion, or given a further period of instruction.

Promotion

11. Promotion to the rank of Electrical Lieutenant will normally be after 18 months' service as an Electrical Sub-Lieutenant (acting and confirmed time to count).

Seniority as an Electrical Lieutenant may be ante-dated up to a maximum of 4 months, this additional seniority being calculated on the results of the course at the Electrical School. A further period of 4 months may be awarded if the Officer has a First Class Honours Degree in appropriate subjects and 2 months if he has a Second Class Honours Degree.

An Officer will be considered for promotion to

* Candidates who have to travel long distances to reach the Admiralty for interview and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meal, bed and breakfast up to a maximum of 30s. for each night necessarily spent away from home. A claim for this refund must be supported by a receipted bill or voucher for each night's accommodation. Apart from this expenses on accommodation and meals cannot be refunded.

Electrical Lieutenant-Commander on attaining 8 years' seniority as an Electrical Lieutenant.

Promotion to Commander on the Supplementary List will be by selection, as vacancies occur.

Extension of Service

12. At any time before the last 3 months of his term of service on the Active List, an Officer may apply through the normal Service channels to extend his service by 1 or 2 years up to a total of 5 years' service, and by 3, 4 or 5 years up to a maximum period of service of 10 years.

In some cases, extension by shorter periods may be permitted.

Permanent Commissions

13. Permanent Commissions on the Supplementary List will be available to suitable officers. Application(s) may be made at any time after completing 2½ years' service on the Electrical Supplementary List.

Transfer to the General List

14. Transfer to the General List will be made only in the most exceptional circumstances.

Uniform

15. A cash grant for the provision of the necessary outfit or uniform is payable to new entries in addition to a free issue of certain articles of clothing, augmented as necessary for the provision of tropical clothing on appointment abroad. A reduced allowance dependent upon the length of break in service is payable to candidates with previous Naval Service as Officers within the immediately preceding four years. Any officer discharged under paragraph 10, or who fails to serve for a period of three years, may be required to refund all or part of the cash grant and the cash value of the free issue articles.

Gratuity

16. At the end of his period on the Supplementary List under this scheme, an Officer will be eligible for a gratuity (free of tax) of £165 for each year's service.

If he fails to complete the full period of Active List service which he has undertaken he will be awarded a gratuity in accordance with the general regulations set out in this Appendix.

Pay

17. The rates of pay and marriage allowance of officers of the Electrical Specialisation are shown under the heading "Pay and Allowances of Officers"

Applications

18. Application must be made on the appropriate form, which will be supplied on request by letter, addressed to the Director of Naval Recruiting, Officer Entry Section, Queen Anne's Mansions, London, S.W.1. The form must be completed in the applicant's own handwriting and returned, with the documentary evidence of birth and educational qualifications, to the Secretary of the Admiralty, N.C.W. Branch (Room 534), Queen Anne's Mansions, London, S.W.1. Applications may be forwarded at any time, but in order to be in time for the annual entry they must be received by 31st July.

Any candidate who has completed and returned the application form but has not received an acknowledgment of it within 4 complete days should write at once to the Secretary of the Admiralty, N.C.W. Branch (Room 534), at the above address. Failure to do so will deprive the candidate of any claim to consideration on the grounds of loss or delay in the post.

Applications from serving Officers are to be submitted to Commanding Officers who should forward them to the Admiralty accompanied by a report on Form S.206.

REGULATIONS FOR THE ENTRY OF OFFICERS FOR SEAMAN DUTIES ON THE SUPPLEMENTARY LIST OF THE ROYAL NAVY

(The Admiralty reserves the right to amend these regulations from time to time, but as much notice as possible will be given of alterations.)

1. Under this scheme of entry into the Royal Navy, appointments are, in the first instance, for 10 years on the Active List, followed by 4 years on the Reserve: but Officers have the option of leaving on completion of 5 years' service, with a reduced gratuity, followed by 4 years on the Reserve. Whilst on the Reserve, Officers will only be liable for service in war or emergency.

2. Entries will normally be made three times a year, in January, May and September.

3. Successful candidates will be entered as Cadets and will undergo 12 months' initial training at Dartmouth and at sea. On successful completion of this they will be appointed Midshipman for 12 months' further sea training. Applicants who have had former service should indicate it when applying so that adjustments may be made to training, and in certain cases to seniority.

Former National Service Officers will enter as Midshipmen with seniority of date of entry if under 21, or as Acting Sub-Lieutenants if over 21. If they reach 21 when still under training they will be promoted to Acting Sub-Lieutenant. On joining the Fleet on completion of training (which will be a special course lasting about 23 weeks) they will be promoted to Sub-Lieutenant.

R.N.R. Officers and failed Supplementary List Aircrew Officers will, in general, start at Dartmouth on equal terms with candidates who have no previous commissioned service. However, if R.N.R. Officers are over 21, are on List 1, and have completed their Courses they may, according to the advice of the

Admiral Commanding Reserves, be excused training at Dartmouth and be trained as former National Service Officers, or even be allowed to join the Fleet with no further training. While under training, these Officers will be Acting Sub-Lieutenants with seniority of date of entry, and Sub-Lieutenants on joining the Fleet.

4. On completion of 4 years, Officers will be required to state whether they wish to remain for the full period of 10 years or, alternatively, to exercise the option to resign on completion of 5 years.

5. Permanent Commissions on the Supplementary List will be made available for a proportion of Officers completing 8 years of a 10-year Supplementary List Commission, with prospects of promotion to the rank of Commander. In exceptional cases, Officers on the Supplementary List may be transferred to the General List with a Permanent Commission.

6. On leaving the Active List on satisfactory completion of 10 years' service, officers will be eligible for a tax-free gratuity of £1,550; officers who leave on satisfactory completion of 5 years' service will be eligible for a tax-free gratuity of £775. Officers who are selected for a Permanent Commission will not be eligible for this gratuity, but will be eligible for retired pay or gratuity under the regulations in force for permanent officers, and will be allowed to count their actual service on this commission towards such retired pay or gratuity subject to the operation of the general rules governing service for such awards.

7. The rates of pay and marriage allowance are shown under the heading "Pay and Allowances of Officers."

II. AGE LIMITS

8. Applicants must have attained the age of 17 years but must not have attained the age of 23 years on the date of making application.

9. Applicants will be required to forward to the Admiralty, with their applications, an extract from the register of birth; or, if this cannot be obtained, other documentary evidence accompanied by a statutory declaration made by a parent or guardian before a magistrate giving the exact date of his birth. Certificates of registry of birth or of baptism are not in themselves accepted as evidence of the date of birth.

III. NATIONALITY

10. Applicants must be British subjects and the sons of persons who are British subjects at the time of the applicant's entry. The burden of proof of the nationality of the applicants will rest upon the applicants or, in the case of those under 21 years of age, on their parents or guardians who, if they are in doubt, should seek the opinion of the Admiralty at the earliest opportunity.

11. Applicants who possess a foreign as well as British nationality may be ineligible for entry into the commissioned ranks of the Royal Navy. Such candidates, or their parents or guardians, are therefore advised to seek an early decision from the Admiralty as to their eligibility.

IV. PHYSICAL STANDARD

12. Candidates will be required, irrespective of whether they have been passed fit in connection with a previous examination, to present themselves for medical examination and must be found physically fit for Seaman duties in the Royal Navy. Physical defect of body, impediment of speech, defect of sight or hearing, and predisposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate unfit for the duties in his Branch of the Service. A candidate will not be entered unless he has been vaccinated within the past three years and is prepared to be re-vaccinated when considered necessary by the naval authorities.

13. Details of physical requirements for candidates are contained in the Appendix.

14. The attention of applicants is particularly invited to the advice in paragraph 1 of the Appendix. Experience at recent examinations has shown that an undue number of candidates have been found to be suffering from defects sufficiently serious to cause their rejection on medical grounds. Had they been examined beforehand, as advised, unnecessary expense and disappointment might have been avoided.

V. EDUCATIONAL QUALIFICATION

15. All candidates MUST forward with their applications evidence that they possess one of the following qualifications:—

- (a) General Certificate(s) of Education showing passes at the Ordinary Level in (i) English Language, (ii) Mathematics, and (iii) three other subjects from the list given in paragraph 16 below.
- (b) A Scottish Leaving Certificate showing passes in the Lower Grade in English, Mathematics, and three other subjects from the list given in paragraph 16 below.
- (c) A Grammar School Senior Certificate issued by the Ministry of Education of Northern Ireland in 1952 or after, showing passes at Ordinary Level in English Language, Mathematics (Traditional or Alternative), and in three other subjects from the list in paragraph 16.

(d) An Overseas School Certificate issued by the University of Cambridge Local Examinations Syndicate (or the equivalent) showing credit passes in English, Mathematics, and three other subjects from the list in paragraph 16.

(e) A Matriculation Certificate issued by the University of London, or any other certificate which, in the opinion of the Admiralty, is of equivalent or higher standard.

† Certain restrictions are imposed on these subjects viz:—

- (a) General Classics may not be offered with either Latin or Greek.
- (b) Physics-with-Chemistry may not be offered with either Physics or Chemistry.
- (c) General Mathematics (Oxford and Cambridge) may not be offered with any other Mathematics subject.

* Recognised variants in these subjects (e.g. European History, Economic History, etc.) will be accepted, but not more than one subject under each heading *except* in the cases of Mathematics and modern languages.

17. If a candidate has passed one of the above examinations but has not yet received the actual certificate, a certified statement from the examining body (not the Headmaster) that he has been successful and has obtained passes in the required subjects will be accepted.

VI. MEDICAL EXAMINATION AND PERSONAL INTERVIEW

18. Applicants who satisfy the educational requirements and are accepted as candidates will be required to undergo a medical examination and an interview.

19. Second-class rail or bus fares incurred in travelling in connection with these tests, from the candidate's normal place of residence, will be paid by the Admiralty if they exceed the sum of 7s. 6d. Accommodation and food will be provided free of charge to candidates whilst they are undergoing the selection procedure, but subject to the proviso in paragraph 20 below, no other expenses, such as meals on journey or loss of wages are allowed.

20. Candidates who have to travel long distances to reach the Admiralty Interview Board and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meal, bed and breakfast up to a maximum of 30s. 0d. for each night necessarily spent away from home. A claim for this refund must be supported by a receipted bill or voucher for each night's accommodation. Apart from this, expenses on accommodation and meals cannot be refunded.

VII. APPLICATIONS

21. Application must be made on the appropriate form, which will be supplied on request by letter, addressed to the Director of Naval Recruiting, Officer Entry Section, Queen Anne's Mansions, London, S.W.1. The form must be completed in the applicant's own handwriting and returned to the above address, together with the documentary evidence of birth and educational qualifications.

22. Any candidate who has filled up and returned the application form but has not received an acknowledgment of it within four complete days should write

at once to the Officer Entry Section at the above address. Failure to do so will deprive the candidate of any claim to consideration on the grounds of loss or delay in the post.

23. Candidates who pass the medical examination but who fail the interview are allowed three attempts at entry under this scheme, provided they are still within the age limits. Six months must, however, elapse between each interview.

VIII. CONDITIONS OF ENTRY AND SERVICE

24. The acceptance of a candidate will be at the sole discretion of the Admiralty and subject to the number of vacancies available at the date of entry.

25. Before a candidate's entry as a Cadet, a certificate by the school or other authority must be forwarded to the Secretary of the Admiralty to the effect that the candidate is able to swim at least 50 yards.

26. The Admiralty reserve the right to terminate an appointment at any time if, in their opinion:—

- (a) the qualities required of a Naval Officer are not being sufficiently developed; or
- (b) the officer's conduct is unsatisfactory.

27. Should an Officer be invalidated, he will receive proportionate gratuity (subject to the normal provision that any such gratuity is liable to be reduced or withheld if the disability was due to causes within the Officer's own control). An Officer who, for any other reason does not complete his full period of service on the Active List will not be entitled to any gratuity: but an award, either at the full rate or at a reduced rate to be decided by the Admiralty, may be sanctioned, subject to a minimum period of service of one year in the following circumstances:—

- (a) For an Officer compulsorily transferred to the reserve, required to relinquish his commission or to resign.
- (b) For an Officer transferred to the reserve at his own request.

28. The gratuity is intended to assist Officers' resettlement in civil life and is, therefore, not payable to the estate of an officer who dies or is killed while serving on the Active List. A special gratuity is, however, normally paid to the widow; or if there are children but no widow, this gratuity may be paid in part or in whole for the benefit of the children.

29. Pensions are also payable under Ministry of Pensions' regulations to the widows, etc. of officers whose death is due to their service.

IX. PROMOTION

30. Officers will be promoted in accordance with the following arrangements:—

- (a) To Midshipman—on successful completion of basic training as a cadet.
- (b) To Sub-Lieutenant—on completing 12 months as a Midshipman.
- (c) To Lieutenant on satisfactory completion of between 24 and 36 months service as a Sub-Lieutenant (or as a Midshipman after the age of 21) after allowing time gained during training; promotion will be conditional on possession of a Watchkeeping Certificate, but acting rank will be allowed at the due time if an officer has failed to attain this qualification through no fault of his own.
- (d) To Lieutenant-Commander—on selection at not less than 8 years' seniority as a Lieutenant.
- (e) To Commander—there will in due course be a limited opportunity of promotion to Commander within zones to be announced later.

X. GENERAL

31. The Admiralty will provide the Cadets with all the articles of uniform and clothing required on entry. Apart from incidental expenses (e.g. laundry charges, the cost of maintenance whilst on leave, and the costs of travel to destinations outside the United Kingdom when proceeding on leave or returning from

leave) no form of expenses will fall on the parent or guardian or Cadet.

32. In the event of compulsory termination of appointment within 12 months of entry, the Admiralty will require return of the principal items of uniform and equipment. A charge will be raised against the officer, or his parent or guardian, in respect of any specified items not so returned. Officers resigning voluntarily before reaching the rank of Acting Sub-Lieutenant are required to refund the cost of the outfit issued to them on entry as cadets and on completion of cadet training on the following scale:—

After 2 years' service ..	Nil
After 1 year's service but under 2 years ..	One half
Under 1 year's service ..	In full

33. On promotion to Acting Sub-Lieutenant, an officer is supplied with further free issues of clothing and given a cash grant to purchase additional items of uniform. The cash grant in respect of officers under 21 years of age may be paid direct to the parent or guardian if application is made before the officer is promoted. Officers resigning within three years of receiving this clothing will be liable at Admiralty discretion to refund all or a proportion of the value of the free issues and cash grant.

34. The Cadet will be entitled without charge to medical and dental treatment while under training; and, when on leave, may consult the local Admiralty Surgeon and Agent, if necessary. The repayment of expenses incurred through consulting a civil medical practitioner will be considered by the Admiralty should an Admiralty Surgeon and Agent not be available, or for other exceptional reasons.

35. A Cadet entered under these schemes must produce on joining, or on returning from leave, a health certificate to the effect that he has not suffered from, nor been exposed to, infectious disease during the previous 30 days.

36. Letters concerning Cadets should be addressed to the Commanding Officer of the establishment or ship in which he is training, and not to the Captain by name.

37. Parents or guardians of Cadets must in all cases of a permanent change of address, inform the Admiralty (N.C.W. Branch), and the Commanding Officer of the Ship.

APPENDIX

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR CADETSHIPS IN THE SEAMAN SUPPLEMENTARY LIST OF THE ROYAL NAVY

1. In general, physical defect of body, impediment of speech, defect of sight or hearing, and predisposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate incapable of performing general duties in the Royal Navy, ashore and afloat, in any part of the world, throughout his period of service. A candidate will not be entered unless he has been vaccinated within the past three years and is prepared to be re-vaccinated when considered necessary by the Naval authorities.

2. In order to prevent candidates who may be physically unfit for Her Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they should undergo examination by the medical adviser of the family, or any other qualified medical practitioner. It should be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of the regular official physical examination. Specialist reports concerning any defect the candidate might suffer from will always be considered by the Admiralty Medical Board and (if any) they should accompany the candidate at the time of his medical examination. The list of defects which cause rejection and which may be submitted to the private medical practitioner

for guidance, are set out in Appendix II of the regulations for the Cadet entry into the General List of the Royal Navy.

VISUAL STANDARDS

Distant Vision	Near Vision	Colour Perception Standard
6/9 6/12	N5 EE	One

Any defect of form vision must be solely due to error of refraction and be capable of correction to 6/6.

Refractive error limits (under homatropine):—

Total Hypermetropia:—

2.5 dioptres in the better eye, 3.0 dioptres in the worse eye.

Astigmatism:—

The fields of vision must be normal to the confrontation test. Stereoscopic vision must be present. Heterophoria (maddox rod at 6 metres) must not exceed:—

Eso- and Exo-phoria	6 prism dioptres
Hyperphoria	1 prism dioptre

Candidates whose unaided distant vision is not worse than 6/12 6/24 and who present themselves for examination wearing contact lenses (but not microcorneal) to which they have acquired complete tolerance, may be accepted for entry provided vision is improved to 6/6 6/6.

ALL DENOMINATIONS

Nationality

7. Candidates must be British subjects and the sons of persons who are British subjects at the time of the candidate's entry. The burden of clear proof will rest upon the candidate who if in any doubt, should seek the opinion of the Admiralty at the earliest opportunity.

8. Candidates who possess a foreign as well as British nationality may be ineligible for entry in the Royal Navy. Candidates are, therefore, advised to seek an early decision from the Admiralty in such circumstances.

Visual Standard

9. Both eyes to be healthy, the vision to be correctable to 6/6; 6/24 or to 6/12; 6/12 at least. The candidate should be able to read Times Roman N8 with either eye with glasses. There should be no history of asthenopia.

The refractive error should not exceed:—

- 7 dioptres of hypermetropic or of compound hypermetropic astigmatism under homatropine in the meridian of greater error in either eye.

- (b) 7 dioptries of myopia or of compound myopic astigmatism under homatropine in the meridian of greater error in either eye.

The fields of vision should be full. Colour Perception Standard III. This entails the recognition of red, green and white lights on the Martin Lantern at a distance of 5 feet.

An alternating squint with small deviation (not abnormal cosmetically) will be permitted provided that the vision shall be correctable to at least $\frac{6}{24}$ in the worse eye.

Dental Standard

10. The candidate's teeth must be in a healthy condition and adequate for the efficient mastication of food. The candidate must make his own arrangements for any defects to be remedied prior to entry. The wearing of artificial dentures, provided they are well-fitting, will not necessarily disqualify a candidate who is fit and suitable in every other respect.

General

11. Chaplains will be appointed for a period of 4 years only in the first instance. Chaplains leaving the Service on the expiration of a Short Service engagement will be placed on an Emergency List and will be liable for service in war or emergency during the subsequent 4 years. A Chaplain who, in the opinion of the Admiralty, is unsuitable for the Naval Service may be discharged at any time. In addition if the ecclesiastical authorities of the R.C. Church are not satisfied with the conduct of a Chaplain (R.C.) the Admiralty will take note of their objection.

12. Resignation before the expiration of 4 years' service may be permitted, in special circumstances, at the discretion of the Admiralty.

13. Candidates who have to travel long distances to reach the Admiralty for interview and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meal, bed and breakfast up to a maximum of 30s. for each night necessarily spent away from home. A claim for this refund must be supported by a receipted bill or voucher for each night's accommodation. Apart from this, expenses on accommodation and meals cannot be refunded.

15. In certain circumstances widows are eligible for pensions with allowances for children as provided in the appropriate sections of this Appendix.

MISCELLANEOUS

16. All Chaplains must be prepared to serve in any part of the world.

17. Chaplains on board ship are vettualled under the usual conditions for Naval Officers, i.e., they are required to pay the usual mess subscriptions. When detached for duty in circumstances which render the ordinary service vettualling unavailable they are entitled to Provision Allowance.

18. Chaplains, R.N., are required to wear Naval uniform, the initial cost of which is met by a cash allowance and a free issue of certain items of clothing.

REGULATIONS FOR INSTRUCTOR OFFICERS, R.N.

ENTRY

1. Entry into the Instructor Branch, R.N., will in the first instance be on a Short Service basis under the following regulations:—

Candidates must have attained the age of 21 years

and must not have reached the age of 36 years on the date of entry. They must be recommended for entry by the Director of the Naval Education Service.

2. Candidates must be British subjects and the sons of persons who are British subjects at the time of the candidate's entry. The burden of clear proof of the nationality of the candidate will rest with him and if he is in any doubt he should seek the opinion of the Admiralty at the earliest opportunity. Candidates not of pure European descent must be resident in the United Kingdom at the time of application.

Candidates who possess a foreign as well as British nationality may be ineligible for entry into the commissioned ranks of the Royal Navy. Candidates are, therefore, advised to seek an early decision from the Admiralty, as to their eligibility for entry if possessing double nationality.

3. Candidates must possess a degree or the equivalent or acceptable teaching qualifications.

The majority of entries will be from candidates with qualifications in Mathematics, Science (Physics, Chemistry or Metallurgy with Mathematics as a Subsidiary Subject), Engineering (Mechanical, Electrical, Aeronautical or Civil); but a proportion with qualifications in Arts subjects will be required. Experience in teaching is desirable. Instructor Officers entered with first or second class Honours Degrees are distinguished in the Navy List as Instructor Officers(†).

4. Candidates must be pronounced physically fit by the Medical Director-General of the Navy for general duties in the Instructor Branch.

Visual and Dental Standards on Entry

Both eyes to be healthy, the vision to be correctable to $\frac{6}{6}$; $\frac{6}{24}$ or to $\frac{6}{12}$; $\frac{6}{12}$ at least. The candidate should be able to read Times Roman N6 with either eye with glasses. There should be no history of asthenopia.

The refractive error should not exceed:

- (a) 7 dioptries of hypermetropia or of compound hypermetropic astigmatism under homatropine in the meridian of greater error in either eye.
- (b) 7 dioptries of myopia or of compound myopic astigmatism under homatropine in the meridian of greater error in either eye.

The fields of vision should be full.

Colour Perception. The minimum standard of colour perception is Standard III. This entails the recognition of red, green and white lights on the Martin lantern at a distance of 5 feet.

An alternating squint with small deviation (not abnormal cosmetically) will be permitted.

If binocular vision is present heterophoria should not exceed:—

Eso- or Exo-phoria	..	7 prism dioptries
Hyperphoria	..	2 prism dioptries

The candidate's teeth must be in a healthy condition and adequate for the efficient mastication of food. Any defects must be remedied prior to entry. The wearing of artificial dentures, provided they are well-fitting, will not necessarily disqualify a candidate who is fit and suitable in every other respect.

Training

5. Instructor Officers will on entry normally undergo a course of instruction in one of the Naval Training Establishments. These courses include navigation, technical and non-technical subjects and instructional technique. These are followed by a period of practical training, and experience at sea. Initial training generally lasts about 6 months. Officers with suitable qualifications in mathematics or science may be required on entry or at a later date to undergo a 5 months' course at the Royal Naval School of Meteorology.

Any officer who fails to qualify in his preliminary course may be discharged.

CONDITIONS OF SERVICE

- 6. Instructor Officers (dagger) will be entered in

the rank of Acting Instructor Lieutenant and will be confirmed in rank on satisfactory completion of 6 months' service, most of which will have been spent in preliminary training. On confirmation, their seniority as Instructor Lieutenant will be ante-dated to a date 2 years before the date of entry and they will receive pay appropriate to an Instructor Lieutenant of that seniority, from the date of completion of 6 months' service.

This ante-date of seniority will count during an officer's short service (*see* paragraph 8) for the purpose of determining (a) his seniority and (b) his eligibility for increases of pay, and (c) for purposes of promotion. If, however, a short service officer is transferred to the Permanent List (*see* paragraph 16) the ante-date of seniority will count for the above purposes but not as service towards retired pay.

Service before the age of 21 does not count for seniority purposes after transfer to the Permanent List, and officers who were entered before this age will have their seniority adjusted on transfer.

7. Instructor Officers (non-dagger) will be entered in the rank of Instructor Sub-Lieutenant and will be promoted to Instructor Lieutenant after 1 year's satisfactory service.

8. All officers will be entered initially on a short service commission for a period of 3, 4 or 5 years. At any time during the last year of his commission, but not less than 3 months before his commission is due to terminate, an officer may apply through the normal service channels for:—

- (a) his commission to be extended by 1 or 2 years; or
- (b) a new short service commission of 3, 4 or 5 years to follow immediately his existing commission; or
- (c) an extension of his short service commission by any period up to a maximum of 6 months.

A report on Form S.206 should accompany each application for either (a) or (b) above.

No officer can be permitted to serve for more than a total period of 12 years on short service commissions. Any extension under (c) above must fall within this maximum period and only one such extension can be allowed.

9. Officers who leave the service at the end of their short service commission(s) will be eligible for a gratuity (free of tax) which will be paid at the end of their total period of service.

The (full) rates of gratuity are:—

After 3 years' service	£465
For each additional year of service	£155
Portion of year under 8(c) above—proportion of	£155

a) Officers whose period on a short service commission is not treated as contributory service under the Teachers' (Superannuation) Acts will receive the full rate of gratuity.

(b) Officers whose period on a short service commission is treated as contributory service under the Teachers' (Superannuation) Acts will receive the full rate of gratuity less the amount of the employer's and employee's contribution under those acts, which amount, where required to be paid, will be paid by the Admiralty to the Ministry of Education on their behalf. Similar arrangements will be made with the Scottish Education Department and the Ministry of Education for Northern Ireland.

10. Officers serving on short service commissions are entitled to the rates of pay according to seniority and are eligible for promotion to Instructor Lieutenant Commander in accordance with the regulations for permanent Instructor Officers.

11. Service as an Instructor Officer counts as teaching service in determining the incremental position of a teacher on the Burnham Scales, and as qualifying for purposes of the Teachers' (Superannuation) Acts. The position is similar as regards Scotland and Northern Ireland.

12. Details of the full pay, retired pay, etc., of Instructor Officers are contained under those headings in the various sections of this Appendix.

13. A cash grant for the provision of certain tailored items of uniform and a free issue of certain other items of clothing in accordance with an approved scale, is made subject to certain conditions of refund in the event of failure to complete specified periods of service up to a maximum of 3 years.

Officers who have already been provided with uniform and clothing in respect of previous service as an officer may receive modified grants according to the length of the break in service.

14. Instructor Officers must be prepared to serve in any part of the world.

EMERGENCY LIST

15. Officers leaving the service on completion of a short service commission will be placed on an Emergency List and will be liable for service in war or emergency during the subsequent 4 years.

PERMANENT LIST

16. The Permanent List is subdivided into two sections, List A and List B. List A will be restricted to Officers, dagger and non-dagger, having academic qualifications that fit them for the highest posts in the Instructor Branch. List B consists of officers considered suitable for a full career in the naval service, but whose academic qualifications are not high enough to enable them to be considered for List A. Transfer from List B to List A will not be made other than in the most exceptional circumstances. Both List A and List B officers will be on a common seniority list with a symbol to indicate officers on List B.

17. Instructor Officers serving on short service commissions may apply for transfer to a permanent commission after 2 years' qualifying service. Transfers to List A will be restricted to officers in possession of a degree or the equivalent. Officers who do not possess the academic qualifications necessary for List A may be considered for transfer to List B.

18. Applications must be submitted through normal service channels and should be made by January 15th and August 15th for consideration in March and October respectively.

19. An officer who has not completed his minimum period of qualifying service by the final date for making application in either half-yearly period may submit his application provided that he will have completed the minimum period by March 15th in the case of January applications, or October 15th in the case of August applications.

20. Transfers are at the discretion of the Admiralty and applicants, who must be recommended by their Commanding Officers, will be interviewed upon initial application.

21. An officer who is not granted a permanent commission at his first attempt will be automatically reconsidered for transfer at each succeeding half-yearly selection without further application until the end of his short service commission, unless he cancels his application. He may be called again for interview if the Director of the Naval Education Service considers this necessary.

22. A report on Form S.206 should be forwarded with the initial application and at 6 monthly intervals thereafter until the officer concerned has been transferred to the Permanent List or to the Emergency List or his application has been cancelled.

23. Officers transferred to the Permanent List are not permitted to count service before 21 years of age for seniority purposes.

24. Short service officers transferred to the Permanent List will not be eligible for gratuities in respect of their short service commissions. Any officer who has already received a gratuity in respect of such service will be required to refund it, either in a lump sum or in suitable instalments, as a condition of counting the service towards retired pay, terminal grant or gratuity on the permanent scale.

25. To be considered for transfer to the Permanent List, an officer must (a) be in a position to complete at least 10 years' service from the date of transfer

before the normal age for retirement and (b) to have an expectation of completing a total of at least 16 years' reckonable service (which may include previous service in the Army and Royal Air Force), for retired pay purposes. On voluntary retirement after transfer to the Permanent List an officer who has not qualified for retired pay, may be paid a gratuity provided he has a minimum of 10 years' qualifying service, including not less than 5 years after transfer to the Permanent List.

26. On compulsory retirement at the age limit, or on invaliding after not less than 10 years' qualifying service, officers will be eligible for retired pay and terminal grants on the same terms as other permanent officers. Officers who are invalided after less than 10 years' qualifying service will be eligible for gratuity on the permanent scale.

PROMOTION

27. Subject to a satisfactory record, an Instructor Lieutenant on List A or List B will be promoted Instructor Lieutenant-Commander on attaining 8 years' seniority as Instructor Lieutenant. On List A promotion to the rank of Instructor Commander and above will be by selection.

Promotion on List B to the rank of Instructor Commander and above will be possible but will be exceptional.

DUTIES

28. Instructor Officers are employed primarily on educational and training duties ashore and afloat. A certain number of officers qualified in meteorology, are, however, seconded for meteorological duties and constitute the major part of the Naval Weather Service.

29. Instructor Officers are appointed to serve in aircraft carriers, cruisers, depot and repair ships, and destroyer and frigate squadrons of the Royal Navy.

30. The Instructor Officer is an integral part of the organisation of his ship and at "Action Stations" (except where appointed for full-time meteorological duties), he is employed in a key position in the tactical and strategical plotting organisation. Officers qualified in meteorology may be appointed for forecasting and general meteorological duties in a full or part time capacity, those who show a particular interest or aptitude being seconded to the Naval Weather Service for full time duties for a period of years. All officers with scientific qualifications must be available to assist with their knowledge in solving any scientific problem which may arise.

31. Ashore, Instructor Officers are appointed to the Naval Colleges, Technical and Training Establishments, the main Naval Air Stations and other establishments where theoretical technical instruction, basic education, adult education and meteorological requirements exist.

Administrative posts in Headquarters and Commands are open to the more senior Instructor Officers, and occasional opportunities for advanced technical research exist.

In any ship or shore establishment the Senior Instructor Officer is responsible to the Commanding Officer for all the educational activities, including the furtherance of Adult Education. The senior officer appointed for meteorological duties will, however, be responsible for the meteorological organisation.

Short Service basis and appointments will be made under the following regulations:—

- (d) Age: preferably 24–28.
- (e) Candidates will be interviewed by the Medical Director-General and their physical fitness determined by a Board of Medical Officers at the Admiralty. In doubtful cases the burden of clear proof will rest upon the candidates who, if they are in any doubt, should seek the opinion of the Admiralty at the earliest opportunity. Candidates who possess

a foreign, as well as British nationality may, in certain cases, be regarded as ineligible for entry as Medical Officers, R.N. Prospective candidates possessing dual nationality are therefore advised to seek an early decision from the Admiralty as to their eligibility for entry.

3. In certain circumstances widows are eligible for pensions with allowances for children as provided in the appropriate sections of this Appendix.

UNIFORM

4. Prior to joining, Officers will be required to provide themselves with a minimum of uniform, details of which will be supplied. A cash grant towards the provision of the necessary outfit of uniform is payable in addition to a free issue of certain articles of clothing, subject to conditions of refund in the event of an Officer failing to serve for certain prescribed periods from date of entry. Grants on this scale are not payable to Officers who have already received gratuities in respect of previous periods of Naval service as Officers. Such Officers may receive modified grants which will depend upon the length of break in service.

MESSING

5. Officers will be allowed the ordinary ship's rations when attached to ships in commission, but will have to pay about 2s. a day towards the maintenance of their Mess as Ward Room Officers.

CONDITIONS OF SERVICE

6. (a) Successful candidates will be entered for a 3 or 4 years' Short Service Commission as Acting Surgeon Lieutenants; they may subsequently apply to extend their service for a further 2, 3 or 4 years.

(b) Officers not granted additional seniority in accordance with paragraphs 16(a) and (b) hereafter, will be promoted to Surgeon Lieutenant after 1 year's satisfactory service;

(c) Those granted less than 1 year's ante-date, will be promoted to Surgeon Lieutenant when the period of the ante-date added to their current service amounts to 1 year;

(d) Those granted an ante-date of 1 year or more will be appointed as Surgeon Lieutenants on entry;

(e) Officers who leave the Service at the end of the 3 year Short Service Commission will be eligible for a gratuity at the rate of £230 a year (free of tax) with a further gratuity of £230 for each subsequent year of service.

7. Under the Regulations, Officers are required periodically and on cessation of medical charge to render a Journal of their practice, and certain other returns. Failure to comply with these Regulations on termination of the engagement may involve delay in payment of the above gratuities.

8. Officers must serve when and where required.

9. Officers are liable to immediate discharge for misconduct or if for any reason considered by Their Lordships to be unsuitable for retention.

10. A course of instruction on Naval Regulations and Procedure, Tropical Diseases, Naval Hygiene, etc., is given to each Short Service Officer on entry.

11. Surgeon Lieutenants are to report through their Commanding Officer not later than 6 months before their Short Service is due to expire, whether they desire to be considered for transfer to the permanent list.

TRANSFER TO THE PERMANENT LIST

12. Officers are transferred to the permanent list at the discretion of the Admiralty, and in determining the number to be transferred regard will be paid by the Admiralty to the number of higher appointments available from time to time for Officers on the permanent list.

13. A Permanent Commission Grant will be paid

to Medical Officers whose transfer to a Permanent Commission is approved, as follows:—

Medical Officers £1,500 (taxable)

(a) Payment of these Permanent Commission Grants will be made after the completion of 1 year's satisfactory commissioned service in the Medical Branch of the Royal Navy. If this has been performed before transfer to a Permanent Commission, payment of the grant will be made on the Permanent Commission being granted. The acceptance of a Permanent Commission implies an undertaking to serve until the normal retiring age. If, however, an Officer applies to resign or retire before the completion of his service and Service requirements allow him to be released, the Admiralty reserve the right to require a refund of the whole or part of the Permanent Commission Grant.

(b) Officers who transfer from a Short Service List to the Permanent List will not be entitled to a gratuity in respect of the completed portion of their Short Service Commission in addition to the Permanent Commission Grant. Any Officer who has completed his Short Service Commission and received a Short Service gratuity, and is granted a Permanent Commission in the Medical Branch of the Royal Navy, will have deducted from his Permanent Commission Grant the sum which he has received as a Short Service gratuity.

Note.—The retired pay of Officers who received the special £1,000 gratuity as a result of transfer to the Permanent List before 1st July, 1946, will be reduced at the rate of £4 10s. a year for each year or part of a year of service short of a total of 25 years, subject to a maximum deduction of £54 a year.

14. On transfer to the permanent service Surgeon Lieutenants must provide themselves with the complete outfit of uniform prescribed by the Regulations.

15. (a) Promotion is made to rank of Surgeon Lieutenant-Commander on attaining 7 years' seniority as confirmed Surgeon Lieutenant including at least 2 years' sea service from date of entry. Promotion to rank of Surgeon Commander and above is by selection, subject to completion of such periods of service and sea service and subject to such other conditions as may be specified from time to time.

(b) The general regulations governing promotion to the above ranks and higher ranks are included in the Queen's Regulations and Admiralty Instructions.

SENIORITY

16. (a) Previous Service in the Armed Forces.—Previous commissioned service in the Armed Forces as a Medical Officer will be allowed to count respectively as commissioned medical service in full towards seniority, promotion and pay, whilst other previous commissioned service in the Armed Forces will count as half for seniority, promotion and pay. All previous commissioned service in the Armed Forces, subject to there not being a break of more than 5 years before re-entry, will count in full for retired pay. In any case where there is a break of more than 5 years an Admiralty decision should be sought.

(b) Recognised Medical experience after full registration in a hospital or civilian practice may render an Officer eligible for the grant of an ante-date of seniority up to a maximum of 7 years. The Medical Director-General of the Navy will decide as to the suitability of the Officer's civilian experience for the purpose of granting an ante-date but not more than 2 years in civilian practice may be counted towards an ante-date. Additional seniority so granted will count for increase of pay and promotion but will not reckon as service for retired pay or gratuity.

The basis of calculation will be:—

First 4 years' approved experience	..	in full
Subsequent experience as a Specialist	..	in full
Other recognised experience	..	in half

(c) Transfer to permanent list.—Any Officer who has, for recognised medical experience in a hospital or in civil practice, been given an ante-date of seniority during his Short Service Commission will transfer to the Permanent List with that seniority. Any Officer who has not been given such an ante-date of seniority but whose previous experience in a recognised hospital or civil practice might justify an ante-date, may apply for this to be taken into consideration in determining his seniority on transfer to the Permanent List.

(d) R.N.R. Officers serving for their period of full-time National Service.—An ante-date of seniority will be allowed to confirmed Surgeon Lieutenants on transfer to Short Service Commission or the Permanent List in respect of recognized hospital experience or civil practice obtained since full registration.

EMERGENCY LIST

17. Officers leaving the Active List on completion of their Short Service engagements will be placed on an Emergency List, and will be liable for service in war or emergency during the subsequent 4 years.

MEDALS AND PRIZES

18. Awards and prizes open to Naval Medical Officers are the Gilbert Blane Medal, Chadwick Naval Prize, and North Persian Forces Memorial Medal, and the Parkes Memorial Prize.

POST-GRADUATE INSTRUCTION

19. Specialist Courses and Post-Graduate Courses of various duration are arranged at recognised civil teaching centres for Officers selected for specialist posts or as general revision courses.

20. Medical Officers selected for specialist duties are given ample opportunity to prepare for and take degrees and diplomas in their specialist subjects.

KITCHENER MEDICAL SCHOLARSHIPS

21. By arrangement with the Lord Kitchener National Memorial Fund these Scholarships may be awarded to the sons of Officers and Men or of ex-Officers and Men of H.M. Forces who desire to take a medical training with a view to obtaining a regular Commission in the Medical Services of the Navy, Army or Air Force.

22. Ex-holders of Kitchener Scholarships are entered into the Royal Navy for 5 years' short service instead of the normal period of 4 years. On completion of 5 years' full pay service they will be eligible to withdraw from the Royal Navy with a gratuity of £1,150 (tax free). Since the cost of Scholarships awarded to candidates who enter the Royal Navy is borne by Naval Funds such cost will be deducted from the withdrawal gratuity of £1,150, any balance of the cost in excess of £1,150 being waived.

23. Ex-Kitchener Scholars are eligible to apply for transfer to the Permanent List. The full cost of the Scholarship, even though its value may exceed £1,150 will be deducted, at the discretion of the Admiralty from any withdrawal gratuity which may be payable to an ex-Scholarship holder who is transferred to the Permanent List and who fails to serve for 15 years in the Royal Navy.

24. Ex-Kitchener Scholars who transfer to the Permanent List will be eligible for the Permanent Commission Grant as set out in paragraph 14 above except that in their case the grant will be paid in two instalments of £750 (taxable). The first instalment will be paid on transfer, subject to at least 1 year's service having been completed, and the second instalment will be paid on the completion of 5 years' full pay service.

25. Full particulars of these Scholarships, with the necessary application forms, can be obtained from The Secretary, Lord Kitchener National Memorial Fund, 50 Pall Mall, London, S.W.1.

DENTAL OFFICERS REGULATIONS FOR THE ENTRY OF DENTAL OFFICERS

- (e) Candidates will be interviewed by the Medical Director-General and their physical fitness determined by a Board of Medical Officers at the Admiralty. If however an Officer applies to resign or retire before the completion of his service and Service requirements allow him to be released, the Admiralty reserve the right to require a refund of the whole or part of the Permanent Commission Grant.

(b) Officers who transfer from a Short Service List to the Permanent List will not be entitled to a gratuity in respect of the completed portion of their Short Service Commission in addition to the Permanent Commission Grant. All previous commissioned service in the Armed Forces, subject to there not being a break of more than 5 years before re-entry, will count in full for retired pay. In any case where there is a break of more than 5 years an Admiralty decision should be sought.

(b) Recognised dental experience after full registration in a hospital or civilian practice may render an Officer eligible for the grant of an ante-date of seniority up to a maximum of 7 years, the basis of calculation being:—

First 4 years		in full
Subsequent experience as a Specialist		in full
Other recognised experience		in half

The Medical Director-General of the Navy will decide as to the suitability of the Officer's civilian experience for the purpose of granting an ante-date. Additional seniority so granted will count for increase

of pay and promotion but will not reckon as service for retired pay or gratuity.

(c) Transfer to Permanent List.—Any Officer who has, for recognised dental experience in a hospital or in civil practice, been given an ante-date of seniority during his Short Service Commission will transfer to the Permanent List with that seniority. Any Officer who has not been given such an ante-date of seniority but whose previous experience in a recognised hospital or civil practice might justify an ante-date, may apply for this to be taken into consideration in determining his seniority on transfer to the Permanent List.

EMERGENCY LIST

16. Officers leaving the Active List on completion of their Short Service Engagements will be placed on an Emergency List, and will be liable for service in war or emergency during the subsequent 4 years.

POST-GRADUATE INSTRUCTION COURSES

On completion of 5 years' full pay service they will be eligible to withdraw from the Royal Navy with a gratuity of £975 (tax free). Since the cost of Scholarships awarded to candidates who enter the Royal Navy is borne by Naval Funds such cost will be deducted from the withdrawal gratuity of £975, any balance of the cost in excess of £975 being waived.

20. Ex-Kitchener Scholars are eligible to apply for transfer to the Permanent List. The full cost of the Scholarship, even though its value may exceed £975 will be deducted, at the discretion of the Admiralty, from any withdrawal gratuity which may be payable to an ex-Scholarship holder who is transferred to the Permanent List and who fails to serve for 15 years in the Royal Navy.

ENTRY AND TRAINING OF ARTIFICER APPRENTICES

METHOD OF SELECTION. Artificer Apprentices are selected by interview and aptitude test from candidates:

- (a) who have obtained passes at the ordinary level in mathematics (i.e. not arithmetic only) and in a science subject in a General Certificate of Education examination;
- (b) who have obtained passes in the lower grade in mathematics (i.e. not arithmetic only) and in a science subject in the Scottish Leaving Certificate examination;
- (c) who have obtained passes at the ordinary level in mathematics (i.e., not arithmetic only) and in a science subject in the Grammar School Senior Certificate examination of the Ministry of Education for Northern Ireland;
- (d) who can submit a certificate as evidence of having passed an examination which, in the opinion of the Admiralty, is of equivalent or higher standard.
- (e) who qualify in a special examination set by the Admiralty.

Admiralty Examination. Normally held locally on the second Tuesday in February, May and October. The question papers are set by the Admiralty and are the same for all candidates, and will be supplied to the Education Authorities, Governing Body or Superintendent of the School or Establishment who arrange to hold the examination and notify the candidates of the arrangements.

The examination is completed in one day and consists of five papers as shown below:—

		Maximum Marks	Time Allowed
Mathematics	..	300	1½ hours
Science	..	200	1 hour
Essay	..	100	¾ hour
English (Comprehension Test)	..	100	¾ hour
General Paper	..	100	1 hour

The mathematics and science papers are taken in the morning, and the remaining papers in the afternoon.

The worked papers are forwarded for marking to the Secretary of the Admiralty (for D.N.E.S.), immediately after the examination.

Failure in any particular examination will not render a candidate ineligible to compete again if otherwise eligible; nor will it render him ineligible for direct entry, should he subsequently obtain the General Certificate of Education qualification.

RECOMMENDATIONS. Boys who wish to try for an apprenticeship should apply for recommendation to one of the following authorities:

- (1) Local Education Authorities in Great Britain and Northern Ireland.
- (2) Youth Employment Committees of Local Education Authorities or of the Ministry of Labour.
- (3) The Governing Bodies or their representatives of other secondary type schools and training ships.

Note.—Boys who are not entitled to a recommendation from one of the above authorities may be accepted as candidates at the discretion of the Admiralty.

Recommendation forms are supplied to local Education Authorities and Youth Employment Officers. Further copies are obtainable from the Director of Naval Recruiting or any R.N. and R.M. Recruiting Office.

Completed forms must reach the Director of Naval Recruiting not later than the fifteenth day of the month previous to that in which the examination is to be held.

Note.—Recommendations of candidates who are exempt educationally from the Admiralty examination should also be submitted by the above-mentioned day.

AGE. Candidates must be between the ages of 15 years and 17½ years on the 1st day of the month of entry, i.e., either January, May or September.

A rating already serving in the Royal Navy, who is within the prescribed age limits may become a candidate for an apprenticeship at the discretion of his Commanding Officer who, for the purposes of the foregoing instructions, will be regarded as a recommending authority.

NATIONALITY. Candidates must be British subjects or British-protected persons or citizens of the Irish Republic and normally the sons of parents both of whom are (or, if deceased, were at the time of death) British subjects or British-protected persons or citizens of the Irish Republic.

SELECTION PROCEDURE AND MEDICAL EXAMINATION. Candidates will have to satisfy the Selection Board that they will make good Artificer Apprentices. There will be practical tests designed to show the candidate's aptitude for craftsmanship.

A candidate who fails in the selection procedure may, provided he remains within the age limit, undergo another test on the next, or next but one occasion, but not both, without the necessity of taking the educational examination again. When the next but one occasion is chosen, the candidate must produce proof of having attended school continuously since the educational examination. Those who wish to avail themselves of this concession must, however, apply to do so during the month in which the relevant Admiralty educational examination is held. The candidate should apply by letter to the Director of Naval Recruiting, Admiralty.

Candidates will be examined by a Naval medical officer to ensure that they are in good health and, as far as can be ascertained, free from any defect that would render them unfit for the duties of Artificer. Details of the medical standard are set out below.

MEDICAL STANDARD

Candidates must be in good health and of sound constitution, and be free, as far as can be ascertained, from any disease or defect that would unfit them for the duties of Artificer in the Royal Navy.

HEARING must be unimpaired.

VISION. Engineering and Shipwright, 6/9 E.E., N.5 E.E. Hypermetropia limit, 2.0 dioptres. Electrical, Aircraft and Ordnance, 6/12, 6/24, correctable to 6/6, 6/12, N6 E.E. Hypermetropia limit, 5.0 dioptres. All branches colour perception standard three.

TEETH must be in good condition and afford an efficient masticating area, including sound functionally opposed molars and incisors on both sides of the mouth. The wearing of dentures will not cause rejection provided they fit well.

HEIGHT. Candidates must be at least 5 feet in height.

All candidates must be willing to be vaccinated, re-vaccinated, and inoculated if necessary and to undergo such dental treatment as may be necessary. Parental consent to this must be produced.

PRELIMINARY MEDICAL EXAMINATION. To lessen the chances of subsequent disappointment, candidates are advised to present themselves for preliminary medical and dental examination at the nearest headquarters recruiting office and at some time before sitting for the Admiralty educational examination. The preliminary medical examination would be free of charge, but intending candidates would be required to pay their own travelling expenses. It must be clearly understood that the preliminary medical examination is suggested as a guide to candidates and would not influence the final examination mentioned above. Application may, if necessary, be made to the Director of Naval Recruiting, Admiralty, London, S.W. 1, for guidance as to the most convenient recruiting office.

CONSENT OF PARENT ON ENTRY. A successful candidate must produce the consent, in writing, of his parent, guardian or nearest relative, to his entering the Navy and engaging to serve for 12 years (Continuous Service) from the age of 18 in addition to whatever period may be served before he attains that age.

A serving rating who is a successful candidate must similarly produce written consent to his transfer to Artificer Apprentice and to the change of engagement entailed.

CANDIDATES WITH SERVICE CLAIMS

Candidates with Service claims will be selected for entry in preference to others of equal ability. An application for a Service nomination is not an application to be a candidate. This must be rendered separately by the appropriate authority. Candidates are recommended by Commanders-in-Chief at home and abroad, the Admiralty Commanding Reserves, Flag Officers Commanding in Home Waters, and the Commandant General Royal Marines.

Candidates must be sons of Commissioned Officers, Chief Petty Officers or Petty Officers of the Royal Navy; Commissioned Officers or Non-Commissioned Officers, of or above the rank of Sergeant, of Royal Marines; Clerks, Draughtsmen, Inspectors and Foremen of the Artisan branches, or skilled Artisans not below the grade of Chargeman, of H.M. Dockyards. Service Nominations are restricted to:—

- (a) boys whose fathers are dead;
- (b) boys whose fathers have been invalidated or who have, for some similar reason, strong claims to special consideration on compassionate grounds;
- (c) boys whose fathers can show long and faithful service, or other sound reasons for consideration.

In allotting Service Nominations under sub-heading (a), Their Lordships' preference will be given to boys whose fathers have been killed in action, lost at sea on active service, or killed on duty; or have died of wounds in action or injuries received on duty, within 6 months from the date of such actions or injuries. Boys who are ineligible solely because their fathers were below the rank or grade specified in the paragraph above may be included in the recommendations for nomination if considered deserving and suitable candidates. Their names will, however, be considered after those of candidates whose fathers were of the necessary rank or grade.

Parents, if serving, should apply for a recommendation through the Commanding Officer of the ship or establishment in which they are serving, who will transmit the request to the appropriate authority. If not serving, parents should apply to the Commander-in-Chief at the nearest Home Port. Royal Marines, if not serving afloat, should apply to the Director of Pay and Records, Royal Marines, Melville Barracks, Chatham.

Recommendations by one of the authorities quoted above can be accepted at the Admiralty at any time after the boy has attained the age of 14 years 9 months. The latest date for the receipt of recommendations is the closing date for the receipt of applications for the last examination for which the boy is eligible by age.

Candidates will be eligible for nomination to an Apprenticeship in connection with any competition held after the receipt of the recommendation at the Admiralty. If a candidate fails to qualify at the first attempt and competes on one or more further occasions, the original recommendation for a Service Nomination holds good.

A brief note of the father's services and of the family circumstances must be given.

In exceptional circumstances Officers and men holding the ranks or rates mentioned above may apply for a recommendation for boys to whom they stand in the position of guardian. Independent evidence that the boy has been brought up by his guardian for 5 years or more should be forwarded with the recommendation.

THE TRAINING OF AN ARTIFICER

On entering the Navy the Artificer Apprentice joins H.M.S. *Fisgard*, the Royal Naval Artificers' Training Establishment at Torpoint, Cornwall. Here he lives and is educated free of charge in an establishment run on the lines of a good technical college. He is appointed to one of the Houses, each of which is named after a famous Admiral, and his work and recreational activities are directed by the House Tutor and House Officer.

The Apprentice spends three terms, which last 12 months, in H.M.S. *Fisgard*. During this time, he is trained in general craftsmanship, including woodwork, fitting, metal working and machining. He is also taught the rudimentary principles of all types of machinery to be encountered in the Service.

The educational side of the training of Artificer Apprentices is along the broad lines of the Ordinary National Certificate and all apprentices sit the S.I. examination as their final examination in H.M.S. *Fisgard*.

CATEGORY AND TRADE SELECTION. At the end of one term at H.M.S. *Fisgard* the Apprentice is asked which category he would like to join—Air, Engineering, Electrical, Ordnance or Shipwright. It cannot be guaranteed that he will enter any particular category, but his wishes and his aptitude are carefully considered. During his last 4 months at H.M.S. *Fisgard* he starts on the specialized work of the category to which he has been allocated.

Within the Engineering category, Apprentices specialise in various trades, namely, metal working, fitting and turning. Here again, consideration is given to the Apprentice's preference, but his aptitude and the demands of the Service will determine the final choice.

SPECIALIST COURSES. After leaving H.M.S. *Fisgard*, Aircraft Artificer Apprentices join H.M.S. *Condor*, the Royal Naval Artificers' Training Establishment at Arbroath, Scotland, Electrical Artificer Apprentices join H.M.S. *Collingwood*, the Royal

Naval Electrical School near Fareham, Hants., and from there Electrical and Radio Electrical Artificer apprentices (Air) go on to H.M.S. *Ariel*, the Royal Naval Air Electrical School, Lee-on-Solent, Hants. All other Apprentices go to H.M.S. *Caledonia*, the Royal Naval Artificers' Training Establishment at Rosyth on the Firth of Forth; these apprentices go to sea for the last 4 months of their apprenticeship.

After eight terms' training, aircraft artificer apprentices spend one year at an air station gaining practical experience before returning to H.M.S. *Condor* for a further year's training.

Electrical Artificers (Air) and Radio Electrical Artificers (Air) do the same after nine terms' training but spend only eight months on an air station.

At these training establishments and in ships, apprentices receive both theoretical and practical instruction in the operation and upkeep of the machinery and other equipment of the kind for which they will later be responsible. There will, for instance, be lathe work, the taking to pieces and assembling of engines and pumps, aircraft and electrical components, in addition to lectures in which the function of these machines is explained.

At these specialist training establishments, academic work proceeds in parallel with the technical instruction for most of the time. The brighter apprentice should gain the Ordinary National Certificate in mechanical or electrical engineering or naval architecture according to Branch.

PASSING-OUT EXAMINATION. Naval Artificer Apprentices of each category have to pass an examination and a practical test set for their category, and provided they are successful they are rated Artificer 3rd Class on completion of their apprenticeship and go to sea.

Further details and pamphlets describing the entry may be obtained on application to the Director of Naval Recruiting, Admiralty, London, S.W.1, or at any R.N. and R.M. Recruiting Office.

ENTRY OF CIVILIAN STUDENT APPRENTICES

EXTRACTS FROM THE REGULATIONS FOR THE ENTRY OF STUDENT APPRENTICES IN THE ROYAL DOCKYARDS AND AIRCRAFT YARDS AT HOME.

1. Vacancies, for boys only, for appointment as student apprentices in the Royal Dockyards at Chatham, Devonport, Portsmouth and Rosyth are open to public competition. Successful candidates assigned to Portsmouth will have the opportunity to transfer to the Royal Naval Aircraft Yard at Fleetlands, Hants., at the end of the first year of their apprenticeship. Examinations for these appointments will normally be held in April of each year: about 70 vacancies will be offered for competition. Candidates will be asked on their application forms to list, in order of preference, the establishments at which they will be willing to serve their apprenticeship. Subject to vacancies being available, successful candidates will be assigned to the establishment of their first choice, but assignment will be made according to the position of candidates in the order of merit. Candidates will not be allowed to change their order of preference or to make any addition to it after the first day of the written examination.

2. *Applications.*—Examinations will be conducted by the Civil Service Commissioners. Intending candidates should write to the Secretary, Civil Service Commission, 6 Burlington Gardens, London, W.1, for application forms as soon as possible after the 1st December of the preceding year. For trial over a period craft apprenticeships will also be offered to boys within the stipulated age limits who satisfy an interviewing Board as to their suitability and are able to perform satisfactorily an intelligence and aptitude test. Notice of entry by interview will be given in the local Press from time to time, and candidates should address their applications to the Head of the Establishment at which they wish to be considered for entry. Boys accepted for apprenticeship by this means will be required to complete a period of 6 months' probationary service. On satisfactory completion of this service indentures will be signed, dated with the original date of their entry.

13. Selection of trades will be permitted so far as vacancies allow, a proportion of the vacancies in each trade being reserved for such entrants.

14. All apprentices entered in this way will commence in the pre-engineering course or Lower School of the Dockyard Technical College. They may at the end of the first or second year be selected for admission to the Ordinary National Certificate Course, having regard to the needs of the Service and their performance in the Lower School.

15. Otherwise their conditions of service and training will be the same as those of examination entrants.

N.B.—The details of the School Training of apprentices and other particulars are given in the Regulations which may be obtained on application to the Secretary of the Admiralty (Labour Branch), Bath or to the Superintendent of one of Her Majesty's Dockyards (see paragraph 1), or Naval Establishments.

The foregoing regulations, which supersede all earlier issues, relate primarily to craft apprenticeships in the shipbuilding and mechanical and electrical engineering departments of the Dockyards, but will also be adhered to as far as practicable in respect of apprentices in the Naval Armament Supply and Navy Works Departments. These regulations will be followed generally; but they are issued for information only and are subject to such modifications as Their Lordships may from time to time consider desirable.

Interview

The purpose of the interview is to test those qualities which may not be revealed by written examination. The interview board will usually consist of three or more interviewers who will question each candidate mainly on his own interests and experience. The board's object is to bring out the candidate's personal qualities and to take account of the range and depth of his interests and the use he has made of his opportunities. Thus the ground covered in the interview will be different for each candidate and a definite syllabus cannot be laid down as for the written examination. Candidates will, however, be expected to have some knowledge of current affairs and matters of everyday interest. The interview

should present no special difficulty to a boy of average intelligence who takes a normal interest in major topics of the day.

7. Results of Examination.—Candidates will be informed by letter of the result of their examination.

The candidates highest in order of merit will be declared successful, provided they reach the required standard, up to the number of vacancies available.

8. Travelling Expenses.—The Commission will pay travelling expenses within the United Kingdom after the first 7s. 6d. if a candidate has to spend more than this on travel by bus or second class rail from his normal place of residence (or from the place of landing in the United Kingdom in the case of candidates from overseas) to the places of examination and interview, the amount over 7s. 6d. will be refunded. For written examinations such refund will normally be based on the cost of travel by bus or second class rail to the nearest centre.

Expenses incurred in travel to this country from abroad cannot be paid by the Civil Service Commission.

Candidates who live within reasonable distance of the places of examination and interview will normally be expected to travel there and back each day. If, however, a candidate lives in the United Kingdom and is obliged to pay for accommodation, or for a sleeping berth on a train or ship, the Commissioners will refund reasonable expenses on evening meal, bed and breakfast up to a maximum of 30s. for each night necessarily spent away from home. A claim for this refund must be supported by a receipted bill or voucher for each night's accommodation. Apart from this, expenses on accommodation and meals cannot be refunded.

Candidates from abroad may receive subsistence within the United Kingdom on the same basis as candidates living in the United Kingdom, but it will cover only those nights necessarily spent at the place of examination or interview or travelling in a sleeping berth. It will not cover any other night; e.g. nights which may have to be spent at the port of arrival or departure (or elsewhere) because sailing times do not match examination or interview dates or because departures are delayed.

9. Medical Examination.—A candidate appointed to a student apprenticeship must be in good health and of sound constitution and be free, as far as can be ascertained, from any disease or defect that would unfit him for permanent appointment in the Civil Service. His hearing must be unimpaired, and the sight of both eyes must be sufficiently good for the performance of any duties that may be required of him. He will be required to pass a medical examination.

Candidates whose vision can be corrected to normal (6/6) by glasses will not be rejected on the ground of defective eyesight, but such candidates should bring their glasses with them when presenting themselves for medical examination.

The medical examination of successful candidates will be held as soon as possible after the result of the competitive examination is known.

10. Canvassing.—Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.

11. Security.—The Government have decided that no one may be employed in the Civil Service in connection with work the nature of which is vital to the security of the State if he is or has recently been a member of the British Communist Party or of a Fascist organization; or if in such way as to raise legitimate doubts about his reliability, he is or has recently been sympathetic to Communism or Fascism, or associated with Communists or Fascists or their sympathizers, or is susceptible to Communist or Fascist pressure.

12. Commencement of Training.—Successful candidates will be expected to start their training early in September of the year in which they compete. Candidates are advised to continue their education until

the end of the summer term and to take the appropriate examination, e.g., General Certificate of Education or Stage 1 of the Ordinary National Certificate course.

13. *Pay*.—The weekly rates of pay of student apprentices are:—

Year	Under 20 s. d.	20 or over s. d.
1st	75 8	—
2nd	104 7	—
3rd	124 8	144 8
4th	148 7	151 5
5th	—	161 11

14. *Maintenance Allowance*.—Student apprentices who, on first appointment or on subsequent transfer, are required for service reasons to take up duty at a place beyond reasonable daily travelling distance from their homes and in consequence are obliged to live away from their homes, may be paid a maintenance allowance of up to 34s. 0d. weekly.

15. *Travel Concessions*.—Student apprentices who are employed at a distance from their homes and who are living in lodgings or hostels will be eligible for three free travel warrants (second class) a year. Additional warrants may be issued in certain circumstances.

16. *Working Hours*.—A five-day week of 42 hours is worked by students in the Royal Dockyards and Aircraft Yards.

17. *Leave and Paid Holidays*.—Two weeks' annual leave with pay will be granted in addition to Bank Holidays and special Closed Days such as the Queen's Birthday.

18. *Sick Pay*.—After six months' qualifying service student apprentices may be allowed up to 13 weeks' sick leave on full pay during any period of 12 months.

19. *Deeds*.—Student apprentices will be bound by deeds to serve for 5 years, and no successful candidate will be employed unless some relative or friend is able and willing to undertake the duty of the second party to the deed for the support of the apprentice during his apprenticeship.

20. *Training*.—During the first year the student apprentice will be given training of a general nature, including instruction in the use of tools, a knowledge of dockyard and air yard routines, etc. He will then be assigned to one or other of the three main engineering departments of the dockyards (constructive, mechanical engineering and electrical engineering), or to an air yard or to an armament establishment. For the following 2 years he will receive more specialised instruction in the work of the department or establishment to which he has been assigned. The fourth year will consist of instruction in the drawing office. During the fifth year training will be given in the wider aspects of the apprentice's future duties.

21. During the course of the first year's training, the apprentices will be given marks in accordance with the ability they have shown. At the end of the period they will take an examination, and on the results of this examination and the marks obtained during the year the Admiralty will decide whether qualified to proceed to the next stage of training. Allocation of apprentices to particular departments or establishments will, subject to Service requirements, have regard to the student's abilities and preferences. Any student who does not qualify at the end of the first year will be given the option of discharge or of being transferred to a craft apprenticeship; exceptionally he may be permitted to take again the first year course of a student apprentice.

22. Student apprentices will be expected to show diligence both in their practical and theoretical training, and will be examined at the end of their second third and fourth years. If for special reasons, e.g., sickness, a student fails to reach an adequate standard he may, on the recommendation of his officers, be permitted to repeat the year's course. Repetition of a year's course will, however, be allowed only once during apprenticeship.

23. Student apprentices will be required to qualify at the examination held at the end of the fourth year; to pass, they must obtain at least 40 per cent of the

total marks in each subject. Students who fail to qualify in one or two subjects only may be permitted to continue their studies and to be re-examined in those subjects at the end of the following term. Any students who fail to qualify, whether at the original examination or after re-examination, will be liable to be discharged, but subject to recommendation by the Superintendent, may be permitted to complete a full 5 years' training. Any students who leave after a period of training will be given a certificate showing the nature of the training they have received.

24. *Outline of Dockyard Technical College Course*.—The aim of the students' course in the Dockyard Technical colleges is to impart a sound, broad-based grounding in fundamental technology. All students will be required to complete this course; advanced specialist training in one particular field—Naval Architecture, Marine Engineering, Electrical Engineering or Aircraft Engineering—will be given partly by professional lectures in the third and fourth years, and partly by advanced work in the fifth year. All students will attend the Dockyard Technical College for 16 hours a week.

25. *Employment on Completion of Training*.—Immediately on completion of their training all qualified students will be appointed as confirmed draughtsmen, a permanent non-industrial appointment. This is subject to an undertaking in each case that the student is willing to serve with the Admiralty anywhere at Home or Abroad, and a declaration that he has no objection to Military Service on the grounds of conscience. Qualified students will also be eligible in due course for transfer to Technical Class Grade III posts. Before appointment in a permanent capacity they will be required to satisfy the Civil Service Commissioners on health and other points and to pay the prescribed fee.

Most ex-students will serve for a spell both as draughtsmen and technical class officers in order to obtain experience of both drawing office and practical work before being promoted above the basic grade. Their promotion to Leading Draughtsman or to Technical Class Grade II will be through normal promotion board procedure and without further written examination. When promotion to either Leading Draughtsman or Technical Class Grade II has been gained, the individual officer will not normally thereafter be transferred from the one to the other of these classes, and would secure further advancement by normal promotion board procedure.

Details of the salaries* which are paid to the grades mentioned, and to the higher grades which may be attained, are as follows:—

26. *Special training opportunities*.—From students who obtain the highest places in the qualifying examination held at the end of their fourth year (see paragraph 23) and who have suitable personal qualities, a few may be selected for special training as Naval Constructors or Electrical Engineers. Students so selected will be appointed to the Royal Naval Engineering College, Manadon, Plymouth, and subsequently to the Royal Naval College, Greenwich, for an advanced course in naval architecture or electrical engineering, with a view to their

eventual entry into the Royal Corps of Naval Constructors, or the corps of Admiralty civilian electrical engineers.

27. Opportunities will also exist for suitably qualified student apprentices to compete for Cadetships in the Executive, Electrical, Engineering, and Supply and Secretariat Branches of the Royal Navy, First Appointments in the Royal Marines, Studentships at the Royal Military College of Science,

Shrivenham, particulars of which are announced from time to time, and for posts as Assistant Experimental Officers in the Scientific Civil Service. These will be by means of open competitions conducted by the Civil Service Commission.

28. While these regulations will be followed generally, it should be clearly understood that they are subject to such modifications as the Admiralty may from time to time consider desirable.

At the end of this seven and a half years period the R.D. will replace the V.R.D. so far as men and women R.N. reservists are concerned, and the V.R.D. will no longer be issued to these officers.

REGULATIONS RESPECTING THE NAVAL AND MARINE RESERVES LONG SERVICE AND GOOD CONDUCT MEDAL

On 1st November, 1958 the R.N.R. and the R.N.V.R. were combined into one Reserve carrying the title R.N.R.

The clasp may also be granted under the same conditions to officers who have received the medal, provided they are not eligible for the award of the Volunteer Reserve Decoration. The medal or clasp may be granted to those who have quitted the Reserves if they are qualified.

Note.—Should at any time a Reservist receive a character assessment below "Very Good" the calculation of qualifying service must restart from the date of the lower assessment.

2. The following will be allowed to reckon as qualifying service, which need not be continuous:—

Service on any type of engagement over the age of eighteen in the Royal Navy, R.F.R., R.N.R., R.N.V.R., R.N.V.(W.)R., R.N.V.(P.)R., R.M., R.M.F.V.R., W.R.N.S., W.R.N.R. (after 1st November 1958), W.R.N.V.R., and the Army, the Royal Air Force, or similar overseas Commonwealth or Colonial Forces.

All the above service counts in full towards the award of the medal. Service rendered solely for duty with one of the Cadet Forces will not be permitted to count. Service which has already culminated in the award of a long service or efficiency medal cannot count.

3. An officer who has previously been granted the Reserves Long Service and Good Conduct Medal, and is subsequently awarded a Reserve Decoration, may wear both medal and decoration.

4. Forfeiture or deprivation of medal. When the conduct of a member after he or she has been awarded the medal is considered to be such as to disqualify him or her from wearing it, he or she may be deprived of it by the Administrative Authority. The deprivation is to be reported to the Admiralty.

Note.—While a Reservist is mobilised the rules for the forfeiture or deprivation of the Long Service and Good Conduct Medals, as laid down in Queen's Regulations and Admiralty Instructions, Article 1969, will apply.

5. Restoration of Medal. A minimum period of three years' service with continuous "Very Good" character is required for the restoration of the medal, and a medal which has been forfeited or of which a Reservist has been deprived may be restored on the Reservists' discharge from the Reserve at the discretion of the Administrative Authority, provided that the above condition has been fulfilled. Should the Reservist complete five years' service with continuous "Very Good" character before he or she is discharged, the medal may be restored on completion of that period at the discretion of the Administrative Authority.

6. Loss of Medal. When it is desired to replace a medal which has been accidentally lost by the holder, a declaration must be made before a Magistrate, or before a Commissioned Officer of H.M. Services, stating the circumstances in which the loss occurred, and the name, rank and official number of the Reservist to whom the medal belonged. This declaration is to be sent to the Admiralty through the usual channel in the case of a Reservist who is still serving, and direct in the case of one who has retired. The medal will be replaced, on payment, if the explanation as to its loss is considered satisfactory, or at public expense when it is shown that the loss has been incurred as a result of enemy action or is due entirely to unavoidable circumstances arising out of the exigencies of the service.

7. Rosettes, which are issued at the same time as the Clasp, are to be worn on the ribbon of the Reserves Long Service and Good Conduct Medal when the ribbon is worn without the medal.

REGULATIONS RESPECTING THE LONG SERVICE AND GOOD CONDUCT MEDAL FOR THE ROYAL FLEET RESERVE

1. Men of the Royal Fleet Reserve who are not in possession of the R.N. Long Service and Good Conduct Medal are eligible for the award of the Royal Fleet Reserve Long Service and Good Conduct Medal provided that they:—

- (a) have completed at least 15 years' service in the Fleet and Royal Fleet Reserve combined; for this purpose efficient service in the R.N.R. (R.M.F.V.R. for Royal Marines) or in the Commonwealth Forces may count as qualifying service;
- (b) have satisfactorily carried out the prescribed training;
- (c) have obtained a character not below "V.G." during the 15 years preceding the award;
- (d) have not been awarded a character below "Good" during any year of their service from the age of 18 (but see Clause 2); and
- (e) are recommended for the award of the medal by the Registrar of the Royal Fleet Reserve.

Men holding the medal who complete a further 15 years' service under the above conditions may be awarded a clasp to the medal.

2. Men whose characters were assessed below "Good" during the first 5 years of their active service from the age of 18 may be specially considered for award of the medal either:—

- (a) After the completion of 15 years' service with continuous "V.G." character, on the ground of having displayed heroism or gallantry in action, or having rendered some special service in time of emergency, subsequently to the assessment of character below "Good," or
- (b) On the ground of having 18 years' service with continuous "V.G." character subsequent to that assessment.

The conditions laid down in clause 1 (a), (b), (c) and (e) will apply to all men. Desertion at any time will render a man ineligible for the award of the medal, except in special circumstances where a man can show the necessary period of service with continuous "V.G." character commencing from the date of recovery from desertion.

3. Men in possession of the Royal Fleet Reserve Long Service and Good Conduct Medal who subsequently re-enter the Royal Navy or Royal Marines

on regular engagements and qualify for the award of the Active Service, Long Service and Good Conduct Medal, will be required to surrender the Reserve Medal on being awarded the Active Service Medal. Similarly, men who possess the Royal Fleet Reserve Medal will be required to surrender it on being subsequently awarded the Long Service and Good Conduct Medal of any Commonwealth Navy.

4. When the conduct of any man after he has been awarded the medal is considered to be such as to disqualify him from wearing it, he may be deprived of it by the Commander-in-Chief or the Commandant General, Royal Marines. The deprivation will be reported to the Admiralty.

When reservists are mobilised or re-entered in the Royal Navy, the regulations for the deprivation of the Active Service, Long Service and Good Conduct Medal (Queen's Regulations and Admiralty Instructions, Chapter 19) are to apply equally to the deprivation of the Royal Fleet Reserve Medal.

5. A man who has been deprived of the medal for misconduct may have it restored at the discretion of the Commander-in-Chief or the Commandant General, Royal Marines, on completion of 5 years' service with "Very Good Conduct" before discharge, or on discharge from the Reserve provided that he has completed at least 3 years' service with "Very Good Conduct" since being deprived of the medal.

6. When it is desired to replace a medal which has been accidentally lost, the man to whom the medal belonged must make a declaration before a Magistrate or Registrar of the Royal Fleet Reserve, stating the circumstances in which the loss occurred, together with his rating, name, class, number in the Reserve, and Royal Naval official number, or Royal Marine register number. This declaration will be sent to the Admiralty through the Registrar of the Royal Fleet Reserve, and the Medal will be replaced, on payment, if the explanation of its loss is considered satisfactory.

7. Medals are to be worn, in conformity with the Regulations for Naval Uniforms (Ratings), with No. 2 dress (or No. 7 in hot climates) on those occasions when the wearing of No. 1 or No. 6 dress is authorised for Active Service ratings, i.e., at inspections and musters, on ceremonial occasions, and on Sundays in harbour. Medals are not to be worn on any other occasion.

GOOD CONDUCT MEDAL AND GRATUITY

Qualification for Award.—The Long Service and Good Conduct Medal represents, with Good Conduct Badges, the highest standard of conduct in the Service and it is important that recommendations for the award of the medal should not be made as a matter of course on completion of the necessary period of qualifying service.

2. **Gratuities.**—Except where otherwise stated, the award of a Good Conduct Medal will carry with it, irrespective of rating, a gratuity of £20, payment of which will be authorised by the Director of Navy Accounts.

3. **Entitlement.**—(a) To be entitled to the award of the Long Service and Good Conduct Medal and Gratuity, a Naval rating or a Royal Marine must:—

- (i) have completed 15 years' pensionable service with continuous "Very Good" character, and with previous character not inferior to "Good" in service which is reckonable for pension purposes. Where character during such service has been assessed as "Good" on the 31st December in any year, time reckoning for the medal will not commence until the 1st January following;
- (ii) have actually re-engaged to complete time for pension (but see clause (b) below regarding ratings on non-continuous service engagements);
- (iii) be in possession of the full number of Good Conduct Badges which he could have earned during his service;
- (iv) be provisionally recommended by the Captain of the ship or the Commanding Officer of the establishment in which he is serving at the time of the application as in every respect deserving of the award.

(b) **Non-Continuous Service.**—Maltese and Hong Kong ratings serving on non-continuous service engagements are eligible for the award of the medal and gratuity under the foregoing conditions, except that clause 3 (a) (ii) above is not applicable. Other locally entered ratings may be awarded the medal without gratuity if their records of service and character conform to the requirements for an award under the ordinary rules.

(c) Desertion will render a man ineligible for the award of the medal under the ordinary regulations (see Article 8—Special Recommendations).

4. **Long Service and Good Conduct Gratuities.—Additional Allowance.**—Men awarded the gratuity referred to in Article 2 will also be eligible to earn an additional allowance, which will be payable in a lump sum with the first payment of pension on discharge, at the rate of £1 for each year of qualifying service with "Very Good" character rendered subsequent to the award or restoration of the medal.

- (a) A rating who is promoted to officer after the award of the medal and gratuity will be allowed, on confirmation in rank, to receive payment of any additional allowance that may have been earned up to the date of his promotion.
- (b) Service during which a "Good" character is awarded will not count as qualifying service for the additional allowance, notwithstanding that the man may not have been deprived of the medal.
- (c) When a man is deprived of or forfeits his medal he will forfeit the additional allowance already accrued. If the medal is restored before he is pensioned, the amount earned subsequently to the date of restoration only will be awarded.
- (d) When a man is invalided after having been awarded the medal and gratuity, and before completion of the full time for pension, he may be granted any additional allowance that may have been earned up to the date of his discharge.

(e) Any man who voluntarily quits the Service after the award of the medal and gratuity, and before becoming entitled to a pension, will forfeit all claim to any additional allowance that may have been earned.

(f) Where a man who has been discharged to pension is permitted to re-engage for a further period of service subject to relinquishment of pension, such further service will be allowed to count for purposes of the additional allowance under the usual regulations, provided that the man is qualified in all respects for this allowance.

5. **Long Service and Good Conduct Gratuities and Additional Allowances of Dead Men.**—If a man should die after the award of his medal any gratuity or additional allowance to which he may be entitled will be paid to his widow, or next-of-kin if dependent upon him.

6. **Breaks in Service.**—A break in service not due to desertion, dismissal, sentence of imprisonment, or other misconduct on the man's part, will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for the medal and gratuity, provided that he rejoins within 5 years or, if invalided, as soon as the state of his health permits, or if approval has been given to bridge the break in service of more than 5 years.

7. **Recommendations to the Admiralty.**—(a) The names of men provisionally recommended for medals and gratuities, are to be sent to the Director of Navy Accounts on Form S.218, accompanied by their Service Certificates or certified copies thereof, in sufficient time to allow for verification of entitlement and preparation of the medal (normally one calendar month), and for approval to be received and presentation to be made on the date when the award is due.

(b) Recommendations for Royal Marine ranks are to be forwarded through the Director of Pay and Records, Royal Marines.

8. **Special Recommendations.**—(a) If a man has the essential service qualification of 15 years with continuous "Very Good" character in accordance with the foregoing articles but is ineligible for the award of the medal under the ordinary regulations, the Admiralty will consider any recommendation for a special award of the medal on the grounds that the man has displayed heroism or gallantry in action or has rendered some special service in time of emergency, during service qualifying for the medal and subsequent to the lapse which disqualifies him under the ordinary rules. The recommendation should be made by letter submitted through the Commander-in-Chief or Flag Officer or for a Royal Marine through the Director of Pay and Records, stating fully the circumstances in which the application is made.

(b) A recommendation for a man who has a record of 18 years' qualifying service with continuous "Very Good" character will also be considered although he may be disqualified under the ordinary regulations.

9. **Presentation of Medal and Gratuity.**—(a) When the approval of the Admiralty has been received, the medal is, if possible, to be presented by the Captain before the ship's company or for Royal Marines by the Commanding Officer on parade. The gratuity is to be paid on the authority which will be issued by the Director of Navy Accounts. In no circumstances is the medal to be presented or the gratuity to be paid before the date on which the award is due.

(b) The award of the medal and gratuity is to be noted on the Service Certificate. In order that the possession of the medal may not be overlooked when consideration is being given to deprivation of a Good Conduct Badge, the award of the medal is to be noted at the foot of the Badge column in addition to the Medals section of the Service Certificate.

10. *Misconduct pending presentation.*—The Admiralty is to be informed by signal if the man's conduct falls below the requisite standard in the interval between the recommendation and the date when the award becomes due. The medal is not to be awarded and, if received in the ship, is to be returned to the Admiralty with an explanation and with the authority for paying the gratuity.

(2) If the presentation of the medal is delayed for any reason beyond the date when the award is due, and misconduct (other than a trivial offence not breaking the continuity of the man's "Very Good Conduct" or "V.G." character) occurs in the interval, the medal is to be withheld and a report made to the Commander-in-Chief or Flag Officer or, for Royal Marines on shore, the Commandant General, Royal Marines. Unless the offence, or the punishment awarded, automatically involves loss of the medal, the report is to state whether deprivation would have been proposed if the medal had been in the man's possession at the time of punishment. If deprivation would have been automatic or proposed, the higher authority may direct that the medal should be regarded as awarded on the due date, and deprived. If this course is considered inappropriate, the higher authority is to report the matter to the Admiralty. When deprivation would have been neither automatic nor proposed, the medal should be awarded from the due date and retained (but, if the man has lost a good conduct badge, the medal should not be presented until the badge is restored).

Note.—The rules about restoration of the G.C. Medal are contained in the Queen's Regulations and Admiralty Instructions, Chapter 19.

11. *First Clasp.*—A man holding the medal who completes a further 15 years' service on any kind of Royal Naval engagement, T.124 and variants excepted, with the character qualification required for the original award may be awarded a clasp to the medal. The award of the clasp will not entitle the recipient to any further gratuity or pension addition. Applications for the award are to be made on Form S.218 endorsed "CLASP ONLY," and

forwarded as directed in clause 7, accompanied by the Service Certificate or a certified copy thereof.

12. *Second Clasp.*—A man holding the medal and clasp who completes a further 15 years' service under the same conditions required for the award of the first clasp, may be awarded a second clasp to the medal. Applications for the award are to be made on Form S.218 as directed above.

Note.—Pensioners are not debarred from counting the additional service for the award of the clasps.

13. *W.R.N.S. Ratings.*—W.R.N.S. ratings will qualify for the medal and clasp under the same conditions as for men. The gratuity will however, be £17 and the additional allowance 17s. 6d. a year.

MERITORIOUS SERVICE ANNUITIES AND MEDALS (ROYAL MARINES)

A sum not exceeding £400 a year is placed at the disposal of the Admiralty to be distributed in annuities not exceeding £20, as rewards for distinguished and meritorious service. This award was open either before or after discharge to Senior Non-Commissioned Officers of the Royal Marines who had completed 21 years' service, or had been granted a life pension on account of wounds or hurts received in action or otherwise in the execution of duty.

2. As Royal Marines receive the L.S. and G.C. gratuity of £20, they are no longer eligible for this award. The Meritorious Service Medal has been awarded to all ranks who were registered in the Department of the Commandant General Royal Marines on 16th May, 1947, and no further awards will be made. Those to whom the Medal has been awarded remain eligible for the annuity and awards will be made, as and when vacancies occur.

3. The Medal and annuity are liable to forfeiture by recipients on conviction of treason, sedition or mutiny.

REGULATIONS RESPECTING THE ACCEPTANCE AND WEARING BY CITIZENS OF THE UNITED KINGDOM AND COLONIES OF ORDERS, DECORATIONS AND MEDALS NOT CONFERRED BY THE QUEEN BUT BY THE GOVERNMENTS OF MEMBERS OF THE COMMONWEALTH OVERSEAS OR BY RULERS IN THE FEDERATION OF MALAYA

The Queen has approved the following Regulations respecting the acceptance and wearing by citizens of the United Kingdom and Colonies of Orders, Decorations and Medals not conferred by Her Majesty but by the Governments of Members of the Commonwealth overseas or by Rulers of States of the Federation of Malaya.

ORDERS

1. No citizen of the United Kingdom and Colonies may accept or wear the Insignia of any such Orders without having previously obtained Her Majesty's permission to do so.

2. Such permission, if granted, will be either:—

- (a) unrestricted, allowing the Insignia to be worn on any occasion;
- (b) restricted, allowing the Insignia to be worn only on the particular occasions specified.

3. Full and unrestricted permission is contemplated in the following cases.

For an Order conferred:—

- (a) for distinguished services in the saving or attempted saving of life;
- (b) on any officer in the Royal Navy, Army or Royal Air Force, or any United Kingdom

official, in recognition of services while lent to the Government of a Member of the Commonwealth overseas or to a Ruler of a State in the Federation of Malaya;

- (c) on any other citizen of the United Kingdom and Colonies in recognition of services in the salaried employment of the Government of a Member of the Commonwealth or of a Ruler of a State of the Federation of Malaya;
- (d) in other special circumstances when it is deemed expedient that the Order should be accepted.

4. Restricted permission is contemplated for Orders conferred:—

- (a) on United Kingdom officials in Member countries of the Commonwealth overseas in connexion with a State visit of Her Majesty to the Member of the Commonwealth concerned;
- (b) on exceptional occasions when in the public interest it is deemed expedient that they should be accepted.

Permission will *not* be given to:—

- (c) United Kingdom High Commissioners or their staffs in Member countries of the Commonwealth overseas, when leaving, whether on transfer or on final retirement;

- (d) Officers of Royal Navy, Army or Royal Air Force units visiting Members of the Commonwealth overseas.

5. Both in the case of full and restricted permission, the matter will be submitted to The Queen by Her Majesty's Principal Secretary of State for Commonwealth Relations who shall be under no obligation to consider applications for permission unless the desire of the Government or Ruler concerned to confer upon a citizen of the United Kingdom and Colonies is notified to him before the Order is conferred. Such notification should be made through the United Kingdom High Commissioner in the territory. Services to be recognized must have been rendered within a period of five years immediately preceding the notification to the Secretary of State.

Neither full nor restricted permission will be given when considerations of general policy or public interest must be held to preclude the grant of either.

6. When Her Majesty's Principal Secretary of State for Commonwealth Relations shall have taken The Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to wear the insignia of an Order with or without restrictions as the case may be, he shall notify this by letter to the person concerned. It will be made clear in relation to the grant of any Order that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence or privilege appertaining to the degree of Knight Bachelor.

DECORATIONS AND MEDALS

7. Decorations and Medals not indicating membership of an Order, are, with the following exceptions, subject to those Regulations in the same manner as

Orders. Decorations and Medals not indicating membership of an Order, conferred for saving or attempting to save life may be accepted and worn without Her Majesty's special permission, subject only to the restrictions imposed by the Regulations of the Service concerned. No permission is required to accept a Medal if it is not to be worn.

GENERAL

8. The wives of persons in the Crown Services of the United Kingdom are regarded for the purposes of these Regulations as sharing the disabilities of their husbands concerning the acceptance of awards from the Governments of Members of the Commonwealth overseas or from Rulers in the Federation of Malaya.

9. Persons, whether commissioned or salaried, employed in the Crown Service of the United Kingdom on a temporary basis are subject to these Regulations in the same way as those employed on a permanent and pensionable basis.

10. Members of the various police and constabulary forces maintained in the United Kingdom are uniformly regarded as subject to these Regulations as United Kingdom officials, with the exception however of British Transport Commission Police and Dock and Harbour Police Forces established under private Statutes.

11. Persons who have retired from the Crown Services of the United Kingdom remain subject to these Regulations in so far as concerns the acceptance from the Governments of Members of the Commonwealth overseas or from Rulers in the Federation of Malaya of Orders, Decorations or Medals offered in respect of services rendered before their retirement.

REGULATIONS CONCERNING THE ACCEPTANCE AND WEARING OF FOREIGN ORDERS, DECORATIONS AND MEDALS BY PERSONS IN THE SERVICE OF THE CROWN

(United Kingdom and Dependent Territories)

ORDERS

1. No person in the service of the Crown may accept and wear the insignia of any Foreign Order without Her Majesty's permission.

2. Such permission, if granted, will be either:—

- (a) unrestricted, conveyed by Warrant under the Royal Sign-Manual and allowing the insignia to be worn on any occasion; or
- (b) restricted, conveyed by letter from Her Majesty's Private Secretary and allowing the insignia to be worn only on the particular occasions therein specified.

3. Full and unrestricted permission by Royal Warrant is contemplated in the case of Orders conferred:—

- (a) for distinguished services in saving or attempting to save life.
- (b) on any officer in the Royal Navy, Army or Royal Air Force, or any British official in recognition of services while lent to a foreign Government, if not in receipt of any emoluments from British public funds during the period of such loan.

4. Restricted permission is particularly contemplated in the case of Orders conferred in recognition of personal attention to a foreign Sovereign, the Head of a foreign state, or a member of a foreign Royal Family, on the occasion of State or official visits by such personages.

5. Restricted permission will also be given for the wearing of insignia of foreign Orders conferred:—

- (a) on members of Her Majesty's Missions abroad in connection with a State visit by Her Majesty to the foreign capital concerned.

- (b) on members of deputations of British regiments to foreign Heads of States.

- (c) on members of Special Missions when the Queen is represented at a foreign Coronation, Wedding, Funeral, or similar occasion; or on any Diplomatic Representative when specially accredited to represent Her Majesty on such occasions (but not on the members of his staff).

Permission will *not* be given to:—

- (d) the Heads or other members of Her Majesty's Diplomatic or Consular establishments abroad when leaving, whether on transfer or on final retirement.
- (e) officers of British naval, military or air squadrons or units visiting foreign countries, except as provided at (b) above.

6. Application for the Queen's permission, whether full or restricted, will be submitted to Her Majesty by her Principal Secretary of State for Foreign Affairs, who however shall be under no obligation to consider them unless, before the bestowal of the Order, the Government of the foreign country concerned has ascertained either through the British Diplomatic Representative there or through its Diplomatic Representative at Her Majesty's Court, that having regard to these Regulations the award would not give rise to any objection.

In no case can applications be considered in respect of Orders conferred more than five years previously or offered in connection with events so long prior to the proposal to award them.

7. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have sought and obtained Her permission for a British subject to wear

the insignia of a foreign Order without restriction, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, or to Her Majesty's Principal Secretary of State for Scotland if appropriate in the circumstances of the case, in order that he may cause a Warrant as contemplated in Rule 2, to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by Her Majesty, a notification of the grant of permission shall be published in the London Gazette, or in the Edinburgh Gazette as the case may be.

8. The Warrant conveying Her Majesty's permission may, at the request and expense of the recipient, be registered in the College of Arms if it has been submitted to Her Majesty by Her Principal Secretary of State for the Home Department, or in the Court of the Lyon King of Arms if it has been submitted to Her Majesty by Her Principal Secretary of State for Scotland.

Every such Warrant shall contain a clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence or privilege appertaining to the degree of Knight Bachelor.

9. Permission will not be granted for the wearing of the insignia of foreign Orders conferred otherwise than by the Heads or Governments of foreign States recognised by Her Majesty as such.

Medals

10. Medals, with the exceptions specified below, and State decorations not indicating membership of an Order of Chivalry, are subject to the Regulations in the same manner as Orders, but permission, if granted, is given by letter or certificate, and not by Royal Warrant.

11. Medals for saving or attempting to save life at sea or on land, whether conferred on behalf of the Head or Government of a foreign State or by private Life-Saving Societies or Institutions, may be accepted and worn, subject only to the restrictions imposed by the regulations for the Services concerned.

Applications for Her Majesty's permission to wear other Medals conferred by Private Societies or Institutions cannot be entertained.

12. Applications for permission to wear foreign medals gained in warlike operations will not be entertained if the grant of such permission would be at variance with considerations of general policy or public interest.

General

13. The wives of persons in the service of the Crown are regarded for the purposes of these Regulations as sharing the disabilities of their husbands concerning the acceptance of foreign awards.

14. Persons employed in the commissioned or salaried service of the Crown on a temporary basis are subject to these Regulations in the same way as those employed on a permanent and pensionable basis.

15. Members of the various police and constabulary forces maintained in the United Kingdom and Dependent Territories are uniformly regarded as subject to these Regulations, with the exception however of British Transport Commission Police and Dock and Harbour Police Forces established under private Statutes.

16. Persons who have retired from the service of the Crown remain subject to these Regulations in so far as concerns the acceptance of foreign Orders, decorations or medals offered in respect of services rendered before their retirement.

17. The Regulations shall be regarded as applying in the same way as to British subjects, to British-protected persons who are such by virtue of their connection with a Protectorate or Trust Territory administered under the supervision of Her Majesty's Principal Secretary of State for the Colonies or Her Majesty's Principal Secretary of State for Commonwealth Relations; they may also be regarded as applying in the same manner to British-protected persons who are such by virtue of their connection with a Protected State administered under the supervision of either of the said Principal Secretaries of State, but Orders, decorations and medals conferred upon such British-protected persons by their Rulers are not regarded as falling within the scope of these Regulations.

SCHEDULE II

1. This Schedule relates to Officers' service retired pay, or the service portion of disability retired pay, awarded or assessed under the provisions of Orders in Council of the 2nd January, 1920, and 11th October, 1923, 4th May, 1935, and in subsequent Orders in Council, authorising scales of service retired pay or service portions of disability retired pay based upon the consolidated rates of retired pay authorised by Order in Council of the 4th May, 1935; including also additional Retired Pay granted to Retired Officers in respect of certain salaried appointments, under the provisions of Orders in Council of 13th December, 1921, 26th May, 1925, and 23rd July, 1931, and subsequent amending Orders in Council, and to Service Retired Pay assessed on any consolidated scale introduced not earlier than 1935 and not later than 18th December, 1945, but shall not apply to retired pay granted to certain Officers retired under the Special Retirement Schemes sanctioned by Orders in Council of the 14th July, 1922, and 16th January, 1924, whose retired pay was specifically exempted from subsequent periodical review.

It also related to pensions payable under Order in Council of the 27th October, 1936, and previous Orders relating to Riggers and Yardcraft personnel and to pensions payable under Order in Council of the 27th October, 1936, and previous Orders relating to certain Shipwrights, except that it does not relate to any such pensions payable by reason of death or retirement before the 21st February, 1922, nor retired pay awarded or assessed at men's pension rates.

2. Such awards, excluding any increase admissible under the First Schedule hereto, may be increased by 10 per cent.

Where an increase of the award is admissible under the provisions of the First Schedule, the amount of the latter increase shall be limited to the excess, if any, over the increase authorised by this paragraph.

3. Any pension increased or further increased under paragraph 2 of this Schedule shall, as so increased, be regarded for the purposes of the Pensions Increase Scheme, 1952, as if assessed under

the regulations in force before the 1st September, 1950.

4. In computing the increases permissible under paragraph 2, any sum commuted from the original retired pay shall be added to the existing rate, and eligibility for increase shall be determined by, and the rate of increase assessed on, the total so obtained.

5. In relation to an award which is, or would but for this paragraph be, increased by virtue of paragraphs 1 and 2 of this Schedule, shall have effect as if the references in paragraph 3 of the General Provisions in Schedule III to such an addition, included any excess of the said emoluments over what they were on the 3rd September, 1939, or what in the opinion of the Admiralty they would have been on that day had the office or employment then existed; so, however, that no pension shall by virtue of this paragraph be less than it would have been if this paragraph had not been introduced.

SCHEDULE III

Special Provisions

1. The retired pay of an Officer who, under regulation in force prior to Orders in Council of the 22nd January, 1920, was granted a higher rate of retired pay than that for which he would have been eligible under the provisions of that Order, shall not be increased under the provisions of Schedule II to an amount greater than that for which he would have been eligible had he been granted the appropriate rate under the provisions of the said Order in Council.

General Provisions

1. Where the amount to which a pension may be increased is less than the amount to which the pension might have been increased had it been smaller, the pension may be increased to the latter amount.

2. In calculating, for the purpose of Orders in Council of the 13th August, 1920, or the 8th December, 1924, the amount of any pension, any increase for which provision is made by this Order in Council shall be disregarded, and where the amount of any pension has been increased under the aforesaid Orders of the 13th August, 1920, or the 8th December, 1924, or by any other corresponding enactment, the increase for which provision is made by this Order in Council shall be calculated upon the amount of the pension as so increased.

3. Where a pension has been increased by virtue of an addition since the 3rd September, 1939, to the emoluments of any office or employment in respect of which, or on retirement from which, the pension is payable, and the said addition was an addition by way of war bonus or other similar allowance, the increase authorised under the First and Second Schedules shall be calculated as if the pension had not been increased by reason of the said addition, and

(a) if the amount of the increase authorised under these Schedules, when so calculated as aforesaid, is equal to or less than the amount by which the pension has been increased by reason of the said addition, the pension shall not be increased under these Schedules; and

(b) in any case, the amount of the increase authorised by these Schedules, after being so calculated as aforesaid, shall be reduced by the amount by which the pension has been increased by reason of the said addition.

3A. (i) Where the amount of a pension is determined by reference to a rate of emoluments received on or after 1st April, 1947, or by reference to an average rate of emoluments received over a period of service beginning on or after 1st April, 1946, no increase of the pension shall be payable under these Schedules.

(ii) Where the amount of a pension is determined by reference to an average rate of emoluments

received over a period of service (later referred to as "the relevant service") part of which was served before 1st April, 1946:—

- (a) For the purpose of calculating the amount of any increase under these Schedules, the pension shall be deemed to be of the like amount as the pension which could have been granted if it had fallen to be determined by reference to the average rate of emoluments received over so many years of the relevant service as were begun before 1st April, 1946;
 - (b) The amount of the increase which could be granted apart from this sub-paragraph (b) shall be reduced in the proportion which the relevant service less the years begun as aforesaid, bears to the whole of the relevant service.
4. Where part of a pension has been surrendered by the pensioner for the purpose of enabling a grant to be made of a pension to the wife or husband of the pensioner under any arrangement whereby a pension

is payable to the wife or husband of the pensioner during the pensioner's lifetime, then for the purpose of determining the percentage by reference to which the authorised increase of each of these pensions is to be calculated under the First and Second Schedules, each of the pensions shall be deemed to be of an amount equal to the aggregate of the two pensions.

5. Any general conditions attaching to the grant or continuance of retired pay or pension under Naval Regulations shall also apply to the grant or continuance of any increase to such retired pay or pension awarded under the provisions of this Order in Council.

6. Except where express provision to the contrary is made, no increase of pension under the First or Second Schedules above shall be admissible in the case of a pension awarded or assessed under any Scheme brought into operation on or after 19th December, 1945, or re-assessed in respect of war service under any such Scheme.

3. In the case of Officers' retired pay assessed under regulations having effect from a date after 31st August, 1950, where the award takes into account

service in ranks or equivalent ranks above that of Commander, the increase shall be the following percentage of the basic pension:—

Where an Officer's retired pay has been re-assessed in respect of war service, the basic pension shall be the award as so re-assessed and currently in payment, notwithstanding that Pensions Increase may have been imputed in its calculation, but alternatively the Officer may, in place of the re-assessed award, receive the retired pay and increase (including increases under former Pensions Increase Orders-in-Council) otherwise admissible.

Where men's service pensions have been re-assessed in respect of 1939–45 War service the basic pension shall be the award as so re-assessed and currently in payment.

6. Where any part of a pension is commuted after 31st March, 1956, the amount so commuted may nevertheless be included, as if it were still part of the pension, in assessing the increase permissible.

7. The grant of an increase of pension under this Schedule shall not affect entitlement to increase of pensions under former Pensions Increase Orders-in-Council and any increase granted under this Schedule shall be disregarded in assessing the increase admissible under those Orders-in-Council.

8. Where the terms of any former Pensions Increase Orders-in-Council require that, for the purpose of determining the rate of increase payable severally on a pension and on some other pension drawn by the same individual, the awards shall be aggregated, the rules for such aggregation, and for the allocation of the total permissible increase between the pensions, shall be as provided in the Pensions Increase Act corresponding to that Order-in-Council (as amended by the Pension Increase Act, 1956).

SCHEDULE II

Special Provisions

The retired pay and additional retired pay granted to Officers in respect of service in certain salaried appointments made under the provisions of Orders-in-Council dated 13th December, 1921, 26th May, 1925 and 23rd July, 1931, and subsequent amending Orders-in-Council, may be increased as follows:—

- (a) the retired pay earned by service on the active list shall be increased by the amount of pensions increase appropriate at the date of the Officer's final retirement; the additional retired pay earned by service in the salaried appointment after being placed on the retired list shall then be added to the original retired pay, increased as above, and the whole amount treated as a civil pension dating from final retirement: but
- (b) where the total under (a) above is wholly or partially excluded from further increase by reason of the date of final retirement or the amount of retiring salary, the minimum in-

crease will be the amount of increase which could be given on the rate of retired pay awarded for service on the active list.

2. In the case of the pensions specified at (d), (e), (f), (g) and (m) of Schedule I the award may be increased only to the extent to which a corresponding award under the Superannuation Acts would have been increaseable under the provisions of the Pensions (Increase) Act, 1956.

SCHEDULE III

General Provisions

Any general conditions attaching to the grant or continuance of a pension shall also apply to the grant or continuance of any increase to that pension.

2. The expression "the relevant date" in Schedule I means 1st January, 1950 when the pension is calculated on average pay and emoluments of £1,500 a year or more and 1st April, 1954 in all other cases.

- (a) the pensioner has attained the age of 60 years or, where the pension is a widow's pension, 40 years, or
- (b) the pensioner, if receiving a pension as the child of a deceased Officer, Rating or Other Rank, has not attained the age of 16 years, or, having attained that age, is receiving full time instruction in an educational establishment, or is undergoing training for a trade, profession or vocation in such circumstances that he is required to devote the whole of his time to that training for a period of not less than two years; or

3. The amount of the increase shall be the appropriate percentage, as set out in Clause 4, of the pension currently in payment to the pensioner, including any pensions increase awarded or admissible under former Pensions Increase Orders-in-Council. For the purpose of the calculation only, a fraction of a pound in an annual rate of pension will be treated as a whole pound, and a fraction of sixpence in a weekly rate of pension will be treated as a whole sixpence. The pension increase, however, will be added to the actual pension in payment.

Any part of the pension which has been commuted before the 1st August, 1959, shall be disregarded in assessing the increase permissible and where commutation is effected on or after 1st August, 1959, the amount so commuted may nevertheless be included as if it were still part of the pension in assessing the increase permissible.

4. The appropriate percentage increase shall be as follows :—

- (a) for pensions (other than family pensions) assessed in accordance with regulations which were in force before 1st April, 1956, 12 per cent ;
- (b) for pensions (other than family pensions) assessed in accordance with regulations introduced after 31st March, 1956, but excluding any awards made under regulations introduced on or after 4th November, 1958, 4 per cent ;
- (c) for family pensions assessed in accordance with regulations which were in force before 4th November, 1958, 10 per cent.

5. Where the service retired pay award to an officer retiring after 3rd November, 1958, is assessed under regulations in force prior to 4th November, 1958, but with an addition to that retired pay provided under regulations introduced on or after 4th November, 1958, pensions increase under this Order-in-Council shall not be admissible. The officer, however, may be granted instead his service retired pay award with, in lieu of the said addition, the appropriate pensions increase thereon.

6. The expression "dependant" for the purpose of Clause 2 (d) shall mean a person wholly or mainly supported by the pensioner and who either

- (a) has not attained the age of 16 years or, who having attained that age, is receiving full time instruction at an educational establishment or undergoing training for a trade, profession or vocation in such circumstances that he is required to devote the whole of his time to that training for a period of not less than two years; or
- (b) immediately before the date of effect of this Order-in-Council qualified the pensioner for an increase in pension under former Pensions Increase Orders-in-Council which would otherwise have been inadmissible.

- (a) an award under Part III or IV of this Order shall be at a composite rate having regard to the disabling effect of each such cause and the relevant rank appropriate thereto; and
- (b) an award under Part V of this Order shall be based upon the highest of those different relevant ranks.

(5) For the purposes of an award in respect of the death of a retired officer who has been recalled to service or otherwise taken into employment as a commissioned officer, the relevant rank shall be the rank in which he was employed, or the rank appropriate to the appointment in which he was employed,

(2) The Minister may withhold or reduce an award in respect of the disablement of an officer whose service is terminated voluntarily or on account of misconduct.

(3) For the purposes of an award in respect of disablement (which may be made provisionally or upon any other basis), the degree of that disablement shall be assessed on an interim basis, unless the member's condition permits a final settlement of the extent, if any, of that disablement.

10. *Determination of degree of disablement.*—(1) Subject to the following provisions of this Order, the degree of the disablement due to service of a member of the naval forces shall be assessed by making a comparison between the condition of the member as so disabled and the condition of a normal healthy person of the same age and sex, without taking into account the earning capacity of the member in his disabled condition in his own or any other specific trade or occupation, and without taking into account the effect of any individual factors or extraneous circumstances:

Provided that, where such disablement is due to more than one injury, a composite assessment of the degree of disablement shall be made by reference to the combined effect of all such injuries.

(2) The degree of disablement assessed as aforesaid shall be certified by way of a percentage, total disablement being represented by 100 per cent. (which shall be the maximum assessment) and a lesser degree being represented by such percentage as bears to 100 per cent. the same proportion as the lesser degree of disablement bears to total disablement, so, however, that a degree of disablement of 20 per cent. or more shall be certified at a percentage which is a multiple of 10, and a degree of disablement which is less than 20 per cent. shall, except in a case to which

MINISTRY OF PENSIONS AND NATIONAL INSURANCE 207

Table 1 in the Third Schedule applies, be certified in the manner required by Table 2 or 3 in that Schedule.

(3) Where a disablement is due to an injury specified in the First Schedule or is a disablement so specified, and, in either case, has reached a settled condition, the degree of that disablement shall, in the absence of any special features, be certified for the purposes of this Article at the percentage specified in that Schedule as appropriate to that injury or to that disablement.

(4) Where a member of the naval forces has sustained a minor injury specified in Table 1 in the Third Schedule as well as some other disablement due to service, the degree of which is less than 100 per cent, and a composite assessment of the degree of the disablement from both causes is no higher than the assessment for the other disablement alone, this Article shall have effect so as to authorise an award under Article 12 in respect of the minor injury as well as an award under Article 11 or 12 in respect of the other disablement.

(ii) in receipt of retired pay or pension in respect of disablement the degree of which is 100 per cent. and which has been awarded in respect of multiple injuries, which, in the opinion of the Minister, render his disablement so severe as to justify the award of an allowance at the aforementioned rate;

(b) at the rate of £28 a year in the case of an officer or 10s. a week in the case of a rating if he does not qualify for an award under sub-paragraph (a) of this paragraph but is in receipt of an allowance under Article 15 or under Article 17.

32. Allowances in respect of children under the age limit.—(1) Where a child of a member of the naval forces has not attained the child's age limit, an allowance under this Article may be awarded in respect of that child unless a pension is awarded to that child under Article 33.

(2) Subject to the following provisions of this Article, an allowance under this Article in respect of a child shall be at the rate of £83 10s. a year where the member was a commissioned officer or £77 10s. a year where the member was a commissioned officer (Branch List) or warrant officer, or 29s. a week in any other case.

(3) Where a child of a male member is a child to whom Article 1 (5) (e) applies, an allowance under this Article in respect of that child shall be at such rate as the Minister may determine, but shall not exceed £83 10s. a year where the member was a commissioned officer, £77 10s. a year where the member was a commissioned officer (Branch List) or warrant officer, or 29s. a week in any other case.

(4) Where the widower of a woman member is alive, no allowance shall be awarded under this Article in respect of any child of whom the widower is the father or who has been legally adopted by the widower unless the conditions for the award under Article 31 or 36 of a pension to the widower in respect of the death of the member are fulfilled. In this paragraph the word "widower" includes a person married to the member after the material date.

(5) Where—

- (a) a child of a male member, including a child to whom Article 1 (5) (e) applies, is not under the control of the child's mother or of a person who is or has been in receipt of a pension under Article 26, 28 or 29, in respect of the death of the member; or
- (b) a child of a woman member is not under the control of the child's father or of a widower of the member, being a father or widower in receipt of a pension under Article 31 or 36 in respect of her death;

an allowance under this Article in respect of the child may be awarded at, or, if already awarded, increased to, a rate not exceeding—

- (i) where the member was a commissioned officer, £128 10s. a year;

- (a) where the member was a commissioned officer, £128 10s. a year;
- (b) where the member was a commissioned officer (Branch List) or warrant officer, £100 a year if the child has not attained the age of 15 years or £120 10s. a year if the child has attained that age;
- (c) in any other case, 34s. 6d. a week if the child has not attained the age of 15 years or 46s. a week if the child has attained that age:

Provided that, in the case of a male member, a pension under this Article to a child to whom Article 1 (5) (e) applies shall be at such rate as the Minister may determine, but shall not exceed the rate which would be appropriate under the foregoing provisions of this Article.

34. Awards to or in respect of children over the age limit.—(1) An allowance in respect of, or a pension to, a child of a member of the naval forces may be awarded, or an award of such an allowance or pension may be continued, subject to the following provisions of this Article, after the child has attained the child's age limit where the child—

- (a) is a student or an apprentice; or
- (b) is incapable of self-support by reason of an infirmity which arose before he attained the child's age limit;

and the circumstances are such, in the opinion of the Minister, as to justify the award or its continuance.

(2) Subject to paragraph (3) of this Article, an allowance or pension so awarded or continued shall be at the rate and subject to the conditions laid down in the foregoing provisions of this Part.

(3) Where a child in whose case the conditions of Article 32 (5) or 33 are fulfilled has attained the age of 18 years and is incapable of self-support by reason of an infirmity which arose before he attained the child's age limit, the allowance or pension may be awarded at, or if already awarded increased to, a rate not exceeding £149 10s. a year in the case of an officer's child or 57s. 6d. a week in any other case.

35. Education allowances.—(1) An allowance in respect of a child of a member of the naval forces may be awarded for the purpose of that child's education if—

- (a) the child has attained the age of 5 years; and

- (c) the Minister is satisfied that the type of education which the child is receiving or is to receive is suitable for the child.

(2) The amount of an education allowance shall be determined by the Minister, but the total payments made in respect of any period of 12 months shall not exceed £120 in respect of any one child.

36. Awards for ineligible members of the family of unemployable pensioners.—Where a member of the naval forces was at the date of his death in receipt of an allowance in respect of a child under Article 17 (3) (d) (ii) or in respect of a husband under Article

MINISTRY OF PENSIONS AND NATIONAL INSURANCE 213

—DISABLEMENT, ETC., PENSION REGULATIONS

17 (3) (b), a pension to or an allowance in respect of the child and a pension to the husband may be awarded at the rate and subject to the conditions which would have been appropriate under the foregoing provisions of this Part if the child or husband had been an eligible member of the family.

37. Pensions to parents.—(1) Subject to the following provisions of this Article, the parent of a member of the naval forces may be awarded a pension if he is in pecuniary need by reason of old age, or infirmity or other adverse condition which is not merely of a temporary character:

Provided that, where the widow, unmarried dependant living as a wife, or widower of a member is in receipt of a pension under this Part, a pension shall not be awarded under this Article unless the parent was dependent on the member.

(2) In determining whether and to what extent a parent is in pecuniary need, the Minister shall take into account the extent to which the member before and during his service supported the parent, and the extent to which the member, if he had not died, would have been likely, in the opinion of the Minister, to support the parent thereafter.

(3) The rate of a pension under this Article shall be not less than £15 a year where the member was an officer, or 5s. a week in any other case, and shall not exceed—

(a) where the member was a male commissioned officer, whichever is the greater of the following rates, namely—

(d) in any other case, 20s. a week where there is only one eligible parent or 27s. 6d. a week where there is more than one eligible parent:

Provided that, in exceptional cases, the rate of the pension may be increased in excess of the foregoing rates by a sum not exceeding:—

(i) where the member was an officer, £20 a year;

(ii) in any other case, 7s. 6d. a week where there is only one eligible parent or 12s. 6d. a week where there is more than one eligible parent.

(4) Where an award to a parent may be made under this Article in respect of the death of two or more members of the naval forces—

(a) one pension only may be awarded under this Article in respect of the death of those members; and

(b) paragraph (2) of this Article shall have effect as if it referred to the support given to the parent by all those members.

(5) Where the conditions for the award of a pension under this Article are fulfilled in the case of more than one parent of a member, a pension may be awarded to whichever parent the Minister may select and, so long as the award to that parent is in force, a pension shall not be awarded to any other parent of the member:

Provided that, where the parents of the member are not living together, a pension may, if the Minister thinks fit, be awarded to each of them, so, however, that the aggregate rate of the pensions shall not exceed the maximum rate at which a pension under this Article may be awarded.

38. Pensions to other dependants.—(1) Subject to the following provisions of this Article, any other dependant of a member of the naval forces may be awarded a pension if he was dependent on the member and is in pecuniary need and incapable of self-support:

Provided that—

(a) Not more than one dependant shall be awarded a pension under this Article in respect of the death of the member except in the case of juvenile dependants, and where an award under this Article to any dependant ceases for any reason to have effect, no award shall be made under this Article to any other person unless that person is the wife or husband of that dependant; and

(b) The decision of the Minister shall be final on any question as to which of two or more dependants who may be eligible should receive a pension under this Article.

(2) A pension awarded under this Article to another dependant who is not a juvenile dependant shall be at such rate as the Minister may determine, but shall not exceed £54 a year where the member was an officer or 20s. a week in any other case, and shall not, in a case where a pension under Article 37 is in payment to one eligible parent of the member, exceed the maximum which, by virtue of paragraph (4) of this Article, is appropriate in such a case.

(3) A pension awarded under this Article to a juvenile dependant of a member shall be at such rate as the Minister may determine, but shall not exceed—

(a) where the member was a male commissioned officer, £26 a year for each juvenile dependant, so, however, that the aggregate rate of the pensions shall not exceed whichever is the greater of the following rates, namely—

(i) £75 a year; or

(ii) the appropriate ordinary rate of a widow's pension under the principal Regulations;

(b) where the member was a woman with commissioned officer status, £26 a year for each juvenile dependant, so, however, that the aggregate rate of the pensions shall not exceed £75 a year;

(c) where the member was a commissioned officer (Branch List) £20 a year for each juvenile dependant, so, however, that the aggregate rate of the pensions shall not exceed £65 a year;

(d) in any other case, 6s. a week for each juvenile dependant, so, however, that the aggregate rate of the pensions shall not exceed 20s. a week;

and shall not, in a case where a pension under Article 37 is in payment to one eligible parent of the member, exceed the maximum which, by virtue of paragraph (4) of this Article, is appropriate in such a case.

(4) Where a pension under Article 37 is in payment to one eligible parent of the member, the rate of a pension under this Article to another dependant of the member or, as the case may be, the aggregate rate of the pensions to the other dependants of the member shall not exceed the difference between the rate of the pension of which the parent is in receipt and the maximum rate which would be appropriate in that case under paragraph (3) of Article 37 if there were two eligible parents and the case were treated as an exceptional case under the proviso to that paragraph.

39. Re-marriage of female pensioners, etc.—(1) Any pension to or allowance in respect of a female person awarded under this Part in respect of the death of a member of the naval forces shall cease if that person marries or cohabits with some other person as his wife.

(2) Where a pension awarded under Article 26 to the widow of an officer or of a sergeant-major of the Royal Marines, or a pension awarded under

214 MINISTRY OF PENSIONS AND NATIONAL INSURANCE —DISABLEMENT, ETC., PENSION REGULATIONS

Article 37 to the female parent of a member of the naval forces, ceases under paragraph (1) of this Article on her marriage, the Minister may, on the death of the husband of that marriage, restore the pension in whole or in part if the circumstances of the widow or parent are, in his opinion, such as to justify its restoration.

(3) Where a pension awarded under Article 26 or 28 to the widow of a rating (not being the widow of a sergeant-major of the Royal Marines) ceases on her marriage, a gratuity equal to one year's pension may be awarded to her.

(4) An allowance under this Part in respect of the child of a member of the naval forces shall not be affected by the cessation under this Article of a pension awarded to any other person in respect of the death of that member.

PART VI.—Provisions for Special Classes of Disabled Members

40. *Application and Interpretation of Part VI.*—(1) Under this Part of this Order awards may be made where a member of the naval forces suffers disablement which is due to service.

(2) Any condition applicable to an award under Part III shall, where appropriate, be applicable to an award under this Part.

(3) In this Part the following expressions have, unless the context otherwise requires, the meanings hereby respectively assigned to them:—

- (a) "disablement addition on a pension basis", in relation to disablement assessed at not less than 20 per cent., means an addition by way of disablement element at the rate of £290 a year for total disablement in the case of a male officer, or £265 a year for total disablement in the case of a woman officer or, in either case, at a proportionately lower rate for a lesser degree of disablement.
- (b) "disablement addition on a gratuity basis", in relation to disablement assessed at less than 20 per cent., means the gratuity, or weekly allowance with or without a terminal gratuity, which would be appropriate under Article 12.
- (c) "regular officer" means an officer on one of the permanent lists of the Royal Navy or Royal Marines, or a Chaplain or Instructor Officer entered under normal conditions;
- (d) "regular rating" means a person who, in respect of service (otherwise than as an officer) in the Royal Navy or Royal Marines, is eligible on discharge for an award under the principal Regulations of disablement pension comprising an element in respect of service or rank or both.

41. *Regular officers with permanent commissions.*—A regular officer with a permanent commission (not being an officer to whom Article 42, 43, 44 or 45 applies) may be granted—

- (a) the award, other than an award at the half-pay rate, for which he is eligible under the principal Regulations in respect of service, together with a disablement addition on a pension basis or, as the case may be, a disablement addition on a gratuity basis; or
- (b) for so long as it is to his advantage and in lieu of an award under sub-paragraph (a) of this paragraph, the appropriate award under Article 11; or
- (c) where he is invalided before he had qualified for an award of retired pay under the principal Regulations, the appropriate award under Article 11 or 12 in addition to any service gratuity for which he is eligible; or
- (d) the award for which he is eligible under the principal Regulations.

42. *Regular officers with short service commissions.*—A regular officer serving on a short service commission (not being an officer to whom Article 45

applies) may be granted the appropriate award under Article 11 or 12, in addition to any service gratuity for which he is eligible.

43. *Re-employed officers.*—(1) In this Article "re-employed officer" means an officer with previous commissioned service who has been recalled to service or otherwise taken into employment as a commissioned officer.

(2) Where a re-employed officer is in receipt of retired pay which contains no element in respect of disablement, he may be awarded—

- (a) a disablement addition on a pension basis or, as the case may be, a disablement addition on a gratuity basis; or
- (b) if and for so long as it is to his advantage, and in lieu of any such retired pay and disablement addition, the appropriate award under Article 11.

(3) Where a re-employed officer was awarded a gratuity in respect of his previous service or was not eligible for any award in respect of his previous service, he may be granted the appropriate award under Article 11 or 12.

(4) Subject to the provisions of this Article, where a re-employed officer is in receipt of retired pay or pension (or both) partly in respect of his previous service and partly in respect of previous disablement, he may be granted, in lieu of the existing award, either—

- (a) a pension consisting of the service element of his existing retired pay or pension (or both) and of a disablement addition on a pension basis, the degree of disablement being assessed by reference to the combined effect of all the injuries which are due to service and to his previous service; or
- (b) if and for so long as it is to his advantage, the appropriate award under Article 11, the degree of disablement being assessed as in sub-paragraph (a) of this paragraph.

(5) Subject to the provisions of this Article, where a re-employed officer is in receipt of an award in respect of previous disablement and the award contains no element in respect of his previous service, he may be granted, in lieu of the existing award, an award under Article 11, the degree of disablement being assessed by reference to the combined effect of all the injuries which are due to service and to his previous service:

Provided that where the existing award is in respect of disablement due to service in the 1914 World War, or is in respect of disablement due to service before the 1914 World War but is at a rate laid down for disablement due to service in the 1914 World War, he may be granted, in addition to the existing award, an award under Article 11 in respect of the additional disablement which is represented by the difference between the degree of disablement assessed by reference to the combined effect of all the injuries which are due to service and to his previous service, and the degree of disablement on which the existing award is based.

(6) Where, in the case of an officer to whom paragraph (4) or (5) of this Article applies, the disablement due to service is a minor injury specified in Table 1 in the Third Schedule, and the existing award is not increased by the re-assessment of the degree of the disablement by reference to the combined effect of all the injuries which are due to service and to his previous service, the officer may be granted, in addition to the existing award, the appropriate gratuity under Article 12.

44. *Officers with previous commissioned service in Commonwealth forces, etc.*—An officer to whom Article 43 would apply if his previous commissioned service in the forces of any part of the Commonwealth (other than the United Kingdom or the Isle of Man), or in the forces of Burma before the 4th

- (a) a disablement addition on a pension basis or, as the case may be, a disablement addition on a gratuity basis; or
- (b) an award equal to the difference between his existing award in respect of his previous service in those forces and the award for which he would have been eligible under Article 43 if that Article had applied to him.

45. *Officers promoted from rating.*—(1) In this Article "officer promoted from rating" means an officer who was, on the 3rd September, 1939, a rating serving on a continuous service engagement or on an engagement to complete time for pension, and who was so serving immediately before being promoted to temporary rank as an officer.

(2) An officer promoted from rating may be granted—

- (a) the award for which he is eligible under the principal Regulations in respect of service, together with a disablement addition on a pension basis; or
- (b) the appropriate award under Article 11 or 12, if and for so long as it is to his advantage.

(3) An officer to whom the provisions of paragraph (1) of this Article apply, being an officer who, if he had not been disabled on the termination of his service, would have been eligible under the principal Regulations for a gratuity in respect of service, shall, if he ceases to be eligible for a disablement addition on a pension basis, have an option—

- (a) to continue to receive retired pay in respect of service; or
- (b) to receive, in lieu of such further retired pay and in final settlement, the service gratuity which might otherwise have been granted on the termination of his service, less the difference between the amount of such retired pay which has been issued and the amount of the payment which would, over the period of such issue, have been made if a life annuity had been purchased, corresponding in value to the service gratuity and determined actuarially according to the officer's age on the date his service terminated;

Provided that—

- (i) if the officer is eligible for a gratuity under Article 12, he may receive that gratuity in addition to an award under this paragraph;
 - (ii) where an award was made under paragraph (2) (b) of this Article as an alternative to an award under paragraph (2) (a) of this Article, the provisions of this paragraph shall apply, the amount of retired pay in respect of service which has been issued being treated as the amount which would have been issued under the said paragraph (2) (a).
- (4) Where an officer promoted from rating has received a service gratuity and subsequently a claim in respect of his disablement due to service is accepted, he shall have an option—

- (a) to refund the service gratuity in one sum and receive the appropriate award under paragraph (2) (a) or (b) of this Article; or
- (b) to retain the service gratuity and receive either—
 - (i) a disablement addition on a pension basis or, as the case may be, a disablement addition on a gratuity basis; or
 - (ii) the appropriate award under paragraph (2) (a) or (b) of this Article less the annual value of the service gratuity as a life

annuity determined actuarially according to his age at the time when he exercises the option:

Provided that the option shall be exercised when acceptance of the claim in respect of disablement is notified and the exercise thereof shall be final.

46. *Temporary officers with previous pension.*—(1) In this Article "officer with a previous pension" means an officer who, during his service, was in receipt of a pension or similar grant in respect of service in the ranks of the Navy, Army or Air Force, and includes an officer who has, since the termination of his service, been awarded a pension or similar grant in respect of service before the 3rd September, 1939, in the Navy, Army or Air Force.

(2) Where the existing award of an officer with a previous pension contains no element in respect of disablement, he may be awarded—

- (a) a disablement addition on a pension basis or, as the case may be, a disablement addition on a gratuity basis; or,
- (b) if and for so long as it is to his advantage, and in lieu of any such previous pension and disablement addition, the appropriate award under Article 11.

(3) Subject to the provisions of this Article, where the existing award of an officer with a previous pension contains elements in respect of both service and of disablement, he may be granted, in lieu of the existing award, either—

- (a) a pension consisting of the service element of the existing award and of a disablement addition on a pension basis, the degree of disablement being assessed by reference to the combined effect of all the injuries which are due to service and to his previous service; or,
- (b) if and for so long as it is to his advantage, the appropriate award under Article 11, the degree of disablement being assessed as in sub-paragraph (a) of this paragraph.

(4) Subject to the provisions of this Article, where the existing award of an officer with a previous pension is in respect of disablement and contains no element in respect of service, he may be granted, in lieu of the existing award, the appropriate award under Article 11, the degree of disablement being assessed by reference to the combined effect of all the injuries which are due to service and to his previous service.

(5) Where, in the case of an officer to whom paragraph (3) or (4) of this Article applies, the disablement due to service is a minor injury specified in Table 1 in the Third Schedule, and the existing award is not increased by the re-assessment of the degree of disablement by reference to the combined effect of all the injuries which are due to service and to his previous service, the officer may be granted in addition to the existing award the appropriate gratuity under Article 12.

47. *Regular ratings.*—A regular rating (not being a rating to whom Article 48 applies) may be granted the appropriate award under Article 11 or 12, in addition to any award in respect of service or rank (or both) for which he is eligible under the principal Regulations.

48. *Ratings with previous pension.*—(1) In this Article "rating with a previous pension" means a rating who, during his service, was in receipt of a pension or similar grant in respect of service in the Navy, Army or Air Force, and includes a rating who has, since the termination of his service, been awarded a pension or similar grant in respect of service before 3rd September, 1939, in the Navy, Army or Air Force.

(2) Where the existing award of a rating with a previous pension contains no element in respect of disablement, he may be granted, in addition to the

216 MINISTRY OF PENSIONS AND NATIONAL INSURANCE

—DISABLEMENT, ETC., PENSION REGULATIONS

existing award, the appropriate award under Article 11 or 12.

(3) Where the existing award of a rating with a previous pension is wholly or partly in respect of disablement, he may be granted, in addition to any service element (including any rank element) of the existing award, but in lieu of the element thereof in respect of disablement, the appropriate award under Article 11, the degree of disablement being assessed by reference to the combined effect of all the injuries which are due to service and to his previous service.

(4) Where the disablement due to service of a rating with a previous pension is a minor injury specified in Table 1 in the Third Schedule, and the existing award is not increased by the re-assessment of the degree of disablement by reference to the combined effect of all the injuries which are due to service, and to his previous service, the rating may be granted in addition to the existing award the appropriate gratuity under Article 12.

49. *Commuted awards.*—Where a member of the naval forces has commuted any part of his previous award or of any element thereof, the amount commuted shall be deducted from any award made under this Order in lieu of the previous award or element.

50. *General provision relating to awards under Part VI.*—Any retired pay, pension, gratuity, disablement addition on a pension basis or disablement addition on a gratuity basis awarded under this Part shall be treated as retired pay or pension awarded under Article 11 or, as the case may be, as a gratuity awarded under Article 12, for the purpose of any reference in any other provision of this Order to retired pay, pension or gratuity awarded under those Articles, and shall be treated as retired pay or pension for the purpose of Part IV:

Provided that—

(a) any award under Article 13 in respect of an eligible member of the family shall be based upon the degree of the disablement which is due to service, so, however, that, where an allowance in respect of that eligible member is being paid as part of the existing award, the aggregate rate of the allowances in respect of that member shall not exceed the rate at which an allowance in respect of that member would be paid if all the injuries had been due to service:

(b) except for the purposes of an award under Article 15, the reference in this Article to retired pay awarded under this Part shall be treated as excluding retired pay awarded under this Part at the half-pay rate.

Part VII.—General Provisions

51. *Interpretation of Part VII.*—In this Part of this Order, except where the context otherwise requires, the expression "pension" means any retired pay, pension, allowance or other continuing benefit under this Order, and the expression "gratuity" means any gratuity under this Order.

52. *Adjustment of awards in respect of other compensation.*—(1) Where the Minister is satisfied that compensation has been or will be paid to or in respect of a person to or in respect of whom a pension or gratuity is being or may be paid or that any compensation which has been or will be paid will benefit such a person, the Minister may take the compensation into account against the pension or gratuity in such manner and to such extent as he may think fit and may withhold or reduce the pension or gratuity accordingly.

(2) Where the Minister in any case considers that it is by reason of some act or omission by or on behalf of a person to or in respect of whom a pension or gratuity is being or may be paid that—

(a) there is no compensation to be taken into

account against that pension or gratuity under paragraph (1) of this Article; or

(b) the amount of compensation so to be taken into account against that pension or gratuity is less than it would otherwise have been;

and the Minister is of the opinion that such act or omission was unreasonable, the Minister may assess the amount of the compensation which, in his opinion, would have fallen to be taken into account as fore-said but for such act or omission, and may, for the purpose of paragraph (1) of this Article, treat the amount so assessed as if it were compensation which could be taken into account under that paragraph against that pension or gratuity.

(3) In this Article "compensation" means—

(a) any periodical or lump sum payment in respect of the disablement or death of any person, or in respect of any injury, disease or incapacity sustained or suffered by any person, being a payment—

(i) for which provision is made by or under any enactment, Order in Council (including this Order), Warrant, Order, scheme, ordinance, regulation, or other instrument; or

(ii) which is recoverable as damages at common law; or

(b) any periodical or lump sum payment which, in the opinion of the Minister, is recoverable or payable—

(i) under any enactment, scheme, ordinance, regulation or other instrument whatsoever promulgated or made in any place outside the United Kingdom; or

(ii) under the law of any such place; and is analogous to any payment falling within sub-paragraph (a) of this paragraph; or

(c) any periodical or lump sum payment made in settlement or composition of, or to avoid the making of, any claim to any payment falling within sub-paragraph (a) or (b) of this paragraph, whether liability on any such claim is or is not admitted.

53. *Pensioners admitted to institutions.*—Where any person to or in respect of whom a pension or gratuity may be or has been awarded is being maintained in an institution which is supported wholly or partly out of public funds, otherwise than for the purpose of receiving medical, surgical or rehabilitative treatment for a disablement in respect of which a pension or gratuity may be or has been awarded, the Minister may deduct from the pension or gratuity such amount in respect of the maintenance of the person in the institution as he may think fit having regard to all the circumstances of the case, and may pay the amount so deducted to that authority.

54. *Chelsea pensioners.*—Where a member of the naval forces is, by virtue of previous service in the military forces, admitted to Chelsea Hospital as an in-pensioner, his pension shall cease but may be restored in the event of his leaving that Hospital.

55. *Children whose maintenance is otherwise provided for.*—(1) A pension which may be or has been awarded to or in respect of a child may be withheld, or reduced to such an extent as the Minister may think fit, where periodical payments out of public funds are being made to or in respect of the child or the child is being maintained in the Navy, Army or Air Force or in any institution wholly or mainly supported out of public funds.

(2) A pension which may be or has been awarded to or in respect of a child of a woman member of the naval forces, or to or in respect of an illegitimate child of the wife or widow of a male member, or to or in respect of a foster-child who is illegitimate, may be reduced by the amount of any contributions to

the support of the child which are being made by, or which it would be reasonably practicable to obtain from, the father of the child, or, as the case may be, the widower of a woman member.

(3) In this Article "child" includes any person who is for the purposes of any provision of this Order to be treated as a child to or in respect of whom a pension may be or has been awarded.

56. *Payment of public claims out of pensions.*—Where the Minister is satisfied that a sum is due to the Crown, a Secretary of State, a Minister or a Government Department from a person to or in respect of whom a pension or gratuity may be or has been awarded, or that an overpayment has been made to or in respect of any such person by the Crown, a Secretary of State, a Minister or a Government Department, the Minister may deduct from the pension or gratuity in respect of that sum or overpayment such amounts and at such times as he may think fit and may apply the amounts so deducted in or towards paying or repaying that sum or overpayment.

57. *Administration of pensions, etc.*—(1) A pension or gratuity awarded to or in respect of any person may be administered by the Minister if that person—

- (a) has not attained the age of 21 years; or
- (b) is, in the opinion of the Minister, incapable of managing his own affairs by reason of mental infirmity; or
- (c) is being maintained in an institution to which Article 53 applies; or
- (d) is a person in whose case the award can be forfeited or has been restored under Article 58;

or if, in any other case, the Minister considers that it is in the interests of that person that it should be so administered.

(2) A pension or gratuity which is being administered under this Article may, as to the whole or such part thereof as the Minister thinks fit and at such times as he thinks fit, be applied for the benefit of the person to or in respect of whom it has been awarded or be paid to any person whom the Minister considers a fit and proper person so to apply the same.

58. *Forfeiture of pensions, etc.*—(1) Where a person to or in respect of whom a pension or gratuity may be or has been awarded—

- (a) is, in pursuance of a sentence or order of a Court upon his being found guilty of an offence, serving a term of imprisonment, detention, preventive detention or corrective training, or detained in a Borstal institution, approved school or remand home; or
- (b) is under any enactment deported from, required to leave, or prohibited from entering the United Kingdom or the Isle of Man, or is a person whose certificate of naturalisation has been revoked; or
- (c) being a person to or in respect of whom an award of a pension or gratuity may be or has been made under Part V of this Order, is, in the opinion of the Minister, unworthy of a grant from public funds;

the Minister may withhold the award of the pension or gratuity, or if it has been awarded, may direct that it shall be forfeited as from such date (including any past date) as he may think fit.

(2) The Minister may, upon such terms and as from such date (including any past date) as he thinks fit, restore, either in whole or in part, a pension or gratuity forfeited under this Article.

59. *Refusal of treatment.*—(1) Where it is certified that a member of the naval forces should in his own

interests receive medical, surgical or rehabilitative treatment for a disablement in respect of which a pension may be or has been awarded to him, and the member refuses or neglects to receive the treatment, the Minister may, if he considers that such refusal or neglect is unreasonable, reduce any pension in respect of the member's disablement by such an amount, not exceeding one-half of any such pension, as he may think fit.

(2) For the purpose of this Article, any misconduct on the part of the member which, in the opinion of the Minister, renders it necessary for any treatment that he is receiving to be discontinued, may be treated as a refusal of the member to receive the treatment.

60. *Failure to draw pension.*—Where a person fails for a continuous period of not less than 12 months to draw his pension, the award may be cancelled and payment of any arrears may be withheld:

Provided that the Minister may, in any particular case, restore the award and pay the arrears either in whole or in part.

61. *Arrears.*—Except in so far as the Minister may otherwise direct with respect to any particular case or class of case, payment of a pension shall not be made in respect of any period preceding the date of the application or appeal as a result of which the claim to the award of the pension, or as the case may be, to the continuance or resumption of the payment of the pension, is accepted.

62. *Payment of pensions.*—Payment of a pension under this Order may be made provisionally or upon any other basis and for such period as the Minister may think fit and, except as the Minister may direct either generally or in any particular case or class of case, a pension awarded in terms of a weekly amount may be paid weekly in advance and a pension not awarded in such terms may be paid quarterly or monthly in arrear.

63. *Review of awards, etc.*—(1) Where the Minister makes a final assessment of the degree or nature of the disablement of a member of the naval forces, or a final decision that there is no disablement or that the disablement has come to an end, any award under Article 11 or 12 made on the basis of that assessment, or any such final decision, shall not, subject to any decision given by a Tribunal under the Pensions Appeal Tribunals Acts, 1943 and 1949(a), and to the provisions of this Part, be reviewed unless—

- (a) in the case of a final assessment, there is a substantial increase in the degree of disablement which is due to service; or
- (b) in the case of a final decision, there is a substantial degree of disablement which is due to service; or
- (c) the rate of the pension or other grant has by error been fixed at a figure which is not appropriate under this Order to the assessment of the degree or nature of the disablement; or
- (d) the award of the pension or other grant has been made by error; or
- (e) the Minister has reason to believe that the award has been obtained by improper means.

(2) Any award under this Order (other than an award made on the basis of such a final assessment as aforesaid) may, subject to any decision given by a Tribunal under the Pensions Appeal Tribunals Acts, 1943 and 1949(a), be reviewed at any time on any of the grounds specified in paragraph (1) of this Article, or on any other ground which, in the opinion of the Minister, having regard to the provisions of this Order, necessitates its review.

(3) On any review under this Article the Minister may continue or vary the award, or make a fresh

award in place of it, or cancel it, or in the case of such a final decision as is mentioned in paragraph (1) of this Article may make an award as may be appropriate having regard to the provisions of this Order.

64. *Power to dispense with probate.*—(1) Where a person to whom any payment could have been made under this Order before his death dies before the payment is made, and the amount unpaid does not exceed £100, the amount so unpaid may be paid to the personal representative of the deceased person without probate or other proof of title, or may be paid or distributed to or among the persons appearing to the Minister to be the persons beneficially entitled to the personal estate of the deceased person, or to or among any one or more of those persons, and, in determining the persons to whom and the proportions in which the amount so unpaid shall be paid or distributed, the Minister may have regard to any payments made or expenses incurred by any such person for or on account of the funeral of the deceased person.

(2) Where a deceased person has died intestate and he was, or any child of his was or is, illegitimate, the deceased person and any such child shall, for the purposes of this Article, be treated as legitimate.

65. *Administration of this Order.*—This Order shall be administered by the Minister or, as to any particular provision thereof which he may select, by such other person or body acting under his directions as he may direct, and, except as otherwise provided by statute, the Minister shall be the sole interpreter of this Order and shall be empowered to issue such instructions with reference thereto as he may from time to time deem necessary.

66. *Transferred powers.*—Nothing contained in this Order shall prejudice or affect any power transferred to the Minister under Section 1 of the Pensions (Navy, Army, Air Force and Mercantile Marine) Act, 1939 (a).

67. *Commencement of this Order and revocation of previous Orders.*—(1) Subject to the following provisions of this Article, this Order shall be deemed to have come into operation on the 1st June, 1949, in place of the Order of the 4th June, 1946(b) and the two Orders of the 21st May, 1947, which shall cease to have effect from the 1st June, 1949, in respect of any period after that date.

(2) Subject to the following provisions of this Article—

- (a) where, on the 31st May, 1949, an allowance granted under Article 12 (4) of the Order of the 4th June, 1946, in respect of an unmarried dependant living as a wife of a member of the naval forces was being paid, that allowance may be continued until the conditions for the grant of an allowance under the said Article cease to be fulfilled;
- (b) where an allowance has been continued by virtue of sub-paragraph (a) of this paragraph until the death of the member of the naval forces, an award may be made under Article 28 of the Order of the 4th June, 1946, if and for so

long as the conditions for an award under that Article are fulfilled;

- (c) an award may be continued under Article 28 (4) of the Order of the 4th June, 1946, to an unmarried dependant living as a wife if, on the 31st May, 1949, she was in receipt of a pension under Article 28 (2) or 28 (3) of the said Order and, on the expiration of the period of 12 months beginning with the date of the member's death, or at the date when she ceases to have in her charge a child of the member and to receive an allowance in respect of that child under the provisions of Part V of this Order, as the case may be, she is in pecuniary need and incapable of self-support.

(3) Subject to the following provisions of this Article, each of the provisions specified in the first column of the following Table shall be deemed to have come into operation on the commencing date specified in the second column of that Table in relation to that provision, so, however, that no payment shall be made by virtue of any of the said provisions in respect of any period before the commencing date as specified in relation to that provision.

(3) Subject to the provisions of the next following paragraph, in no case shall there be an onus on any claimant under this Scheme to prove that disablement or death is directly attributable to the relevant qualifying injury or detention and the benefit of any reasonable doubt on those questions shall be given to the claimant.

(4) Where a claim under this Scheme—

- (a) in respect of disablement is made more than 7 years after the date of the relevant qualifying injury or end of detention; or
- (b) is made in respect of the death of a person, such death having occurred more than 7 years after the date of the relevant qualifying injury or end of detention;

and, upon reliable evidence, a reasonable doubt exists whether the disablement is, or the death was, directly attributable to the relevant qualifying injury or detention, the benefit of that reasonable doubt shall be given to the claimant.

(5) For the purposes of this Scheme, the detention of a naval auxiliary member may be treated as

228 MINISTRY OF PENSIONS AND NATIONAL INSURANCE —DISABLEMENT, ETC., PENSION REGULATIONS

continuing until whichever is the earliest of the following dates, that is to say—

- (a) the date of his death; or
- (b) the date on which it is first practicable for him to go to the place to which he ought to go for the purpose of resuming the performance of his duties under the naval engagement in pursuance of which he was serving at the commencement of the detention; or
- (c) the date on which it is first practicable for him, without committing a breach of the naval engagement in pursuance of which he was serving at the commencement of the detention, to return to the country to which he belongs;

or until such other date as the Minister may direct in relation to that naval auxiliary member or to any class of naval auxiliary members.

3. *Persons to whom the Scheme applies.*—(1) Subject to the provisions of paragraph (3) of this Article, this Scheme applies to any naval auxiliary member whose disablement or death is directly attributable to a qualifying injury or to detention.

(2) This Scheme applies also, subject to the provisions of paragraph (3) of this Article, to any person employed or engaged in a ship forming part of Her Majesty's Navy as an enlisted man of the Royal Navy in whose case it was provided on his enlistment that, in the event of his disablement or death being directly attributable to a war injury, war risk injury or detention, compensation would be payable in accordance with the provisions of the Scheme for the time being in force applying the provisions of the Naval Order to naval auxiliary personnel, and, accordingly, any such person shall be treated for the purposes of this Scheme as if he were a naval auxiliary member, the rank in which he is serving in the Royal Navy being treated as his equivalent naval rank and his service after the 2nd September, 1939, as a man of the Royal Navy being treated as service as a naval auxiliary member.

(3) This Scheme does not apply to any person to whom any Scheme made under subsection (2) of section 5 of the Act applies.

4. *Equivalent naval ranks.*—(1) For the purposes of this Scheme, a naval auxiliary member shall be treated as holding on the material date the equivalent naval rank which is specified in the Second Schedule to this Scheme in relation to the capacity, or the capacity and circumstances, in which he was rendering service, and the qualifications which he held, on that date:

Provided that where, in the case of a naval auxiliary member holding a commission granted by Her Majesty for the purpose of his service, his commissioned rank was on the material date higher than the rank specified in the Second Schedule to this Scheme in relation to the capacity, or the capacity and circumstances, in which he was rendering service, or the qualifications which he held, on that date, the equivalent naval rank which the naval auxiliary member shall for the purposes of this Scheme be treated as holding on that date shall be his commissioned rank.

(2) Where, on the material date, a naval auxiliary member—

- (a) falls to be treated by virtue of the foregoing provisions of this Article as holding an equivalent naval rank which is, in the opinion of the Minister, too low or too high having regard to any circumstances which the Minister may consider relevant to the determination of the equivalent naval rank of that naval auxiliary member; or
- (b) was rendering service in a capacity, or in a capacity and circumstances, not specified in the second Schedule to this Scheme;

that naval auxiliary member shall be treated for the purposes of this Scheme as holding on that date such

equivalent naval rank as is, in the opinion of the Minister, appropriate.

(3) Where the disablement or death of a naval auxiliary member is directly attributable, not to a single qualifying injury or period of detention but to two or more such causes, and different ranks would, by virtue of the foregoing provisions of this Article, be applicable to the different causes of the disablement or death—

- (a) any award under the Naval Order as applied by this Scheme in respect of disablement shall be at such composite rate as the Minister may consider appropriate having regard to the disabling effect of each such cause and the rank applicable thereto; and
- (b) any award under the Naval Order as applied by this Scheme in respect of death shall be based upon the highest of those different ranks.

5. *Awards for disablement.*—Where the disablement of a naval auxiliary member is directly attributable to a qualifying injury or to detention, the provisions of the Naval Order, modified in the respects indicated in the Third Schedule to this Scheme, shall apply to him so as to secure that, subject to the provisions of this Scheme, there may be made on the termination of the naval engagement in the course of which he sustained the qualifying injury or suffered the detention an award or awards in respect of that disablement of the like nature and amount as would, having regard to his equivalent naval rank, have been made in respect thereof under the Naval Order if he had been a member of the naval forces for the purposes of that Order and his disablement had been due to service as a member of those forces.

6. *Persons previously disabled.*—(1) Where a naval auxiliary member who has suffered disablement which is directly attributable to a qualifying injury or to detention (in this Article referred to as the "relevant disablement") has been awarded a pension or other grant payable out of public funds (otherwise than under this Scheme) in respect of some other disablement however caused, the degree of the relevant disablement shall not exceed the difference between—

- (a) the degree of the other disablement determined by reference to the assessment on which payment of the said pension or other grant is being made or, where that payment is not based on any specific assessment, the assessment which, in the opinion of the Minister, having regard to the regulations under which that payment is made, is appropriate to that other disablement; and
- (b) the degree at which the relevant disablement and the other disablement, determined as aforesaid, would together have been assessed on a composite assessment if both disablements had fallen to be assessed under the Naval Order as applied by this Scheme.

(2) The Minister may, notwithstanding anything in the Naval Order as applied by this Scheme or in this Scheme, make such award in respect of the relevant disablement as will secure that the aggregate value of the award in respect of that disablement and of the pension or other grant in respect of the other disablement is not less than the value of the award which, if both disablements had come within the scope of this Scheme, would have been made by virtue of Article 4 (3) of this Scheme having regard to the equivalent naval rank of the member in relation to the relevant disablement and the rank which is, or should, in the opinion of the Minister, be assumed to be, the basis of the pension or other grant in respect of the other disablement.

(3) The provisions of this Article shall not apply where a naval auxiliary member to whom an award in respect of the relevant disablement may be made has been awarded a pension or other grant payable, in respect of some other disablement however caused, under the National Insurance (Industrial Injuries)

MINISTRY OF PENSIONS AND NATIONAL INSURANCE 229

—DISABLEMENT, ETC., PENSION REGULATIONS

Act, 1946(d), or under any legislation in Northern Ireland corresponding to that Act, or under the law of any place outside the United Kingdom which in the opinion of the Minister is analogous to that Act.

(4) Where an award may be made under the Naval Order as applied by this Scheme in respect of a member of the disabled person's family in respect of whom an award is not comprised in the pension or other grant in respect of the other disablement, the provisions of this Article shall not apply in relation to that award.

7. Awards on death.—(1) Where the death of a naval auxiliary member is directly attributable to a qualifying injury or to detention, the provisions of the Naval Order, modified in the respects indicated in the Third Schedule to this Scheme, shall apply so as to secure that, subject to the provisions of this Scheme, there may be made an award or awards of the like nature and amount as would, having regard to his equivalent naval rank, have been made under the Naval Order if he had been a member of the naval forces for the purposes of that Order and his death had been due to service as a member of those forces:

Provided that an award under this Article shall not be made where the death of the naval auxiliary member takes place more than 7 years after the date of the relevant qualifying injury or end of detention unless at the date of his death he then was, or at any time previously thereto had been, in receipt of a pension awarded by the Minister in respect of a disablement to which his death was directly attributable.

(2) In this Article, the expression "pension" includes a weekly allowance, a gratuity or an allowance in respect of a period of approved treatment, and the expression "approved treatment" has the same meaning as in the Naval Order as applied by this Scheme.

8. Prevention of double payments.—Where the Minister is satisfied that a payment (not being a payment in respect of the cost of a funeral) has been or will be made in respect of an injury (whether resulting in disablement or death)—

- (a) under section 1 of the Superannuation Act, 1887 (e), as amended by section II of the Superannuation Act, 1935 (f), or by section 9 of the Superannuation Act (Northern Ireland), 1935 (g); or
- (b) under or by virtue of section 41 or 56 of the Superannuation Act, 1949 (h); or
- (c) under any Order-in-Council relating to pensions for officers of the Royal Fleet Auxiliaries;

no award of a pension, allowance or gratuity on account of any disablement or death which is directly attributable to that injury shall be made under the Naval Order as applied by this Scheme and any such award which has been made shall be cancelled:

Provided that, where the Minister is satisfied that, in respect of any period, the aggregate annual value of the payments which are being or will be made under or by virtue of the said section 1, section 41 or section 56 falls short of the aggregate annual value of the payments which, but for the foregoing provisions of this Article, would have been made in respect of that period under the Naval Order as applied by this Scheme or under this Scheme, the Minister may make such awards under the Naval Order as applied by this Scheme or under this Scheme as he may consider appropriate in order to make good the deficiency.

9. Modification of awards in certain cases.—(1) The rate or amount of any pension, allowance, gratuity or other grant which may be awarded under the Naval Order as applied by this Scheme or under this Scheme

to or in respect of a person to whom this Article applies may be reduced to such extent as the Minister may consider appropriate, and (unless the Minister, having regard to any circumstances which seem to him relevant, otherwise directs in relation to a person coming within paragraph (2) (c) or (d) of this Article) shall not exceed two-thirds of the rate or amount which, but for this Article, would have been applicable.

(2) This Article applies to—

- (a) any person ordinarily resident outside the United Kingdom who, for the performance of his duties under the naval engagement by virtue of which his case comes within this Scheme, was receiving or due to receive remuneration which is shown to the satisfaction of the Minister to be substantially lower than the remuneration customary in the case of a person ordinarily resident in the United Kingdom who undertakes in the United Kingdom to perform similar duties;
- (b) any member of the family of a person coming within sub-paragraph (a) of this paragraph;
- (c) any person whose country of origin is one where the standards of remuneration applicable for his employment are shown to the satisfaction of the Minister to be substantially lower than the standards of remuneration applicable in the United Kingdom for similar employment, and who is resident in that country or in some other country where the standards of remuneration applicable for his employment are shown to the satisfaction of the Minister to be substantially lower than the standards of remuneration applicable in the United Kingdom for similar employment;
- (d) any member of the family of a person whose country of origin is as aforesaid, being a member of the family who is resident in the said country or in some other country such as aforesaid.

10. Power to make lump sum payments.—Where, in the case of any person to whom a pension or allowance may be or has been awarded under the Naval Order as applied by this Scheme or under this Scheme, the Minister is satisfied that the payment of a lump sum in lieu of that pension or allowance is justified by the circumstances of the case, the Minister may pay to that person such a lump sum, and any reference in the Naval Order as applied by this Scheme or in this Scheme to a gratuity shall be construed as including a reference to a lump sum under this Article.

11. Invalidity of assignments.—Any assignment or charge, and any agreement to assign or charge, any pension, allowance, gratuity or other grant which may be or has been awarded under the Naval Order as applied by this Scheme or under this Scheme shall, for the purposes of this Scheme, be void.

12. Determination of medical questions.—The provisions of the Naval Order, as applied by this Scheme shall apply in relation to any medical question which arises under this Scheme in like manner as they apply in relation to any matter which is required by the Naval Order to be certified and which involves a medical question.

13. Declaration and certificates.—(1) Any person to whom a pension, allowance or gratuity has been awarded under the Naval Order as applied by this Scheme or under this Scheme, and any person to whom payment of that pension, allowance or gratuity is to be made, shall, if and when required by the

(2) Where a declaration is subscribed under paragraph (1) of this Article by a person who is not the person to whom the pension, allowance or gratuity has been awarded, there shall be furnished, if and when required by the Minister, such certificate as the Minister may from time to time direct.

(3) If such a declaration or certificate as may have been required by the Minister under this Article to be subscribed or furnished is not subscribed or furnished, payment of the pension, allowance or gratuity, shall be withheld until the requirements of the Minister under this Article have been satisfied.

14. *Administration of Scheme.*—(1) The Minister shall be the sole administrator of this Scheme and, subject to the provisions of the Pensions Appeal Tribunals Acts, 1943 and 1949 (i); all questions with respect to the effect or operation of this Scheme shall be determined by the Minister and his decision thereon shall be final and conclusive.

(2) The Minister may make regulations for giving effect to the purposes of this scheme.

15. *Commencement of Scheme and repeal of previous Schemes.*—(1) Subject to the following provisions of this Article, this Scheme shall be deemed to have come into operation on the 1st June, 1949, so, however, that no payment shall be made under this Scheme in respect of any period before that date.

(2) Subject to the following provisions of this Article, the War Pensions (Naval Auxiliary Personnel) Scheme, 1946 (j), as amended by the War Pensions (Naval Auxiliary Personnel) (Amendment) Scheme, 1948 (k), shall be deemed to have ceased to have effect as from the 1st June, 1949, without prejudice, however, to their operation in respect of any period before that date.

(3) Subject to the following provisions of this Article—

(a) where, on the 31st May, 1949, an allowance granted under Article 12 (4) of the Naval Order of the 4th June, 1946 (l), as applied by the War Pensions (Naval Auxiliary Personnel) Scheme 1946 (j), as amended by the War Pensions (Naval Auxiliary Personnel) (Amendment) Scheme, 1948 (k), in respect of an unmarried dependant living as a wife of a naval auxiliary member was being paid, that allowance may be continued until the conditions for the grant of an allowance under the said Article cease to be fulfilled;

(b) where an allowance has been continued by virtue of subparagraph (a) of this paragraph until the death of the naval auxiliary member, an award may be made under Article 28 of the Naval Order of the 4th June, 1946 (l), as applied by the War Pensions (Naval Auxiliary Personnel) Scheme, 1946 (j), as amended by the War Pensions (Naval Auxiliary Personnel) (Amendment) Scheme, 1948 (k), if and for so long as the conditions for an award under that Article are fulfilled;

(c) an award may be continued under Article 28 (4) of the Naval Order of the 4th June, 1946 (l), as applied by the War Pensions (Naval Auxiliary Personnel) Scheme, 1946 (j), as amended by the War Pensions (Naval Auxiliary Personnel) (Amendment) Scheme, 1948 (k), to an unmarried dependant living as a wife if, on the 31st May, 1949, she was in receipt of a pension under Article 28 (2) or 28 (3) of the said Naval Order as so applied and, on the expiration of the period of 12 months beginning with the date of the member's death, or at the date when she ceases to have in her charge a child

of the member and to receive an allowance in respect of that child under the provisions of the said Naval Order as so applied, as the case may be, she is in pecuniary need and incapable of self-support.

(4) Subject to the following provisions of this Article, each of those provisions of the Naval Order as applied by this Scheme which are specified in the first column of the following Table shall be deemed to have come into operation on the commencing date specified in the second column of that Table in relation to that provision, so, however, that no payment shall be made by virtue of any of the said provisions in respect of any period before the commencing date as specified in relation to that provision.
